Inn, Golf Course And Marina Proposed

Vast Recreation Complex Planned Near Waterford Track By Edwards

A $2½-million recreation complex is being contemplated in the vicinity of Waterford Park by James F. Edwards, owner of the race track in Hancock County.

Plans for the expansive program were disclosed Tuesday afternoon by William Marland, former governor of West Virginia, when he spoke at the luncheon meeting of the Rotary Club in the Travelers Hotel.

—:—

MARLAND, WHO now serves in an executive capacity with the Edwards enterprises, said the complex will be constructed on a 250-acre tract adjacent to the race track and will include a 100-room inn, an 18-hole golf course and a marina.

The ex-governor emphasized "the plan is not a dream, but a reality . . . the only contingency being the finalizing of the purchase of the land, for which negotiations are now under way."

Edwards, contacted later relative to the program, declared he is "very eager to start the project, which should be a tremendous boon to the economy of the upper Ohio Valley, and most certainly a terrific boost to the entire tourist industry of the state of West Virginia and the tri - state area."

He commented enthusiastically: "It is hoped that negotiations for this property (now held by the Monongahela Power Co.) can be concluded with alacrity so that we may start work without any further loss of time."

—:—

PLANS CALL for the inn, which will cost approximately $1 million, to be located across Route 66 from the race track, with "all the recreational facilities that are associated with a plush type inn," including a swimming pool, tennis courts, skeet shoots, riding trails, shuffleboard and an archery range.

A restaurant will be included.

The 18-hole golf course will be located on the west side of the roadway, Marland told the Rotarians, where an orchard now stands, with present plans calling for at least nine of the holes to be lighted.

The marina would be located on the river area behind the grandstand.

Marland said that when completed "this area will have a recreation complex second to none." "Some may be larger," he added, "but none will be better."

He estimated that about 200 persons will be employed at the facility eventually.

—:—

MARLAND praised the tourist possibilities of the area and said "he thought the potential for industry is also unlimited."

He cited tourism as "a product generating facilities equal to industrial development."

The track itself hasn't been forgotten, he added, with improvements continually being made. When completed, he said, "Waterford Park, foot for foot will be equal to any track in the world."

Marland continued: "We at the track are thinking of the growth of the area in the future, and wish to be more firmly embedded as an integral part of the growing community. We wish to gain acceptance as an equal, the same as any other industry."

In pointing to the part Waterford Park already is playing in West Virginia and the area, he noted that it pays salaries amounting to about one million dollars a year and taxes to the state of West Virginia of almost four million dollars.

He said other expenses showed maintenance running about $260,000 yearly; feed bills, $225,000; supplies, $600,000; trainer and jockey pay, $1,050,000, and purses paid out, $2,000,000.

Marland said "it is amazing the meaning of a racing type enterprise to a community."

He said, "We will grow in the future, and are sure the tri-state area will grow with us."

Chance Held For Staging Viet Talks

Fulbright Hinges Belief On Checking Of Red Offensive

WASHINGTON (AP) — Sen. J. W. Fulbright says that if the Viet Cong offensive can be held in check the Communists may be willing to negotiate on Viet Nam when the monsoon season ends in the fall.

Fulbright, chairman of the Senate Foreign Relations Committee, told the Senate Tuesday that the United States must do two things in Viet Nam: (1) Demonstrate that it cannot be driven from the country by force and (2) "Offer the Communists a reasonable and attractive alternative to military victory."

Fulbright's speech came one day after he conferred with President Johnson on Viet Nam. There was widespread belief in Congress that he was reflecting White House views. He said a complete U.S. military victory would cost more than it was worth and called for a negotiated settlement. He also praised Johnson's patience in dealing with a situation he said holds the threat of catastrophe.

The Arkansas Democrat said: "There have been pressures from various sources for expanding the war. President Johnson has resisted these pressures with steadfastness and statesmanship and remains committed to the goal of ending the war at the earliest possible time without preconditions."

Fulbright said a previous five-day lull in U.S. air strikes at North Viet Nam was too short. He added: "It also must be noted that the suspension elicited no response from Hanoi and Peking."

U.S. officials said a second pause in the bombings had never been ruled out. But they added that no advance word will be given on such a move since it would permit the Communists to use the lull to move up reinforcements.

Fulbright spoke after Sens. Ernest Gruening, D-Alaska, and A. Willis Robertson, D-Va., urged the President in Senate speeches to take the Viet Nam matter to the United Nations.

Sen. Jacob K. Javits, R-N.Y., who favors a Senate Foreign Relations Committee inquiry into the Viet Nam situation, says that group could combine such a probe with its upcoming fact-finding survey of the situation in the Dominican Republic.

American Adviser Captured

34 Yanks Hurt In Viet Nam By Terrorist Bomb

SAIGON, South Viet Nam (AP) — A large Viet Cong force ambushed a government convoy 15 miles southwest of Saigon today, apparently captured the American adviser with the unit and shot down a helicopter sent in to relieve the convoy, U.S. spokesmen announced.

One of the American crewmen aboard the helicopter was killed and the other three were seriously wounded, the spokesmen said. The helicopter reportedly exploded in the air and crashed.

In another part of Viet Nam, two U.S. Air Force fighters collided and crashed, the spokesmen announced. They said one pilot parachuted to safety and was picked up and may have been wounded.

No one was seen parachuting from the other plane before it crashed, the spokesmen reported. Both planes were A1 propeller-driven fighters, which normally carry two persons.

A terrorist bomb exploded in the civilian terminal building of the Saigon airport, injuring 34 Americans and at least 12 other persons, but 120 U.S. troops waiting a short distance away to board two jet transports for the United States were not harmed.

None of the Americans was reported seriously injured.

In the convoy ambush southwest of Saigon, an estimated several hundred guerrillas attacked a unit of about 40 Vietnamese militia led by a district chief and his U.S. Army adviser.

The district chief escaped during the fire fight, but the American was reported missing and it was not immediately known if any of the militiamen escaped.

Explosions And Gunfire Echo In City

21 Dominicans Are Killed In Skirmish Lasting Full Day

SANTO DOMINGO, Dominican Republic (AP) — Sharp explosions and gunfire echoed today in the heart of Santo Domingo, where a daylong battle Tuesday between rebels and U.S. troops left 21 Dominicans dead and 24 American paratroopers wounded.

The gunfire, however, was described as moderate to light.

During the night, mortar shells landed in the rebel sector at intervals of 15 to 30 minutes after a cease-fire ended the big battle.

There was no report of casualties from the mortar firing. But the rebels said it could provoke new fighting.

The rebels suggested that the mortar fire came from troops of the military-civilian junta in the northern sector of the capital, on the far side of the international safety zone occupied by the Inter-American Force.

The dead in the prolonged battle Tuesday included 17 rebel soldiers and two children. Twenty-six wounded Dominicans were brought into a hospital in the rebel sector. A Brazilian lieutenant of the inter-American peace force also was wounded.

Among the dead was Andre Riviere, a top aide to rebel Defense Minister Col. Ramon Manuel Montes Arache. Riviere was a Frenchman who had been fighting with the rebels.

The mediation team of the Organization of American States blamed the rebels for starting the shooting. The OAS team said the rebels opened fire at 8 a.m. and American paratroopers of the Inter-American Force didn't shoot back for 25 minutes.

Rebel leaders claimed U.S. troops began the firing near a power plant just below the eastern tip of the international safety zone. The plant had been under attack almost nightly from raiding parties from within the rebel lines.

The OAS report said a brigade commander of the Inter-American Force "reported that the attacking (rebel) troops were trying to maneuver and to capture positions in the security zone."

The firing was the heaviest involving U.S. troops since American forces were sent to the Dominican Republic April 28. A cease-fire was arranged at 8:30 p.m. by Brazilian Gen. Hugo Panasco Alvim, commander of the Inter-American Force, and Col. Francisco Caamano Deno, the rebel chieftain.

During the battle U.S. troops extended their lines four blocks into rebel territory beyond the power plant. An official military spokesman said the troops would pull back to the original boundary after they liquidated harassment in the area.

Col. Caamano called the outbreak of fighting "a form of pressure" by the OAS to "force us to accept an undignified solution."

U. S. May Boost Viet Nam Force

WASHINGTON (AP) — Secretary of Defense Robert S. McNamara may discuss today the scope of a mounting U.S. troop buildup which could reach 75,000 to 80,000 men in South Viet Nam in the next several months.

McNamara called a midafternoon news conference without announcing a subject. The Viet Nam war, top U.S. concern at this time, was certain to form the center of the questioning.

About 53,500 U.S. military men are now stationed in South Viet Nam. This is more than double the force at the beginning of this year.

Gen. William C. Westmoreland, U.S. military chief in South Viet Nam, reportedly has asked for sizable reinforcements of U.S. combat elements.

Knowledgeable sources describe McNamara and Ambassador Maxwell D. Taylor as more conservative than Westmoreland in their estimates of U.S. troop requirements in Viet Nam.

There is a strong impression that President Johnson, who makes the final decisions on troop commitments, is feeling his way and will avoid any hasty moves.

Second Organization Hit

Committee Ousts Mallas In Hancock Party Dispute

Mickey Mallas of Weirton, president of the New Frontier Democratic League, was removed as a member of the Hancock County Democratic Executive Committee Tuesday on a charge of heading a Democratic political organization which does not come under the jurisdiction of the county executive committee.

The vote was 9-6 for removal, with four members abstaining.

The session was held at the Weirton Community Center, with county chairman Edward A. Zagula of Weirton presiding.

A committee had been appointed earlier by Zagula to investigate three charges he had filed against Mallas. The committee, comprised of Anthony DiBart, Wedo Magnone, Rex Cowey and Mrs. Alda Pearson, reported on one of the charges and recommended dismissal.

Zagula declared he had "made every effort" to effect a peaceful solution to the division within party ranks, but "that interference continued from certain individuals." He referred particularly to his predecessor, Dick Wright of Chester, who only two weeks ago made another futile effort before the state executive committee to regain the county chairmanship.

Zagula charged that the New Frontier Democratic League, although chartered, has functioned outside the jurisdiction of the county committee and was a factor "in contributing to party dissension".

The league maintains an office on Pennsylvania Ave. in Weirton Heights, and, according to Mallas, has 800 members.

Those voting to remove Mallas from the committee were DiBart, Mrs. Pauline Kondik, Mrs. Olive Pearson, Mrs. Lois Wills, Magnone, Mrs. Mary Orwasky, Cowey, Mrs. Lorraine Palma and Mrs. Mary Green.

Those voting against the motion were Joe Zinaich, Joe Burrachio, John Balog, John Plesich, Mrs. Helen Quatro and Donna Wright.

Those abstaining were Walter Nogay, county vice chairman; Jack Evans, proxy for Gerald Rainey; Mrs. Jack Evans, proxy for Mrs. Margaret Baxter, and Ralph Durante, proxy for Mrs. D. K. Bever.

Kent Selects Director For Center Here

Appointment was announced today of a director for the new Kent State Academic Center which will open here this fall.

He is John G. Hedrick, who has been an instructor in English at Kent's Stark County Center since last September.

The appointment was announced by Kent State President Robert I. White.

Hedrick received his Bachelor of Science degree in education from Kent in 1957 and his Master's degree from Notre Dame University in 1958.

He is a native of Kokomo, Ind., has taught at St. Mary's College, South Bend; Indiana University's extension center in South Bend, and Glenwood High School in Canton, Ohio.

He also has been employed as a system's engineer with the Internationla Business Machine Co. in Canton.

Hedrick resides at 1221 Bel Air Dr. in North Canton. He is a member of the Ohio Education Association and Kappa Delta Pi fraternity and is affiliated with the Canton Players Guild. The Hedricks have one child.

Daugherty Vetoes Action For Fee In Hephner Case

Mayor William Daugherty informed Wellsville Council Tuesday night he has vetoed a resolution passed June 1 declaring intent to pay $1,589 attorney fees incurred by Police Chief John Hephner in his fight to be reinstated as head of the department a year ago.

The mayor said he took the action Monday. Council cannot act on any possible overriding for 10 days. The resolution barely passed each of three separate readings.

The mayor listed these seven reasons for his veto:

"1.—There is absolutely no legal justification for such a payment, and in my opinion no solid moral issue is involved.

"2.—The course taken in this case was entirely proper and by no stretch of the imagination was there, or is there, any moral or legal obligation on the part of the city solicitor to do anything other than what was done.

"3.—It would have been a dereliction of duty on the part of the administration not to have taken this action.

"4.—The report of the Civil Service Commission stated that the action was taken in the best interests of the community.

"5.—Any such payment would be a dissipation of city funds that are derived from taxes paid by Wellsville people, and I feel that would be improper.

"6.—Similar suits have been brought in Wellsville and many other places and the use of taxpayers' money for such a purpose would be definitely discriminatory and could establish a damaging precedent.

"7.—Finally, if there is a feeling on the part of the principal involved in this case that there is an entitlement to some compensation I am sure he or an attorney knows the proper steps to be taken."

"I ask Wellsville City Council to reconsider this measure," the mayor stated.

Officers Raid 2 More Bars In Hancock

More raids were staged on Chester area clubs Tuesday night as constables entered the Hilltop Inn and the Cactus Bar with search and seizure warrants and arrested the proprietors.

Charles Pittenger, proprietor of the Hilltop Inn, located at the intersection of Route 30 and Route 2, about midway between Chester and the Pennsylvania line, was charged with the possession of alcoholic liquor.

Pittenber, a resident of the vicinity, was released on his own recognizance pending a hearing at 7 p. m. Tuesday before Squire Eugene Allison of Chester.

The proprietor and a waitress at the nearby Cactus Bar were charged with the sale of beer without a license and the sale of whisky.

The constables, who did not immediately identify those arrested at the Cactus, said the

Gov. Scranton Signs School Bus Measure

HARRISBURG — Pennsylvania's new school bus bill, providing transportation for parochial and private school pupils over public school service routes, was signed Tuesday by Gov. William Scranton and will go into effect July 1.

It is expected a challenge to the constitutional validity of spending public money for private school purposes will be taken to the state Supreme Court this summer.

Cost of the first year expense of the new provision is estimated at $5.9 million, of which the state will pay $3.4 million and the local districts the remainder.

Officers Raid 2 More Bars In Hancock

More raids were staged on Chester area clubs Tuesday night as constables entered the Hilltop Inn and the Cactus Bar with search and seizure warrants and arrested the proprietors.

Charles Pittenger, proprietor of the Hilltop Inn, located at the intersection of Route 30 and Route 2, about midway between Chester and the Pennsylvania line, was charged with the possession of alcoholic liquor.

Pittenber, a resident of the vicinity, was released on his own recognizance pending a hearing at 7 p. m. Tuesday before Squire Eugene Allison of Chester.

The proprietor and a waitress at the nearby Cactus Bar were charged with the sale of beer without a license and the sale of whisky.

The constables, who did not immediately identify those arrested at the Cactus, said the

Gov. Scranton Signs School Bus Measure

HARRISBURG — Pennsylvania's new school bus bill, providing transportation for parochial and private school pupils over public school service routes, was signed Tuesday by Gov. William Scranton and will go into effect July 1.

It is expected a challenge to the constitutional validity of spending public money for private school purposes will be taken to the state Supreme Court this summer.

Cost of the first year expense of the new provision is estimated at $5.9 million, of which the state will pay $3.4 million and the local districts the remainder.

Newly-Hired Workers Are Halted By Pickets

Four newly - hired workers were turned back by picket lines Tuesday when they reported for work at the strike - hit Crescent Brick Co. at New Cumberland.

The four non - union men had been hired Monday by the company under a plant opening date announced in a letter sent to employes last week.

Two of the four blocked by pickets of Local 476 of the United Brick and Clay Workers of America returned to their homes, but the other two stood by.

"We accomplished our purpose," said D. Robert Ferguson, the plant manager.

Ferguson said that work had been found for the two men who remained to officially open the plant as scheduled, though the plant itself is still idle.

Ferguson said a notice has been posted on the strike shanty advising union officials to appear before Judge Ralph Pryor of Wellsburg at 11 a. m. tomorrow to show cause why a court injunction should not be issued against any union attempt to stop "'present or prospective employes" from going to work under threat of violence.

The injunction also would limit the number of pickets at the plant site, which totaled 25 yesterday, Ferguson said.

The New Cumberland plant manager said that the company had received word from the National Labor Relations Board to the effect that the company would be contacted soon.

The NLRB requested that the company submit in writing the events of the past few days at the plant site to aid the investigation of charges filed by Peter P. Popovich, district representative of Local 476. Popovich filed charges of failing to bargain in good faith against the company following a union meeting June 6.

18 GIs Perish In Collision Of 2 Copters

COLUMBUS, Ga. (AP) — "It's bad because it catches you off guard," said the officer in the pilot's flight suit. "I haven't any memory of anything as bad as this from Viet Nam, I'll tell you."

The veteran of Viet Nam was looking at the wreckage and some of the bodies of the 18 soldiers killed in the collision and crash of two Army assault helicopters Tuesday.

A thin stream of smoke rose from the smoldering parts of one of the two helicopters which rammed together during a training flight at nearby Ft. Benning.

One went down in flames and landed in a swampy area, the other struck a tall pine tree about 50 yards away and fell to the ground.

There were two bodies under the wreckage and shattered tree branches and other bodies scattered about.

"As an educated guess," said another officer who declined to be identified, "they sideswiped each other for some reason."

The second helicopter was not burned badly but it was a mangled mass of metal, tubing, cables, instruments and parts there by the pine tree.

Baked fruit — apples, pears, peaches — is delicious served with a soft custard sauce.

ance of the charges, but Zagula pointed out it was the recommendation of the committee that action be taken at the present meeting.

However, he assured Mallas that he would not appoint a successor until such time as action on an appeal from the state committee is completed, if Mallas should appeal.

Mallas, in a brief statement, said his interest in the New Frontier club was only "to promote the Democratic cause."

A motion to take legal action to compel the New Frontier Club to remove a sign, "Democratic Headquarters", from the front of the building was withdrawn when Mallas said he already had made arrangements for removal of the sign.

"It wasn't meant to be a headquarters," he explained, "but more or less a club room."

Other committeemen appealed for party harmony, warning that continued dissension could result in serious setbacks at next year's election.

two posted bond for a hearing before Allison on the same date. They were reported to be nonresidents.

Constable Harold Davis, who participated in the raid, said further charges will be preferred against additional employes who were not present.

He said both establishments had been under suspension for about a week for serving beer without proper licenses.

Other constables taking part in the operation were Carl Durham of Newell, Donald Dunlevy of New Cumberland and Herman Laurine and Louis Smolewski of Weirton.

The warrants were signed by Laurine, who had made earlier purchases.

hit in a fuel tank by an incendiary bullet. Another helicopter evacuated the surviving crewmen and the body of the dead American.

In addition to the 34 Americans wounded in the airport blast, 9 Vietnamese, 2 Indians and 1 French national were reported injured, a U. S. spokesman said. Other reports said two French citizens were hurt.

All the injured Americans were reported working in the terminal building or on business there. Military spokesmen said 17 were Army personnel, 15 were Air Force men and 2 were Navy.

The majority were released after treatment, the spokesmen said, and the most seriously injured person appeared to be a Vietnamese who suffered a broken leg.

Security officials said the bomb was a plastic explosive weighing between 10 and 20 pounds. It exploded in an Air France freight office overlooking the main waiting room.

The concrete terminal was showered with debris and broken glass. Every window in the building was blown out and a section of the roof collapsed.

Suspended Sentence Given Irondale Youth

LISBON — John W. Pearson, 20, of Irondale was given a 90-day suspended jail sentence Tuesday by County Judge J. L. MacDonald on a charge of petty larceny in the burglary at the Clarence Melhorn garage in Salineville May 29. Tires, wheels and tools were stolen.

He was cited by Police Chief Ray Keister and had been out on $1,000 bond pending the hearing.

Larry Dowling, 23, of Highlandtown has been cited for receiving the stolen goods and his preliminary hearing is pending. He was released on $200 bond.

The Evolution Of Summer School

Not much is being heard about year-around public school sessions lately, but never was so much heard about going to school in summer.

Not only in public school systems, but in many private colleges and universities summer sessions are in full swing.

One of the most interesting uses of summer sessions is experimentation. Ivy League schools in the East are concentrating on quick summer courses for Negroes and disadvantaged white students, many from backward Southern areas. The purpose is to show what can be done with young people with high native intelligence but inadequate preparation for college work.

The federal government's anti-poverty and aid-to-education laws will furnish large sums of money this summer for educational projects. The Ford Foundation and other concentrations of corporate and family wealth are showering down funds for studies in educational progress.

The idea of using the three summer months for continuing the school-year routine is no longer getting close attention. Instead, the new idea is to use the summer months to try new concepts.

The new concepts may be incorporated later in standard educational practice. In the meantime, teachers, pupils, school administrators and the population in general are making more year-around use of educational facilities than ever before.

A Footnote

The importance of the officer on the foot beat was demonstrated again this week when Patrolman Sam Hayes broke up what appeared to be an attempted burglary.

Fast-moving cruisers, two-way radios and well-equipped laboratories all figure prominently in modern crime detection and prevention. But just as the foot soldier has been proven a "must" despite nuclear development, so the patrolman on the beat remains a key to effective police technique.

There are times when science finds it difficult to improve on time-honored and time-tested methods.

Sharing Work And Benefits

Many Lisbon area civic leaders and industrialists no doubt join with Robert Williams, former Chamber of Commerce president, in urging Lisbon Council to authorize the village's joining in the Columbiana County Regional Planning Commission.

The need for development of an expanding economy, new housing, improved roads and streets and other facilities is as important for the county seat as any community.

At present, East Liverpool and Columbiana are the only municipalities on the commission, contributing funds to its operations. The County Commissioners are providing money from the county level.

Officials at Wellsville, East Palestine, Salem and other towns also should study participation in this planning and development operation.

As a result of broader representation on the commission, a larger amount of development action and better cooperation on countrywide problems would be possible, along with sharing of what benefits are derived.

With the county organization about to embark on serious planning work—after completing its comprehensive survey — it is vital that all communities and townships join in a cooperative effort toward placing the county on a new path to prosperity and a realization of rich potential.

H. V. Kaltenborn's death has jarred many of us into a realization of our accumulating years. Was it really as far back as 1922 that he started his instant analyses of the news?

He was 86 when he died. When he reached the zenith of his fame in the Munich crisis of 1938 he was nearly 60 years old.

His genius as an electronic pioneer was his ability to reach judgments while the evidence was still coming. As has been true of most pioneers in radio, his performances were not up to the later standards by which commentators were judged.

But in his role of trail - breaker for the electronic reporters who came along later, he was a giant. Let it be granted that some of his stature was an accident of time; he was on the scene and ready to perform at a propitious moment. But then let it be granted that others on the scene and equally ready talked themselves into early oblivion because they lacked talent.

H. V. Kaltenborn possessed both talent and the luck to be in the right place to use it when millions of listeners were hanging on every work of those magic voices that came out of the mysterious box full of glass tubes.

The Yankees Are Willing

An on-the-scene observer in Santo Domingo notes that when Dominicans hiss, "Yankee, go home!" the U.S. paratrooper who hears the insult often hisses back. "Si,' he says. "Yes."

The Yankees want to go home. But no home-going is in prospect.

The United States, though its role in the Dominican Republican is shared with the Organization of American States, cannot bring its troops home unless rival Dominican factions can pull together to form a workable government.

To get out prematurely would be to invite both sides to resume the fratricide that was well advanced last April 28 when President Johnson ordered U.S. Marines to land for the protection of American lives.

It was immediately apparent that the intervention would last a long time. Evidence of Communist infiltration had come to hand and it was the consensus the Dominican Republic must not become another Cuba in the Caribbean.

It was a safe guess from the outset that no workable government would be formed out of the chaotic hates and fears boiling in Dominican minds. There is as wide a gulf between Dominican disciplinarians and democrats as between South Vietnamese Buddhists and Catholics.

This is the problem of freedom whenever internal strife occurs.

Hostile elements must become reconcilable enough to admit they have a common goal, provided they do have one. It's a question in the Dominican Republic whether the rivals have anything in common.

If the United States pulled out of the Dominican Republic or South Viet Nam prematurely, Communists would move into the vacuum immediately.

The last time the United States pulled out of the Dominican Republic prematurely, after eight years, the despotic Trujillo regime was the result. It was 100 per cent anti-Communist, 100 per cent corrupt.

Dear Nephew: Someone said a few days ago that young people don't want to know what we old fuds think because it doesn't matter. We've had our time at bat and should sit down and be quiet.

They're right.

But they can't keep us from beating our gums and reminiscing for our own delight. Now can they?

They want to change things in a hurry, they say. They want to ditch everything they think is wrong and abolish everything that bugs them, including old folks who beat their gums.

Young people never were this rebellious before, they explain. They're fired up. It's a revolution, no less. Clear the tracks. Tomorrow, here they come!

Well, there's nothing new about young people thinking they invented a bright new world. It happens to all of them.

They're always itching to push the dying generation into the abyss and make a clean sweep of progress. They're always staging a rebellion.

The one they're staging now may be the ring-ding-dilly of the ages. It may wipe out all old people and their contrary ideas.

But I think it will simmer down the same way the young people who are its leaders will simmer down. It will happen when they get a few gray hairs and feel puffy in the belly.

It will happen when their cute girl buddies start to look matronly and the darling boys have to meet the rent.

It will happen when the babies come and the doting parents realize you don't talk your friendly neighborhood supermarket out of a cartful of groceries the way you talked the dean out of traditionalism.

I never gloat over this.

It's sad when the fire dies down and the chill of reality sets in.

I can think of nothing grimmer than the college kid who thinks his father suddenly grew smarter. The old man is no smarter than before. His son is just newly aware that the poor fellow who sired him has been picking up pointers as he grew older.

It happens to generation after generation.

Each new generation thinks it invented progress, and each new batch of world-shakers thinks it is the first to lay disrespectful hands on the status quo.

Me, I love 'em all.

I have no quarrel with them. I wish they could be spared the disenchantment that sets in when the rent falls due, silver threads appear among the gold, the puff-belly problem becomes acute and the baby is crying. Being human, they must bear with their growing pains just like the millions who have trod the same paths in ages past.

Meany Protests Union Spot Checks

By Victor Riesel

Across the land, scores of federal agents are dropping in on hundreds of unions.

Politely, they demand to see the books. Firmly, they request records of cash on hand and in banks. They check the union books' listings of union-owned Wall Street stocks and other securities.

Victor Riesel

Then they move on. At the moment there are such spot checks—officially called Report Verifications—in 400 locals and some 18 or 20 national unions.

The agents are not FBI men. They're from the Labor Department's Office of Labor-Management and Welfare-Pension Reports. For five years its inspectors and enforcement officers have been moving around the labor movement, quietly and unreported.

They've been about as welcome as a hail storm at a nighttime double-header. Finally, a few weeks ago, the protets from the field became so intense that Mr. Labor himself, George Meany, AFL-CIO president, lashed out at the Labor Department.

HE CHARGED publicly that the inspection system was "Witch-hunting and harassment of unions attempting to do their businesses. . .entirely unjustified by the law and we are going to protest this matter to Secretary Wirtz."

Protests were made. A summit conference was arranged. Late on the afternoon of Tuesday, June 8, the labor secretary and his assistant secretary, Jim Reynolds, drove over to the national AFL-CIO headquarters and conferred privately with Mr. Meany for an hour.

In effect, what Mr. Meany and labor's high command want is an end to spot checking. Their argument is that the arrival of inspectors at union headquarters in small cities immediately spreads rumors of labor crookedness. So the national labor chiefs want the inspectors to confine themselves to unions against which there are complaints.

IN OTHER WORDS, what Mr. Meany told Mr. Wirtz was that the labor leaders want to end the danger of guilt by association of the union chiefs with a roving inspector.

However, the Labor Department colleagues of the urbane Secretary Wirtz, don't want to limit themselves to complaints or suspicions of leaking union tills.

They point to the Wage and Hour Division of their own department. Each year the division selects an industry or a geographic area and spot checks it for criminal violations of federal minimum wage and overtime pay laws. And, they say, the labor movement is all for this inspection.

The federal men also point to the NLRB. When the board gets a complaint from a union against an employer, it goes in for a complete survey. It does not limit itself to labor's charge of unfair labor practices on the part of the corporation.

THE LABOR Department officials say that the Landrum-Griffin Act of 1959 compels them to do likewise. To which George Meany's reaction is that of Gen. McAuliffe at Bastogne.

"We find out that they go into union affairs where they get a complaint and attempt to go fishing through the entire structure of the union to see if they can find something wrong," said Meany angrily recently. "And we think this goes beyond the intent of the law."

To this the Labor Department officials say they have found violations after going into unions against which there have not been complaints—and by going beyond complaints by rank and filers.

In the fiscal year ending June 30, 1964, the biggest batch of violations were in the embezzlement area. There were at least 61 convictions. The most active enforcement section concentrates on union elections.

They also quickly point out that they've found many honest checking of a few hundred locals merely brushes the surface of the labor movement. There are 52,268 labor organizations now registered with the department.

So, someone will have to find a compromise between branding anyone guilty by implication and permitting the guilty to operate for lack of inspection.

Undeclared War

By James Marlow

WASHINGTON

Any time the United States gets into an undeclared war—as it is in Viet Nam—it faces divided opinion at home and criticism of the President.

The result is confusion about what is being done or should be done. It happened to President Harry S. Truman with Korea; it's happening now to President Johnson with Viet Nam.

In both cases the presidents sought discussions but the problem in Korea and in Viet Nam was and is how to persuade the enemy to agree to such talks.

Just proposing wasn't and isn't enough. The task for both men was how to hit the enemy hard enough to convince him it's wiser to talk peace without hitting so hard that the United States finds itself in a huge land war in Asia.

Truman fired Gen. Douglas MacArthur for wanting to extend the war in Korea to Red China whose "volunteers" were the main foe in Korea. Now there is fear if the Vietnamese war is broadened too much Red China will come in.

Before this country was in the Korean war six months — Truman sent the troops in and they became part of a United Nations operation under American leadership — Sen. Robert A. Taft, Republican leader from Ohio, was on Truman's back.

He accused the president of violating the Constitution by not getting advance congressional approval for use of troops and he suggested the United States pull out of Europe.

There is less ground for this complaint against Johnson for using troops in South Viet Nam and bombing North Viet Nam because Congress last August gave him a go-ahead to do what he thought necessary.

But Taft, who wanted to pull out of Korea, later backed MacArthur and wanted to use U.S. planes and warships against Red China.

Another Republican leader, Sen. Styles Bridges of New Hampshire, called the Truman policy in Korea an "immoral course of kill, kill, kill and hope somebody will be willing to negotiate."

But then Truman got drowned in more criticism than ever for dismissing MacArthur, whose attitude was a lot more belligerent than Truman's. In the end, North Korea agreed to an armistice.

In Viet Nam, Johnson has sought to induce the North Vietnamese Reds to negotiate a settlement. To persuade them, he has been bombing them since February but they have ignored him and in South Viet Nam the Viet Cong is fighting harder than ever.

By a twist in politics most of the congressional criticism of Johnson comes from inside the ranks of his own Democrats. The Republicans so far have been supporting him although there are signs this may change.

Sen. Wayne Morse of Oregon, one-time Republican who became a Democrat and friend of Johnson when the latter was Senate leader, is perhaps the harshest critic of his Viet Nam policies.

Martin's Economic Speech Analyzed

When the stock market broke a couple weeks ago, it was widely assumed that this reaction was due to an address on June 1 at Columbia University by the chairman of the Federal Reserve Board, William McChesney Martin Jr. He had pointed out that there are "similarities" between the situation today and that which existed in the 1920s. Probably few people in the stockmarket world, however, really read the speech, for more significant than the "similarities" were the "differences" which Mr. Martin emphasized but which got scant attention.

David Lawrence

This correspondent has just re-read some of the dispatches he wrote in 1929, both before and after the stockmarket crash.

Many similarities were found in the statements reported then with those being made today by public officials who speak in glowing terms about the current prosperity and disregard some of the warnings that have been issued about inflation, price instability and the dangers of a credit expansion that sometimes ignores sound principles.

This writer made a trip to a number of cities in the Midwest in June 1929 and talked with prominent bankers. Some of them were critical of the Federal Reserve Board for having issued any warnings at all, because such words produced uncertainty and apprehension.

MOST IMPORTANT today is for people in the banking and financial communities to read carefully all of what Chairman Martin said.

It was one of the most constructive pieces of economic and financial advice that has come out of the government in many years. It was by no means pessimistic. In fact, after reviewing some of the "similarities" between the 1920s and the current era, Mr. Martin laid stress on what he called "important differences" between the present situation and that which prevailed in the 1920s and 1930s. He said:

"The distribution of our national income now shows less disparity than in the early period. In particular, personal incomes, and especially wages and salaries, have kept pace with corporate profits.

This has reduced the danger of investment expanding in excess of consumption needs. Perhaps related to that better balance, the increase in stock-market credit now has been much smaller."

Mr. Martin added that "the worst defects in the structure of commercial and investment banking and of business seem to have been corrected," although he mentioned that not all abuses have been eliminated.

WHILE MR. MARTIN indicated concern about the rise in government expenditures, he placed most of his emphasis on what is going on internationally. He demolished the arguments being made for a return to the gold standard or for tinkering with international currencies. He declared that the "inflationary and deflationary effects on an increase in the price of gold would be most inequitably and most uneconomically distributed among nations."

Mr. Martin stated unequivocally that "any impairment of the value and status of the dollar" must be avoided. He spoke hopefully about the president's program for voluntary methods for handling the international-payments problems, but warned again that "a stable dollar is indeed the keystone of international trade and finance" and "the keystone of economic growth and prosperity at home."

To sum up, Mr. Martin's whole thesis was that the international financial situation is a delicate one, and that care must be taken by the principal nations to collaborate and cooperate.

HE ARGUED against the theory that the international problems could be solved by a "governing body of some supranational bank of issue rather than by discussion and negotiaton" between the banking authorities of different nations.

Just as in the 1920s the fluctuations in interest rates abroad and the rise in inflation had its impact on the United States, so today the economic systems of other countries are sensitive to possible inflationary trends in this country.

Mr. Martin said on Feb. 26: "Inflation is a process and not just a condition."

There is no single answer to all the questions involved, but progress will be made by examining dispassionately the entire speech of June 1 by the chairman of the Federal Reserve Board.

While it seems to have affected the market adversely, it was not by any means an attempt to intimate that stocks have gone too high or that a readjustment in the market has become necessary. Rather, the whole address was based upon international finance and the future of the American dollar.

These factors could, of course, affect the market but need not necessarily have an adverse impact if the banking authorities throughout the world are alerted to the importance of working together in regulating money problems.

THIRTY YEARS AGO—The 25th anniversary of the Bible Searchers Class of the First Methodist Episcopal Church of Chester was observed, with Mrs. Charles Ewing reviewing the history of the church.

Boy Scout Troop 12 under the supervision of Harold Golden held a field trip at Thompson Park.

TWENTY YEARS AGO—Paul Shea, a teacher in the East Liverpool Public School system, entered West Virginia University for a summer course.

W. M. Crawford had the best bloom and A. L. Henstock the runnerup in a rose show sponsored by the Wellsville Glad-Dahlia Club.

TEN YEARS AGO — Burglars took 10 tires, worth about $200, from Cooper's service station at E. 3rd and Washington Sts.

James Nelson Thomas of 1218 Erie St. was promoted to airman second class at an Air Force base in Japan.

Mrs. Helen Buckley was installed as commander of the East Liverpool Navy Mothers Club.

Order Of Garter

Britain's Most Noble Order of the Garter was born in legend. It survives in pomp and circumstance.

The order is the most distinguished and exclusive of the nine British orders of knighthood, the National Geographic Society says. Membership is limited to 25 knights-companions, the British royal family and foreign royalty admitted as "extra knights."

For more than six centries English sovereigns have bestowed the Garter on the nation's greatest warriors and statesmen: John of Gaunt, the Duke of Wellington, Benjamin Disraeli and Winston Churchill.

Queen Elizabeth II recently appointed two knights - companions, bringing the order up to strength. New knights are always installed at solemn services held in June at Windsor Castle.

Clad in velvet robes, plumed hats, gold collars and other insignia of the order, the knights parade to the Chapel of St. George at Windsor.

A new knight's banner, sword, helmet and crest are set above his stall in the chapel. A plate with his escutcheon emblazoned in heraldic colors is fixed on the back of the stall. The accoutrements are removed on the death of a knight, but his plate remains.

The Ainu remain one of Japan's mysteries. Although they live among Mongoloid people, the Ainu look more like Europeans. Most have light complexions, round eyes, heavy beards and wavy black hair. They speak a language unrelated to Japanese.

The Evolution Of Summer School

Not much is being heard about year-around public school sessions lately, but never was so much heard about going to school in summer.

Not only in public school systems, but in many private colleges and universities summer sessions are in full swing.

One of the most interesting uses of summer sessions is experimentation. Ivy League schools in the East are concentrating on quick summer courses for Negroes and disadvantaged white students, many from backward Southern areas. The purpose is to show what can be done with young people with high native intelligence but inadequate preparation for college work.

The federal government's anti-poverty and aid-to-education laws will furnish large sums of money this summer for educational projects. The Ford Foundation and other concentrations of corporate and family wealth are showering down funds for studies in educational progress.

The idea of using the three summer months for continuing the school-year routine is no longer getting close attention. Instead, the new idea is to use the summer months to try new concepts.

The new concepts may be incorporated later in standard educational practice. In the meantime, teachers, pupils, school administrators and the population in general are making more year-around use of educational facilities than ever before.

A Footnote

The importance of the officer on the foot beat was demonstrated again this week when Patrolman Sam Hayes broke up what appeared to be an attempted burglary.

Fast-moving cruisers, two-way radios and well-equipped laboratories all figure prominently in modern crime detection and prevention. But just as the foot soldier has been proven a "must" despite nuclear development, so the patrolman on the beat remains a key to effective police technique.

There are times when science finds it difficult to improve on time-honored and time-tested methods.

Sharing Work And Benefits

Many Lisbon area civic leaders and industrialists no doubt join with Robert Williams, former Chamber of Commerce president, in urging Lisbon Council to authorize the village's joining in the Columbiana County Regional Planning Commission.

The need for development of an expanding economy, new housing, improved roads and streets and other facilities is as important for the county seat as any community.

At present, East Liverpool and Columbiana are the only municipalities on the commission, contributing funds to its operations. The County Commissioners are providing money from the county level.

Officials at Wellsville, East Palestine, Salem and other towns also should study participation in this planning and development operation.

As a result of broader representation on the commission, a larger amount of development action and better cooperation on countrywide problems would be possible, along with sharing of what benefits are derived.

With the county organization about to embark on serious planning work—after completing its comprehensive survey — it is vital that all communities and townships join in a cooperative effort toward placing the county on a new path to prosperity and a realization of rich potential.

Martin's Economic Speech Analyzed

When the stock market broke a couple weeks ago, it was widely assumed that this reaction was due to an address on June 1 at Columbia University by the chairman of the Federal Reserve Board, William McChesney Martin Jr. He had pointed out that there are "similarities" between the situation today and that which existed in the 1920s. Probably few people in the stockmarket world, however, really read the speech, for more significant than the "similarities" were the "differences" which Mr. Martin emphasized but which got scant attention.

David Lawrence

This correspondent has just re-read some of the dispatches he wrote in 1929, both before and after the stockmarket crash.

Many similarities were found in the statements reported then with those being made today by public officials who speak in glowing terms about the current prosperity and disregard some of the warnings that have been issued about inflation, price instability and the dangers of a credit expansion that sometimes ignores sound principles.

This writer made a trip to a number of cities in the Midwest in June 1929 and talked with prominent bankers. Some of them were critical of the Federal Reserve Board for having issued any warnings at all, because such words produced uncertainty and apprehension.

MOST IMPORTANT today is for people in the banking and financial communities to read carefully all of what Chairman Martin said.

It was one of the most constructive pieces of economic and financial advice that has come out of the government in many years. It was by no means pessimistic. In fact, after reviewing some of the "similarities" between the 1920s and the current era, Mr. Martin laid stress on what he called "important differences" between the present situation and that which prevailed in the 1920s and 1930s. He said:

"The distribution of our national income now shows less disparity than in the early period. In particular, personal incomes, and especially wages and salaries, have kept pace with corporate profits.

This has reduced the danger of investment expanding in excess of consumption needs. Perhaps related to that better balance, the increase in stock-market credit now has been much smaller."

Mr. Martin added that "the worst defects in the structure of commercial and investment banking and of business seem to have been corrected," although he mentioned that not all abuses have been eliminated.

WHILE MR. MARTIN indicated concern about the rise in government expenditures, he placed most of his emphasis on what is going on internationally. He demolished the arguments being made for a return to the gold standard or for tinkering with international currencies. He declared that the "inflationary and deflationary effects on an increase in the price of gold would be most inequitably and most uneconomically distributed among nations."

Mr. Martin stated unequivocally that "any impairment of the value and status of the dollar" must be avoided. He spoke hopefully about the president's program for voluntary methods for handling the international-payments problems, but warned again that "a stable dollar is indeed the keystone of international trade and finance" and "the keystone of economic growth and prosperity at home."

To sum up, Mr. Martin's whole thesis was that the international financial situation is a delicate one, and that care must be taken by the principal nations to collaborate and cooperate.

HE ARGUED against the theory that the international problems could be solved by a "governing body of some supranational bank of issue rather than by discussion and negotiaton" between the banking authorities of different nations.

Just as in the 1920s the fluctuations in interest rates abroad and the rise in inflation had its impact on the United States, so today the economic systems of other countries are sensitive to possible inflationary trends in this country.

Mr. Martin said on Feb. 26: "Inflation is a process and not just a condition."

There is no single answer to all the questions involved, but progress will be made by examining dispassionately the entire speech of June 1 by the chairman of the Federal Reserve Board.

While it seems to have affected the market adversely, it was not by any means an attempt to intimate that stocks have gone too high or that a readjustment in the market has become necessary. Rather, the whole address was based upon international finance and the future of the American dollar.

These factors could, of course, affect the market but need not necessarily have an adverse impact if the banking authorities throughout the world are alerted to the importance of working together in regulating money problems.

Down Through The Years

From The Review Files

THIRTY YEARS AGO—The 25th anniversary of the Bible Searchers Class of the First Methodist Episcopal Church of Chester was observed, with Mrs. Charles Ewing reviewing the history of the church.

Boy Scout Troop 12 under the supervision of Harold Golden held a field trip at Thompson Park.

TWENTY YEARS AGO—Paul Shea, a teacher in the East Liverpool Public School system, entered West Virginia University for a summer course.

W. M. Crawford had the best bloom and A. L. Henstock the runnerup in a rose show sponsored by the Wellsville Glad-Dahlia Club.

TEN YEARS AGO — Burglars took 10 tires, worth about $200, from Cooper's service station at E. 3rd and Washington Sts.

James Nelson Thomas of 1218 Erie St. was promoted to airman second class at an Air Force base in Japan.

Mrs. Helen Buckley was installed as commander of the East Liverpool Navy Mothers Club.

Order Of Garter

Britain's Most Noble Order of the Garter was born in legend. It survives in pomp and circumstance.

The order is the most distinguished and exclusive of the nine British orders of knighthood, the National Geographic Society says. Membership is limited to 25 knights-companions, the British royal family and foreign royalty admitted as "extra knights."

For more than six centries English sovereigns have bestowed the Garter on the nation's greatest warriors and statesmen: John of Gaunt, the Duke of Wellington, Benjamin Disraeli and Winston Churchill.

Queen Elizabeth II recently appointed two knights - companions, bringing the order up to strength. New knights are always installed at solemn services held in June at Windsor Castle.

Clad in velvet robes, plumed hats, gold collars and other insignia of the order, the knights parade to the Chapel of St. George at Windsor.

A new knight's banner, sword, helmet and crest are set above his stall in the chapel. A plate with his escutcheon emblazoned in heraldic colors is fixed on the back of the stall. The accoutrements are removed on the death of a knight, but his plate remains.

The Ainu remain one of Japan's mysteries. Although they live among Mongoloid people, the Ainu look more like Europeans. Most have light complexions, round eyes, heavy beards and wavy black hair. They speak a language unrelated to Japanese.

At Steubenville Sunday

Local Club To Take Part In District BPW Session

The East Liverpool Business and Professional Women's Club will take an active part in the all-day meeting of District 8 of the Ohio Federation of Business and Professional Women's clubs at Steubenville on Sunday.

Approximately 300 are expected to attend from clubs in Canton, Columbiana, Dover - New Philadelphia, Lisbon, Newcomerstown, Salem, Sebring, Dennison - Uhrichsville, Youngstown and Steubenville. The day's sessions will open at 9:30 a. m. in the Fort Steuben Hotel.

Miss Joan Witt, recently elected president ofthe local unit, will lead the delegation, many of whom have been assigned to serve in various capacities during the event.

Miss Witt will conduct an officers' workshop and Mrs. Doris McKinnon, retiring president, will be in charge of the morning devotional period. Mrs. Geraldine Bricker, corresponding secretary, and Mrs. Betty Reed, chairman of the local club's Personal Development Committee, also will participate in the morning workshop sessions.

Mrs. Ethel Lynn Wambaugh, now second vice president of the Ohio federation and a member of the East Liverpool Club, will be the luncheon speaker, addressing the group on "Policies and Procedures." At the conclusion of the afternoon program, she will evaluate benefits offered by the day's sessions.

Local club members were reminded by Miss Witt that reservations will be received until 10 p. m. today by Mrs. Bricker.

St. Stephen's Picnic Set Sunday At Park

The annual parish picnic will be sponsored by St. Stephen's Episcopal Church Sunday at the upper pavilion in Thompson Park.

Members and friends of St. Stephen's and the Church of the Ascension are invited.

Various contests willl be included on the program. Music will be provided by the Bobby Fannin Trio from East Liverpool High School.

To prepare an ice cream bombe for a party, line a melon mold with softened ice cream and place in freezer to become firm. Fill the center of the mold with sherbet and freeze until serving time. Vanilla ice cream and orange or lemon sherbet are compatible flavors; serve this bombe with green cream de menthe.

College Girl To Aid County 4-H Program

LISBON — Miss Kay Lenore Dunkle of Chatham, Medina County, has joined the Columbiana County cooperative extension staff as a summer 4-H assistant.

She is a senior in home economics at Baldwin - Wallace College, Berea.

Don Myers, county extension agent in agriculture, said Miss Dunkle will assist in arranging various 4-H events and assist 4-H members, advisers and with local club activities.

Immediately upon arrival, Miss Dunkle joined the Columbiana County 4-H campers who are at Leesville Lake this week. She will serve in the county until Sept. 15, Myers said.

Official Count Listed At New Cumberland

NEW CUMBERLAND — John Arbogast Jr., unsuccessful candidate for mayor, lost five votes in the official canvass announced Tuesday in last week's New Cumberland municipal election.

The revised figures gave him 168 votes, five less than the original tabulation.

There were no changes in the other vote totals.

Mrs. John P. Jones was elected the community's first woman mayor. She will take office July 1.

Diploma Is Received By Marjorie Brown

Miss Marjorie Brown, daughter of Mr. and Mrs. Chester M. Brown of North Shady Lane, Fisher Park, received her Bachelor of Arts degree in English from Westminster College, New Wilmington, Pa., during the school's 111th commencement exercises.

She was a member of Kappa Delta sorority and plans to teach English at McDowell High School in Erie, Pa., this fall.

Jubilant Homecoming Awaits 'Space-Walker'

SAN ANTONIO, Tex. (AP) — A jubilant homecoming awaited space - walking astronaut Edward H. White II today in this historic city, the place of his birth 34 years ago.

White, who thrilled millions with his breath-taking June 3 stroll is space outside the Gemini 4 spacecraft, was expected to arrive about midmorning at International Airport.

San Antonio and Bexar County proclaimed this "Ed White Day" and arranged a whirlwind six-hour schedule, starting with a winding downtown motorcade.

Accompanying the astronaut were his wife; their two children, Bonnie Lynn, 9, and Eddie III, 11; and his parents, retired Maj. Gen. and Mrs. Edward H. White of St. Petersburg, Fla.

In a solemn ceremony after the parade White was to place a wreath at the door of the Alamo, an old mission often called the cradle of Texas independence.

It was at the Alamo that Gen. Santa Anna's Mexican army wiped out a band of Texas soldiers.

As San Antonio readied its native son welcome for White, similar plans were afoot for a celebration in Jackson, Mich., for his sidekick in space, astronaut James A. McDivitt.

This was their third straight day of post-flight celebrations. Thursday McDivitt and White go to Washington, where President Johnson will present them the National Aeronautics and Space Administration's Exceptional Service Award medal.

The afternoon scheduled called for White to visit Ft. Sam Houston and the School of Aerospace Medicine at Brooks Air Force Base.

White's birth certificate shows he was born at 6:20 a.m., Nov. 14, 1930, in what then was the station hospital at Ft. Sam Houston, a sprawling Army post inside the city limits.

White lived here only until he was a few weeks old. His father was then a captain in the U.S. Army Air Corps stationed at Kelly Field.

The installation will be concluded with a lunch served by Voiture 1459 members.

5 Teen-Agers Killed In Pennsylvania Crash

MERCER, Pa. (AP) — A joy ride ended in death for five teen-agers as their car and a steel-laden truck collided Tuesday night on Route 62 near the western Pennsylvania community of Sandy Lake.

Coroner John Mohney identified the victims as Robert Watkins, 17, the driver; John Fleppa, 15, and his sister, Anna, 16; Guy Porfilio, 13; and Raymond Weir, 20, all of Meadville, Pa.

The trucker, Francis J. Hovis, 43, of Polk Pa. was treated for a leg injury at a hospital and released.

Probation Authorized For Salem Area Pair

LISBON — Arnold Lee Puckett, 21, and John Leonard Jarrett, 24, of Salem R.D., charged with grand larceny, were placed on probation Tuesday by Common Pleas Judge Raymond S. Buzzard.

The two, indicted for the March 1964 larceny at the Cherry Valley Sand Co., near Leetonia, were found guilty in a February trial and requested probation.

Puckett was placed on three years probation and Jarrett five years.

Toledo Child Killed By His Father's Car

Dead is Ronald Street of Rossburg.

IRS Aide Lists Bribe Payments In Maloney Case

PITTSBURGH — The government was expected to end its case today in Federal Court in the trial of suspended city Police Assistant Supt. Lawrence Maloney, charged with failure to pay income tax on rackets protection payment in 1958-63.

An Internal Revenue Service auditor Tuesday testified bribes paid to Maloney in the five-year period amounted to $250,150. The auditor — Charles Matchett — said the officer had failed to pay $115,000 in taxes.

Five rackets figures have testified Maloney received protection payments from them.

They include Marvin Walkow, alleged numbers operator; Hyman Schwartz, an auto dealer who said he conveyed payments from a numbers figure; Meyer Sigal, convicted numbers banker; Henry Katz, another numbers banker, and Tony Grosso, convicted numbers leader in Allegheny County.

Girl From Salem To Seek Title Of 'Miss Clayland'

A Salem girl, Barbara Louise Kaercher, is among the latest entries in the forthcoming Miss Clayland contest at Uhrichsville, an official preliminary to the Miss Ohio and Miss America pageants.

Miss Kaercher, 19, a student at Ohio State, is the daughter of Mrs. Josephine Kaercher.

She has had special training in tap, balllet, acrobatics, modern jazz dancing and piano. She will put her training to use by doing a song-and-dance routine for her talent portion of the pageant.

She was a 1964 graduate of Salem High School and was first runnerup in the "Miss Salem Beauty Pageant" and is a nominee for the 1965-1966 homecoming queen at Ohio State.

Life in a Cambodian village is just one ceremony after another —puberty rites, solemn weddings, gay funerals and the like.

Water, Sewer Setup Discussed At Meeting

LISBON — Sharon Quigley of East Liverpool discussed the newly - created Columbiana County water and sewer district when 18 members of the West Columbiana County Democratic Club met Monday night at the home of Merle Hardy in North Georgetown.

John Wargo presided.

The group also discussed plans for a coverdish family picnic July 12 at 6 p.m. at Willow Grove Park, west of Lisbon.

Hawthorne observed that all of New England's old dwellings are "so invariably possessed with spirits that the matter hardly seems worth alluding to."

Body Of 17th Flash Flood Victim Found

SANDERSON, Tex. (AP) — Workers uncovered the body of a 17th victim of Friday's flash flood, a small boy, in an auto wrecking yard Tuesday.

Authorities said he presumably was one of 10 persons listed as missing and presumed dead, but they had been unable to identify the child.

Nearly a foot of rain in Sanderson Canyon sent the flood hurtling through this far west Texas town, causing an estimated $2 million damage.

Rising out of the dense jungles 150 miles northwest of Phnom Penh, the capital of Cambodia, are the ruins of the ancient Khmer capital, Angkor.

Jubilant Homecoming Awaits 'Space-Walker'

SAN ANTONIO, Tex. (AP) — A jubilant homecoming awaited space - walking astronaut Edward H. White II today in this historic city, the place of his birth 34 years ago.

White, who thrilled millions with his breath-taking June 3 stroll is space outside the Gemini 4 spacecraft, was expected to arrive about midmorning at International Airport.

San Antonio and Bexar County proclaimed this "Ed White Day" and arranged a whirlwind six-hour schedule, starting with a winding downtown motorcade.

Accompanying the astronaut were his wife; their two children, Bonnie Lynn, 9, and Eddie III, 11; and his parents, retired Maj. Gen. and Mrs. Edward H. White of St. Petersburg, Fla.

In a solemn ceremony after the parade White was to place a wreath at the door of the Alamo, an old mission often called the cradle of Texas independence.

It was at the Alamo that Gen. Santa Anna's Mexican army wiped out a band of Texas soldiers.

As San Antonio readied its native son welcome for White, similar plans were afoot for a celebration in Jackson, Mich., for his sidekick in space, astronaut James A. McDivitt.

This was their third straight day of post-flight celebrations. Thursday McDivitt and White go to Washington, where President Johnson will present them the National Aeronautics and Space Administration's Exceptional Service Award medal.

The afternoon scheduled called for White to visit Ft. Sam Houston and the School of Aerospace Medicine at Brooks Air Force Base.

White's birth certificate shows he was born at 6:20 a.m., Nov. 14, 1930, in what then was the station hospital at Ft. Sam Houston, a sprawling Army post inside the city limits.

White lived here only until he was a few weeks old. His father was then a captain in the U.S. Army Air Corps stationed at Kelly Field.

Hancock 40 & 8 Sets Installation

All Legionnaires and 40 & 8 members of the tri-state area are invited to attend, as is the general public.

The installation will be concluded with a lunch served by Voiture 1459 members.

5 Teen-Agers Killed In Pennsylvania Crash

MERCER, Pa. (AP) — A joy ride ended in death for five teen-agers as their car and a steel-laden truck collided Tuesday night on Route 62 near the western Pennsylvania community of Sandy Lake.

Coroner John Mohney identified the victims as Robert Watkins, 17, the driver; John Fleppa, 15, and his sister, Anna, 16; Guy Porfilio, 13; and Raymond Weir, 20, all of Meadville, Pa.

The trucker, Francis J. Hovis, 43, of Polk Pa. was treated for a leg injury at a hospital and released.

Probation Authorized For Salem Area Pair

LISBON — Arnold Lee Puckett, 21, and John Leonard Jarrett, 24, of Salem R.D., charged with grand larceny, were placed on probation Tuesday by Common Pleas Judge Raymond S. Buzzard.

The two, indicted for the March 1964 larceny at the Cherry Valley Sand Co., near Leetonia, were found guilty in a February trial and requested probation.

Puckett was placed on three years probation and Jarrett five years.

Toledo Child Killed By His Father's Car

TOLEDO, Ohio (AP)—A one-month-old child was killed Tuesday night when his father's car ran over him after a two-car accident. The Ohio Highway Patrol said the child was thrown from the car in the collision.

Dead is Ronald Street of Rossburg.

IRS Aide Lists Bribe Payments In Maloney Case

PITTSBURGH — The government was expected to end its case today in Federal Court in the trial of suspended city Police Assistant Supt. Lawrence Maloney, charged with failure to pay income tax on rackets protection payment in 1958-63.

An Internal Revenue Service auditor Tuesday testified bribes paid to Maloney in the five-year period amounted to $250,-150. The auditor — Charles Matchett — said the officer had failed to pay $115,000 in taxes.

Five rackets figures have testified Maloney received protection payments from them.

They include Marvin Walkow, alleged numbers operator; Hyman Schwartz, an auto dealer who said he conveyed payments from a numbers figure; Meyer Sigal, convicted numbers banker; Henry Katz, another numbers banker, and Tony Grosso, convicted numbers leader in Allegheny County.

Girl From Salem To Seek Title Of 'Miss Clayland'

A Salem girl, Barbara Louise Kaercher, is among the latest entries in the forthcoming Miss Clayland contest at Uhrichsville, an official preliminary to the Miss Ohio and Miss America pageants.

Miss Kaercher, 19, a student at Ohio State, is the daughter of Mrs. Josephine Kaercher.

She has had special training in tap, balllet, acrobatics, modern jazz dancing and piano. She will put her training to use by doing a song-and-dance routine for her talent portion of the pageant.

She was a 1964 graduate of Salem High School and was first runnerup in the "Miss Salem Beauty Pageant" and is a nominee for the 1965-1966 homecoming queen at Ohio State.

Life in a Cambodian village is just one ceremony after another —puberty rites, solemn weddings, gay funerals and the like.

Water, Sewer Setup Discussed At Meeting

LISBON — Sharon Quigley of East Liverpool discussed the newly - created Columbiana County water and sewer district when 18 members of the West Columbiana County Democratic Club met Monday night at the home of Merle Hardy in North Georgetown.

John Wargo presided.

The group also discussed plans for a coverdish family picnic July 12 at 6 p.m. at Willow Grove Park, west of Lisbon.

Hawthorne observed that all of New England's old dwellings are "so invariably possessed with spirits that the matter hardly seems worth alluding to."

Body Of 17th Flash Flood Victim Found

SANDERSON, Tex. (AP) — Workers uncovered the body of a 17th victim of Friday's flash flood, a small boy, in an auto wrecking yard Tuesday.

Authorities said he presumably was one of 10 persons listed as missing and presumed dead, but they had been unable to identify the child.

Nearly a foot of rain in Sanderson Canyon sent the flood hurtling through this far west Texas town, causing an estimated $2 million damage.

Rising out of the dense jungles 150 miles northwest of Phnom Penh, the capital of Cambodia, are the ruins of the ancient Khmer capital, Angkor.

Delay Ruled On Salineville Jobs' Merger

SALINEVILLE — A planned combining of the clerk and treasurer posts for 1966-67 will not be possible, Council learned at a meeting Tuesday night because the proper legislation was not approved in time.

Council at a meeting May 25 tentatively approved the merger of the two jobs, but authorities learned in the meantime an ordinance on the action should have been approved prior to February in order to go into effect with the November election.

The advantages of economy and efficiency were cited for the proposed move, which now will be delayed at least until the election of 1967 if authorized by the next Council.

Miss Myrtle Strabley, veteran treasurer, had announced she would not seek re-election. S. R. Davis, clerk, has indicated he will run for another term in November.

Davis, a high school commercial teacher, has served since 1951.

Council authorized legislation for placing on the November ballot a proposed renewal of a current levy for street lighting expenses.

The proposed levy would be for 1.5 mills. The current levy, originally approved as a 2-mill measure, was subsequently reduced to 1.7 mills after the real estate reappraisal to provide the same amount of revenue as required by law.

The proposed renewal is less than the 1.7 mills now in effect, because funds have accumulated from the present revenue, it was explained.

Mayor Stanley Fitch announced the start of street work by county crews scheduled today has been postponed because the street repairs had not been completed by the village crew.

The Mayor said a street oiling project recently completed cost $202 for 1,500 gallons of oil.

Melvin Dauwe of the West End volunteered to paint guardrails in the West End if the village would provide paint, and Council authorized the purchase of the paint.

In other action, Council authorized the Board of Trustees of Public Affairs to purchase equipment for a new water testing laboratory facility.

The purchase of two "Hidden Drive" signs for streets was also approved. Discussion was held on street repairs and cutting of weeds.

The next meeting will be June 28.

Wellsville Council Acts To Meet City Payroll

Wellsville Council Tuesday night adopted legislation to authorize the borrowing of money to meet the city payroll.

The legislation authorizes the issuance of a $7,500 note, with interest not to exceed 4 per cent, to pay employes and officers ordinarily taken care of from the general fund. It will be borrowed against anticipated revenues.

The monthly report of Auditor E. S. Davidson shows a May 31 balance of $1,365.13 in the general fund, the lowest city finances have been in about two years. In 1963, similar action was required to meet the payroll.

The legislation was adopted under suspension of rules and contains an emegrecny clause which allows it to go into effect immediately.

In other business, Council authorized Mayor William Daugherty and Solicitor William Bush to attend a Public Utilities Commission hearing at Columbus June 30 at 10 a. m. to oppose a petition filed by the Pennsylvania Railroad to install automatic gates and blinker lights on the 18th St. crossing.

At present, the crossing is manned by watchmen from 5 a. m. to 9 p. m. Council is objecting on the grounds that young school children use the wide crossing and could easily walk under the gates. The members contend a watchman provides more protection.

Council granted permission to Susan Longo to cut the curb in front of her property on Center St. to construct a driveway.

Council directed Safety - Service Director Fred Baldasare to erect signs on Lisbon St. between 4th and 11th St. to notify truckers of a five-ton load limit. Large trucks are parking along the street and damaging the blacktop, it was pointed out.

Council also ordered a letter sent to Angelo Georgetti, owner of the Georgetti River - Rail Terminal, informing him that court action will be taken if he does not make payment of $2,700 owed the city on ground he leases.

Councilman Dwight MacLean said he had received a request from the police department for legislation controlling public dance halls. He had the clerk read an ordinance passed in 1936 setting a midnight closing times.

A discussion was held on obtaining an abstract on the former Standard Hardware building at 12th St. The property was given the city several months ago by a Cleveland resident. A discussion also was held on repairing the roof. The mayor said bids have been obtained.

Councilman Nunzio Lombardozi said his committee is preparing a list of sites for business and industry to be kept on file and also supplied the Greater Wellsville Association.

Council discussed traffic problems on 17th St. and 3rd St., but delayed any action until the next meeting.

The mayor's report for May showed $1,000.40 collected in fines and fees.

Mrs. Mary Rahter, Council president, gave the opening prayer. Councilman Walter Henthorne was absent.

2-Way Crash Hurts Woman

A Florida woman was injured slightly today in a collision between an auto driven by her sister and a New Springfield woman at the junction of E. 3rd and Walnut Sts., police reported.

Mrs. Charles Lucas, 56, of St. Cloud, Fla., was treated at City Hospital for a minor facial injury, officers said.

Mrs. Lucas was a passenger in a 1959 four-door sedan driven by Mrs. Anna Cochran, 60, of 327 Maxwell Ave., Chester, which was involved in a collision at 9:15 a. m. with a 1958 two - door sedan operated by Mrs. Carol Lynn Williams, 26, of New Springfield, officers said.

There was damage to the right side of the Williams car and the front of the Cochran vehicle.

Mrs. Williams said she was driving north on Walnut St., halted for a stop sign, and then proceeded. But when she stepped on the gas pedal, it stuck and caused her car to "shoot out" into the intersection, she said. Mrs. Cochran, driving west on E. 3rd, reported the Williams car "shot out in front of me" and she was unable to halt in time to avoid a collision. Patrolman Paul A. Burson investigated.

Highlandtown Area Brush Blaze Battled

The Highlandtown volunteer fire department battled a brush fire for about two hours Tuesday night a mile from New Salisbury.

It was reported to have spread from a nearby site where workmen were burning railroad ties. Six or seven acres were burned off, although no property damage resulted. Ten men on two trucks responded to the call, which was received about 9 p.m.

140 Take Part In Reception

One hundred forty attended a wedding reception Monday night at the Hookstown Grange, honoring Mr. and Mrs. Boyd McBride, who were married May 12 at Cumberland, Md.

Mrs. McBride is the former Marilou Adney, daughter of Mr. and Mrs. James Adney, and the bridegroom is the son of Mr. and Mrs. Harry Ross.

Pink carnations and white mums were used for decorations and a three-tiered wedding cake centered the table.

Mrs. McBride's grandmother, Mrs. Charles Shaffer, arranged the flowers on the reception table, featuring fox gloves and canterbury bells. Mr. and Mrs. Adney and Mr. and Mrs. Ross were hosts.

Reception aides were Mrs. Joann Smith, Mrs. Dale Todd, Mrs. A. Gail McHaffie, Mrs. Dick McHaffie, Mrs. Richar Adney, Mrs. Richard Fisher, Mrs. Edward Tellish, Misses Margaret McBride, Joann McHaffie, Linda Hewitt and Andy McHaffie.

Mrs. Donald Doak registered the gifts. Miss Laurey Mae Doak resided at the guest book.

Guests attended from Beaver, Midland, Monaca, Aliquippa, Frankfort Springs, East Liverpool, Wellsville, Newell, Chester, Hookstown, Georgetown, Racine, Ohio, and Cape Kennedy, Fla.

The couple will reside with the bride's parents in Georgetown.

Local Girl Becomes Bride Of Beaver Falls Resident

Miss Carol Ann Hull wore a full - length gown of Chantilly lace when she became the bride of Michael Misner the afternoon of June 6 at 2:30 o'clock in the Friendship Tabernacle on Mulberry St.

The bride is the daughter of Mr. and Mrs. Delbert Hull Jr. of Harker Ave. His parents are Mr. and Mrs. Kitt W. Keagy of Beaver Falls.

The Rev. Gladys Cronin, pastor, officiated for the double-ring ceremony before an altar background of palms, ferns and candelabra. Miss Janice Kountz presented a half - hour recital of organ music.

The bride was given in marriage by her father. The fitted bodice of her gown was designed with a scalloped Sabrina neckline, outlined with sequins, and long, pointed sleevs. Her bouffant skirt was bell-shaped and worn over a hoop.

A queen's crown of pearls and sequins held her fingertip veil of silk illusion. She carried a white Bible, the gift of the bridegroom, topped with an arrangement of white carnations and satin streamers tied in lovers' knots.

Miss Judy Dailey, cousin of the bride, was maid of honor and wore a dress of pink nylon over taffeta fashioned with a lace jacket.

Bridesmaids were Miss Cathy Hull, sister of the bride, who appeared in yellow, and Miss Susan Myers, in turquoise.

All the attendants wore matching crowns and theater veils and carried bouquets of carnations, pink for Miss Dailey and white for the bridesmaids.

Pauline Keagy, sister of the bridegroom, was flower girl and wore a blue nylon dress with matching headpiece. She carried a basket of spring flowers.

John Norek, cousin of the bridegroom, served as best man. Ushers were Kenneth Hull the bride's brother, and Richard Adams, her cousin. Kit Keagy, brother of the bridegroom, was ring bearer.

The mother of the bride chose a blue voile dress and the bridegroom's mother one in beige. White accessories and carnation corsages complemented their attire.

MRS. MICHAEL MISNER

Boys State Governor Trims Budget By About $5 Million

ATHENS, Ohio (AP)—Nearly everbody had a job as Buckeye Boys State settled down today to hashing out Gov. Corbin Miller's austerity program.

The governor put the clamps on government spending Tuesday in presenting a budget reduced by about $5 million from last year and designed to meet "real income".

"Fiscal responsibility will be enforced here," Miller, from Dover, told a joint session of the Senate and House in their American Legion - sponsored project in self-government.

The legislature Tuesday refused to approve the governor's nomination of William Miller, Canton for state personnel director. The appointment met bitter opposition because the candidate had switched over from the Nationalist to the Federalist Party and served as the Federalist keynote speaker at a rally Saturday night.

Gov. Miller named Rod Guiley, Louisville to the post and made the Canton youth his deputy.

The main walk of Ohio University's West Green has been turned into a four-lane highway by Highway Director Roger Hart of Marysville.

And since the sidewalk now is a highway, Charles Amato of Norwalk, highway safety director, figures all citizens are driving vehicles and is charging them for permits. Boys weighing more than 200 pounds are presumed to be truck drivers.

Most Cornish tin mines were shut down when vast surface deposits were found in Africa and Asia.

Firefighters Hear CD Aide

Andrew Kondik of Weirton, Hancock County Civil Defense director, spoke at a meeting of the Hancock County Firefighters Association Tuesday night at the Chester fire station.

He discussed plans for closer cooperation and coordination between the fire service and Civil Defense units and announced that he will compile a list of equipment available to the various fire departments in event of an emergency, which willl be matched with required items to be listed by the departments.

In order to facilitate joint efforts of the two organizations, the firefighters' association approved the membership application of the Civil Defense group.

Five officers of the county firemen's group were named as delegates to the state convention in August. Members voted to apply for membership in the West Virginia Firemen's Association.

An all-day fire school will be conducted in New Cumberland on Oct. 9, with talks, demonstrations and slides to be presented.

A training film was shown last night.

Six Hancock fire departments were represented at the meeting. Earl Flesch presided.

Inventor Of Bombsight, Carl L. Norden, Claimed

By ELTON C. FAY

WASHINGTON (AP) — You've probably seen it in old war movies — the thing the bombardier toted out to the B17 in a little black satchel.

It was a legend in World War II, and even in Korea.

It was the Norden bombsight.

Its inventor, Carl L. Norden, died Tuesday at 85 at his home in Zurich, Switzerland.

His little black box — crude, perhaps by present-day standards — was far and away the best thing of its kind in World War II. Its secrets were among the most carefully guarded of the war.

Before Norden came up with his design cruder sighting instruments — essentially cross-hair devices with hasty mathematical computations by the bombardier — were used for high-altitude bombing. Misses were plentiful.

When the United States entered World War II, it had the vehicles for high-level strategic attack — the B17 which was followed midway through the war by the B24. But accurate devices for bomb sighting were lacking.

What he developed was a compact package, small enough to be carried in a black bag — for purposes of secrecy — but with a sighting accuracy beyond anything then possessed by this country or probably any other.

It was a stabilized, automatic bombsight, with gyroscopes controlling the pitch and roll of the instrument.

As the bomber headed in toward the target, the bombardier took aim. He cranked into the bomb sight, by various cranks and buttons, data on wind, drift, speed of the aircraft and altitude, with corrections as the bomb release point was reached.

The Norden sight, while the best in the business, had some disadvantages.

Among other things, it was a purely optical device. The target had to be located by eye while the aircraft was miles away. Any cloud cover or darkness rendered it useless.

Its gyroscopes were sensitive to buffeting and shock — which often occurred when flak from the ground or fire from interceptor planes came close or there was a natural turbulence in the air.

Use of the sight required the bomber to hold a perfectly straight course and constant altitude as he headed in on the target. This simplified the work of the antiaircraft batteries and enemy interceptors.

Thousands of the Norden sights were produced for the Army and Navy air forces in World War II. They continued to be important equipment for bomber aircraft into the Korea war.

Then technology caught up with the old standby.

The radar-computer system arrived. It could see through clouds or darkness. With its electronic brain, it could compute in split seconds. But it could not be toted in a small black bag by the bombardier walking to his waiting plane. Radar-computer sighting equipment in present-day bombers weighs hundreds or thousands of pounds.

For several years, Norden bombsights have been on the surplus sales market. Anyone who wants the equipment built into them, or anyone who just has a sentimental yen for a Norden bombsight can buy one.

WHY IS JUNE 20th IMPORTANT TO FATHERS?

Because Father may be a boss where he works, but often in the home he is the handyman who does odd jobs. But this June 20th is Father's Day. All Fathers become Kings and the entire family his subjects.

He can on that day loaf as much as he wishes without criticism, enjoy his gifts and the loving attention of his appreciative family. And, since Father's Day will be a Sunday, no bill collectors will annoy him.

Firefighters Hear CD Aide

Andrew Kondik of Weirton, Hancock County Civil Defense director, spoke at a meeting of the Hancock County Firefighters Association Tuesday night at the Chester fire station.

He discussed plans for closer cooperation and coordination between the fire service and Civil Defense units and announced that he will compile a list of equipment available to the various fire departments in event of an emergency, which willl be matched with required items to be listed by the departments.

In order to facilitate joint efforts of the two organizations, the firefighters' association approved the membership application of the Civil Defense group.

Five officers of the county firemen's group were named as delegates to the state convention in August. Members voted to apply for membership in the West Virginia Firemen's Association.

An all-day fire school will be conducted in New Cumberland on Oct. 9, with talks, demonstrations and slides to be presented.

A training film was shown last night.

Six Hancock fire departments were represented at the meeting. Earl Flesch presided.

Boys Escape Unhurt In 2 Bike Mishaps

Two East Liverpool boys escaped injury in separate autobicycle mishaps Tuesday afternoon, police reported.

Mark Chamberlain, 9, of 400 W. 4th St. was uninjured in a collision at 3:14 at Jefferson St. and W. Church Ln. involving his bike and a 1964 auto driven by Jacqueline R. Mitcheson, 34, of Calcutta, officers said.

The woman reported she was traveling south of Jefferson St. when the boy rode his bicycle out of the alley and collided with the side of her auto. A radio antenna on the car was damaged, according to Patrolman Samuel E. Hayes, who investigated.

A similar crash at 5:20 p.m. involved a bicycle ridden by Kenneth Smith, 14, son of Harold Smith, 829 Lincoln Ave., and a 1964 sedan operated by Mary C. Brady, 326 W. 5th St., police said.

The woman said she was halted on Lincoln Ave. when her auto was hit from the rear by the bicycle. Patrolman Paul Blevins investigated.

Minor damage resulted in a two - car crash at 3:07 p. m. yesterday on St. Clair Ave. at Broadway, officers said.

It involved a halted 1964 station wagon driven by Ennis L. Allison, 25, of Bell Gardens, Calif., and a 1962 four - door sedan operated by Howard W. Johnson, 58, of 222 Virginia Ave., Chester, officers said.

There was "very minor" damage to the rear bumper of Allison's car, officers said. Allison said he was halted at a traffic signal when his car was hit from the rear. Johnson said he was halted, but his car apparently drifted forward and hit Allison's.

An auto drifted from a parking place at 3:56 p. m. Tuesday and hit another driverless car on the parking lot of the Thorofare Market on Pennsylvania Ave., police said.

A 1962 two - door sedan owned by Lucious Zanders, 1058 Mapletree St., coasted from its parking spot and hit a 1959 four-door sedan owned by Gordon Salyers, 527 Elson St., officers said.

The thigh bones of the Brachiosaurus measured seven feet.

Wetzel's Bill Faces Delay

By WILLIAM S. VANCE
Review Staff Correspondent

COLUMBUS, Ohio — Republican absenteeism in the politically - split Ohio Senate has staved off, at least temporarily, a floor fight on a controversial bill to divert liquor permit fee revenue to a state division of alcoholism.

Co-sponsored by Rep. Clarence L. Wetzel, R-Columbiana, the bill was up for a floor vote Tuesday afternoon, calling for payment of 1 per cent of liquor permit fee revenue to the now-defunct alcoholism division.

It was hustled back into the sanctity of the GOP - controlled rules committee by Senate Republican Leader Theodore M. Gray when he realized he didn't have enough troops on the floor to combat a far - reaching amendment proposed by Democrats.

Democrats hope to amend the bill to provide for a direct appropriation from the general fund for the alcoholism division instead of tapping the fee revenue — estimated a $9.8 million a year — which now goes back to local governments.

The Democrats agreed on the amendment during a two - hour caucus which delayed start of the Senate session until nearly 4 p. m.

Republicans are opposed to the amendment on grounds that it would amount to appropriating funds on the floor without considering the effect on the budget and without channeling the legislation through the finance committee.

But Gray, who had only 12 of his 16 members on the floor, headed off the amendment by moving the bill off the calendar and back into the rules committee.

Two Motorists Fined, Four Forfeit Bonds

LISBON — Two motorists were fined a total of $40 and costs Tuesday by County Judge James L. MacDonald for traffic violations and four others forfeited bonds totaling $65 when they failed to appear for scheduled hearings after being cited by the State Highway Patrol.

Fred O. May, 20, of Kensington, $25 and costs for speeding and Jack D. Farmer, 21 of Lisbon R.D. 4, $15 and costs for failure to submit to weighing of his commercial vehicle.

Alfred B. Wilson, 25, of Alliance, $20 bond for operating a motorcycle left of center line.

George M. Kariel, 48, of Alliance, Richard L. Butcher, 34, of Akron and James Goodwin, 29, of Mendon, each $15 bonds for speeding.

Red Cross Units Merged

Consolidation of the East Liverpool and the North Hancock County Red Cross Chapters will officially go into effect July 1, representatives of the Red Cross announced today.

Norman Nicely, left, chairman of the East Liverpool area chapter, and the Rev. C. Donald Vogel of Chester, representative of the Hancock unit, shake hands, symbolizing the merger, as Miss Mary Catherine Brady, executive director of the local Red Cross, looks on.

The consolidation was approved recently by the board of governors of the American Red Cross and the two local groups.

Starting July 1, service to the areas of Chester, Newell and all of Grant District in Hancock County and the city of East Liverpool, St. Clair Township and Liverpool Township and the village of Salineville will be combined as one chapter, with headquarters in the Mary Patterson Memorial Building.

The merger is designed to provide a more economical and efficient combined operation, with 24-hour service and an expanded area program.

Records from the Hancock unit formerly in the Newell office have been transferred to the East Liverpool headquarters. Red Cross service to the Pughtown and New Cumberland will be handled at the Weirton office, it was announced.

The East Liverpool chapter was chartered in June 1917 with Edwin Knowles as the first chairman.

The North Hancock unit was created in 1937 when the Hancock County Chapter divided into two organizations.

Court Orders Man's Arrest

Municipal Judge Samuel M. Chertoff today ordered a bench warrant for the arrest of a Wellsville man who failed to appear for a scheduled hearing on a speeding charge.

He is Wayne Cranston, 19, of 400 8th St., cited by the State Highway Patrol Thursday night on a charge of speeding 70 miles an hour in a 50-mile zone on the East Liverpool - Wellsville Rd.

Raymond Lewis of Chester forfeited a $17.50 bond on a charge of speeding 75 miles an hour in a 50-mile zone on the new Freeway Tuesday night at 8:40. He also was cited by the patrol.

In a case dating back to June 6, George M. Williams, 19, of 234 Church Ln. was fined $10 and costs on a reckless driving charge and ordered to pay the costs in another charge of operating an unsafe vehicle.

Williams had pleaded guilty June 7 to the two counts, filed after he nearly collided with a police cruiser at Broadway and E. 4th St. The court granted the defendant several continuances to permit him to comply with an order to junk the 13-year - old auto he was driving.

Williams advised the court this morning he sold the car to a junk yard for $8. The judge then imposed the penalties.

Defendant Convicted In Own Story To Court

Keith Clark of Calcutta, cited on an intoxication charge May 26, after an alleged argument with a policeman over a parking ticket, convicted himself with his own testimony when he took the stand in his defense today before Municipal Judge Samuel M. Chertoff.

Clark, cross - examined by Asst. Solicitor Richard A. Clark, admitted freely that he had been drinking for approximately four hours prior to the incident and conceded he was intoxicated.

Clark was cited by Patrolman J. A. Walsh, who said the motorist protested profanely over a parking ticket placed on his car o.. E. 6th St., condemning the police department. Admitting the intoxication charge, Clark said flatly he made no derogatory statements about police.

Forty - seven per cent of the 41,000-mile network of expressways in the new Interstate Highway System is open to traffic. Work is underway on another 5,600 miles.

Thursday Deadline Set On Reservations

Thursday was set as the deadline for receiving reservations for the reunion of the 1955 graduating class of East Liverpool High School at a special meeting Tuesday night in Youngstown.

Any member of the class without a reservation is asked to telephone Mrs. Gloria McPherson Doughty at 385-2472.

Plans also were discussed for the program during the reunion, scheduled July 3 at the Willows Motel in Industry. William Burson, a class member, was selected as master of ceremonies.

Another meeting was called for Thursday at 7:30 p.m. at the YMCA. Mr. and Mrs. Jack Probst of Boardman are co-chairmen of the committee.

Fill the cavities of avocado halves with a spicy tomato dressing and serve as a first course.

Boys Escape Unhurt In 2 Bike Mishaps

Two East Liverpool boys escaped injury in separate auto-bicycle mishaps Tuesday afternoon, police reported.

Mark Chamberlain, 9, of 400 W. 4th St. was uninjured in a collision at 3:14 at Jefferson St. and W. Church Ln. involving his bike and a 1964 auto driven by Jacqueline R. Mitcheson, 34, of Calcutta, officers said.

The woman reported she was traveling south of Jefferson St. when the boy rode his bicycle out of the alley and collided with the side of her auto. A radio antenna on the car was damaged, according to Patrolman Samuel E. Hayes, who investigated.

A similar crash at 5:20 p.m. involved a bicycle ridden by Kenneth Smith, 14, son of Harold Smith, 829 Lincoln Ave., and a 1964 sedan operated by Mary C. Brady, 326 W. 5th St., police said.

The woman said she was halted on Lincoln Ave. when her auto was hit from the rear by the bicycle. Patrolman Paul Blevins investigated.

Minor damage resulted in a two - car crash at 3:07 p. m. yesterday on St. Clair Ave. at Broadway, officers said.

It involved a halted 1964 station wagon driven by Ennis L. Allison, 25, of Bell Gardens, Calif., and a 1962 four - door sedan operated by Howard W. Johnson, 58, of 222 Virginia Ave., Chester, officers said.

There was "very minor" damage to the rear bumper of Allison's car, officers said. Allison said he was halted at a traffic signal when his car was hit from the rear. Johnson said he was halted, but his car apparently drifted forward and hit Allison's.

An auto drifted from a parking place at 3:56 p. m. Tuesday and hit another driverless car on the parking lot of the Thorofare Market on Pennsylvania Ave., police said.

A 1962 two - door sedan owned by Lucious Zanders, 1058 Maple-tree St., coasted from its parking spot and hit a 1959 four-door sedan owned by Gordon Salyers, 527 Elson St., officers said.

The thigh bones of the Brachiosaurus measured seven feet.

Wetzel's Bill Faces Delay

By WILLIAM S. VANCE
Review Staff Correspondent

COLUMBUS, Ohio — Republican absenteeism in the politically - split Ohio Senate has staved off, at least temporarily, a floor fight on a controversial bill to divert liquor permit fee revenue to a state division of alcoholism.

Co-sponsored by Rep. Clarence L. Wetzel, R-Columbiana, the bill was up for a floor vote Tuesday afternoon, calling for payment of 1 per cent of liquor permit fee revenue to the now-defunct alcoholism division.

It was hustled back into the sanctity of the GOP - controlled rules committee by Senate Republican Leader Theodore M. Gray when he realized he didn't have enough troops on the floor to combat a far - reaching amendment proposed by Democrats.

Democrats hope to amend the bill to provide for a direct appropriation from the general fund for the alcoholism division instead of tapping the fee revenue — estimated a $9.8 million a year — which now goes back to local governments.

The Democrats agreed on the amendment during a two - hour caucus which delayed start of the Senate session until nearly 4 p. m.

Republicans are opposed to the amendment on grounds that it would amount to appropriating funds on the floor without considering the effect on the budget and without channeling the legislation through the finance committee.

But Gray, who had only 12 of his 16 members on the floor, headed off the amendment by moving the bill off the calendar and back into the rules committee.

The Fraternal Order of Police lodge stated it paid for the chief's legal counsel and asked that the money be refunded to the lodge by the city.

Council informed the lodge that money is not available at present.

Council received the veto without comment other than to indicate some action will be taken at the next meeting July 6.

Detroit's McLain Fans 7 Straight For New Record

★ ★

Alou Brothers Spark Braves' And Giants' Victories

Twins Blank Chisox, 4-0; Indians Win

By DICK COUCH
Associated Press Sports Writer

Dennis the Menace is one-up on the Monster; the Monster has the Willies and the Boston Red Sox have had a tankful of the Tigers.

Detroit's Denny McLain, no menace in 10 of 11 previous pitching efforts this year, set a major league strikeout record Tuesday night in the Tigers' 6-5 come-from-behind victory over Boston.

Dick Radatz, the Monster of the Red Sox' bullpen who shared the strikeout mark broken by McLain, came in to protect a three-run lead in the eighth inning and gave up four, including a decisive three-run homer by American League home run leader Willie Horton.

McLain, a 21-year-old right-hander who struck out 261 hitters and married Lou Boudreau's daughter two years ago, replaced Detroit starter Dave Wickersham in the first inning Tuesday night and fanned the first seven Red Sox he faced, breaking by one the all-time record for consecutive strikeouts by a relief pitcher.

He wound up with 14 strikeouts in 6 2-3 innings — and no cigar. Fred Gladding, who pitched the final two innings after McLain was lifted for a pinch-hitter, received credit for the victory. Gladding added four strikeouts, giving the two Detroit relievers a total of 18 for the game.

McLain, whose string of seven strikeouts also tied the AL record for starting pitchers and relievers — starters Max Surkont, Johnny Podres and Jim Maloney share the modern major league mark of eight — now has fanned 66 in 73 1-3 innings.

The Chicago native has started nine games this season and completed only one of them, a three-hit 4-0 victory over Washington May 19. He is 2-3 for the season and 8-9 with the Tigers since they picked him up from the White Sox on first-year waivers in 1963.

McLain's strikeout feat overshadowed league-leading Minnesota's 4-0 triumph over second-place Chicago in the opener of a three-game series between the two contenders. Baltimore nipped the New York Yankees 2-1 in 10 innings; Cleveland whipped Washington 8-3 and Kansas City blanked the Los Angeles Angels 5-0.

McLain, who relieved Wickersham with Boston in front 3-0 in the first, yielded two more runs before leaving the game for a hitter in the seventh.

Radatz, the third relief pitcher to fan six men in a row — he did it against the Yankees last month — gave up a run in the eighth on a hit batsman, Jerry Lumpe's double and Gates Brown's infield single before Horton unloaded a 3-2 pitch into the lower left field stands.

The homer was Horton's third in three games and 14th of the season.

Minnesota's Jim Grant stopped the White Sox on five hits for his sixth victory in seven decisions. He has beaten Chicago three times without a loss. Tony Oliva and Bob Allison hit home runs off Gary Peters, 5-5, as the Twins stretched their league lead to 1½ games.

Russ Snyder, a former Yankee farmhand, drove in both Baltimore runs with a sacrifice fly in the eighth and a 10th inning single, beating Mel Stottlemyre, 7-3, and enabling the Orioles to stretch their winning string through five games.

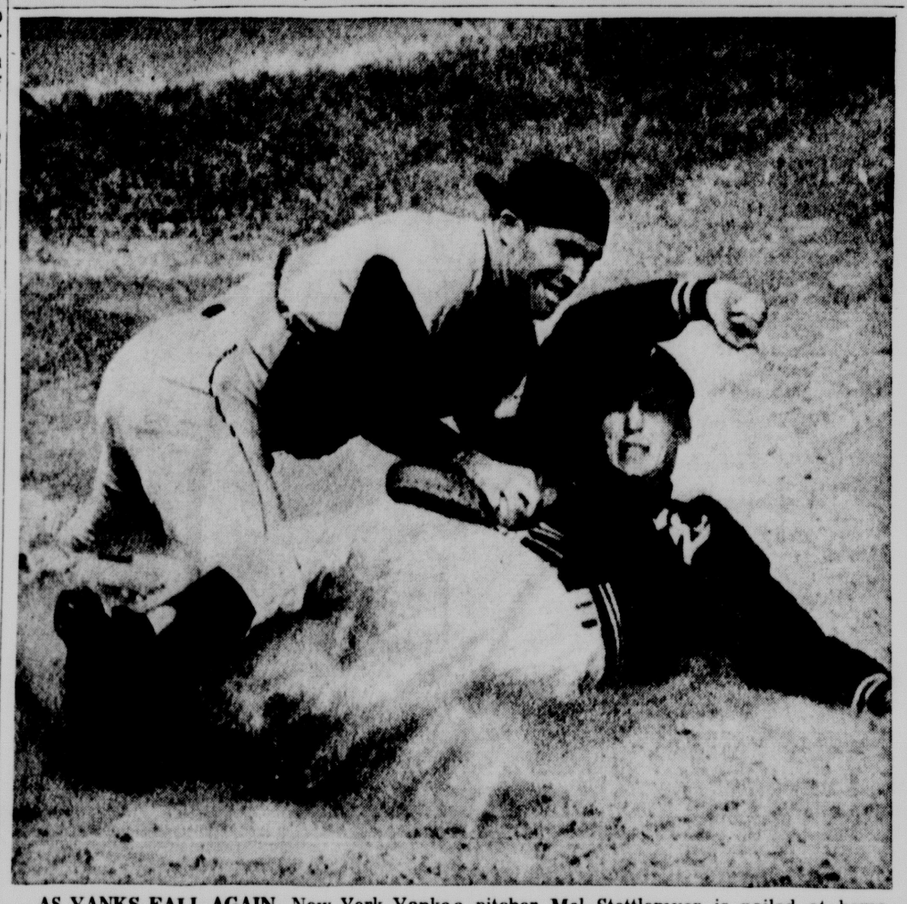
Rocky Colavito's three-run homer and Chuck Hinton's solo shot powered Cleveland past the Senators. Gary Bell pitched the last three innings, preserving Sam McDowell's seventh victory. Hinton, an ex-Senator, has hit four of his six homers against Washington.

Diego Segui stymied Los Angeles on two hits and Bert Campaneris singled, doubled and stole two bases to pace the Athletics' attack. The two steals gave Campaneris 20 for the year, tying him with his second cousin, Jose Cardenal of the Angels, for the league lead.

Yesterday's Stars

PITCHING — Diego Segui, Kansas City, pitched a two-hitter as the Athletics blanked the Los Angeles Angels 5-0.

HITTING — Felipe Alou, Milwaukee, drove in six runs with two homers and a single powering the Braves to a 12-7 victory over Philadelphia.



AS YANKS FALL AGAIN. New York Yankee pitcher Mel Stottlemyer is nailed at home plate by catcher John Orsino of the Orioles during the sixth inning of the New York game Tuesday night. The action occurred on teammate Bobby Richardson's grounder to the Orioles' Luis Aparicio to Orsino. The Orioles won, 2-1. (UPI Telephoto)

Legion Jrs. Edged By 3-2

Columbiana pushed over a run in the last of the 8th Tuesday at Columbiana to nose out East Liverpool's Post 374 Legion Juniors, 3-2, in a County Legion Junior League game.

After each had tallied twice in one frame, the home team in the first and Post 374 in the second, Whittington of Post 374 and Coseno of Columbiana settled down to pitch run-less ball until the eight when a 2-base throwing error, a wild pitch and a single produced the decisive tally.

Massey had a couple safeties for Post 374 while Dickens and Schulz each had a pair for Columbiana. Each club collected five hits.

Seattle University Cage Coach To Quit

SEATTLE (AP) — Seattle University Basketball Coach Bob Boyd is resigning effective July 15, Athletic Director Eddie O'Brien announced Tuesday.

He said Boyd would be succeeded by Lionel Purcell, coach of the freshman basketball squad.

O'Brien said Boyd has accepted an offer as a sales promotion representative in the Southern California area.

Boyd came to Seattle University from California's Santa Ana Junior College in 1963 and led the Chieftains to a 22-6 record and third place in the NCAA Western Regional tournament in his first year.

Last season Seattle finished with a 19-7 record.

Joe Wells Competes In Oakmont Tourney

A veteran of the golfing wars, Joe Wells of Newell Heights and the East Liverpool Country Club was among those who competed Tuesday in the 26th annual Western Pennsylvania Senior Golf championship at the Oakmont Country Club, Pittsburgh.

He tied for gross runnerup honors with a 45-46—91 in the 75-to-80 age bracket.

Bob Kiersky of the Oakmont club shot a 37-36—73 to capture the championship.

Kyle Twirls 2-Hitter In Golden Star LL Win

Dave Kyle handcuffed Veteran Plate Glass on two hits and struck out nine Tuesday as Golden Star took the Little League encounter, 5-1.

In other games, Chester Legion pushed over the deciding run the last of the seventh to shade Medics in the extra inning struggle, 4-3, and Burbick's ripped McBurney's, 10-3.

Ralph Seevers of Chester Legion and Jim Moore of Medics were locked in a 3-3 duel for six frames, with Moore striking out 16 over the stretch, but Larry Marshall came on for Chester and received credit for the victory. Rick Aaron suffered the defeat.

Seevers also collected two hits and scored the winning run. Jeff Martin was the big gun at the plate for the Legion, driving in three including the deciding run. Alan Forsythe had a pair of safeties for Chester, also. Moore rapped a brace for Medics.

Kyle also hammered a double for Golden Star and Jeff Michels rapped a pair of singles. Randy McVay sliced a double and single for Veteran Glass. Rick Watson took the loss, although giving up only five hits.

McHenry was the winning hurler for Burbick's while fanning eight. Cashdollar was on the mound for McBurney.

McHenry, Brown and Golden hit doubles and singles for the winners while Holdren tripled and Pugh doubled with the sacks loaded.

Bosco slammed a triple and double for McBurney and Whittaker and Sample each doubled and singled.

Merchants Sweep Pair In Softball

Chester Merchants swept a doubleheader from Hancock Savings & Loan Tuesday night in the Chester Softball League at City Park, taking the first, 5-2, and the nightcap, 6-5.

Frank Paytors hurled a four-hitter in the opener and fanned 10.

In the second game, Jack Evans held the Bankers to two hits, but was behind, 5-3, going into the 7th when Brown and Evans singled and Jack Thayer blasted a home run over the centerfield fence. Paytors relieved in the last of the 7th and retired the side in order.

Scafide's and Galllagher's will meet in a twin bill tonight starting at 6:45.

Booher, Not Booker

Because of a misinterpretation of a score sheet, it was reported Tuesday that Jim Booker hurled a 4-0 shutout for Newell over Shippingport in the South Side Hot Stove League.

It should have read Jim Booher.

Bucs Finally Beat Cards; Reds Victor

By MURRAY CHASS
Associated Press Sports Writer

Felipe and Matty Alou haven't been teammates for two seasons, but they still work together like the Lone Ranger and Tonto.

The brothers, Felipe with Milwaukee and Matty with San Francisco, teamed up Tuesday night to move the Braves a game closer to the National League-leading Los Angeles Dodgers.

Felipe drove in six runs with two homers and a single, sparking the second-place Braves to a 12-7 victory over Philadelphia while Matty scored both runs in the Giants' 2-1 triumph over the Dodgers. Milwaukee now trails Los Angeles by 2½ games.

The Alou brothers, including Jesus, played together with the Giants in 1963. At the time, Felipe was in his sixth year, Matty his fourth and Jesus his first at San Francisco. But in December of that year, Felipe was shipped to Milwaukee, and then there were two.

Jesus has been a permanent fixture in the Giants' outfield this year while Felipe has started either at first base or in the outfield at Mliwaukee. Matty, on the other hand, has been only a sometimes San Francisco starter.

He enjoyed one of his better nights against the Dodgers, though. With one out in the first inning, the 26-year-old lefty doubled and stole third as pitcher Don Drysdale peered in for the sign for his first pitch to Willie Mays. Mays then tripled for the first run.

After Wes Parker's home run tied the game in the fourth, Matty led off the sixth by beating out a bunt in front of the plate. He moved to second on an infield out and raced home as Jim Hart singled to right.

Felipe, meanwhile, became the first National Leaguer to knock in six runs in a game this season. His performance brought his average to .302, his homer total to 10 and his runs batted in mark to 36, the last just one behind Ed Mathews' team-leading 37.

In other NL games, Pittsburgh outslugged St. Louis 10-6, Cincinnati downed New York 5-1 and Chicago whipped Houston 5-0.

Marichal held the Dodgers to five hits, two by Drysdale, and brought his record to 10-5. Drysdale, who had won nine of his last 10 games, suffered his fourth setback against 11 victories.

Felipe Alou ignited a 21-hit Braves' attack with his first-inning homer, then singled home two runs in the six-run third and clouted a three-run homer in the sixth. Eddie Mathews triggered the six-run outburst with a home run, the 2,000th hit of his career.

The Pirates beat St. Louis for the first time in 18 games as Donn Clendenon drove in four runs with homers in the eighth and ninth innings. Pinch hitter Ossie Virgil's bases-empty homer in the Pittsburgh seventh tied it 5-5 after the Cardinals had scored four times in the fourth, two on Jerry Buchek's triple.

Sammy Ellis pitched a four-hitter for his 10th victory against two defeats. He allowed the Mets only one hit after the second inning and at one stretch retired 18 straight batters. Pete Rose and Deron Johnson each lashed a two-run double for Cincinnati.

The Cubs extended Houston's losing streak to eight games and its scoreless inning string to 31. Bob Buhl set the Astros down on five hits through eight innings, and Ted Abernathy finished up. Don Landrum doubled home a run and scored on Ron Santo's sacrifice fly in the fourth.

Irondale Victor Over Columbiana In Tri-County

Despite a brillaint 17-strikeout performance by Columbiana moundsman Longanecker, Irondale was still able to smother the Columbiana nine 6-1 in a Tri-County League played Sunday at Irondale.

Moreover, Columbiana was able to outhit the Irondale diamondmen 5-4 but could only come up with a single tally coming in the 8th inning.

Sayres was the winning pitcher notching nine strikeouts, while teammate Donald Fraley swung the biggest bat of the outing by doubling in two runs. Irondale plays Wellsville at home Sunday.

Fight Results

LONDON—Alan Rudkin, 119, Britain, outpointed Ray Asis, 119½, Philippines, 10.

SACRAMENTO, Calif. — Joey Olguin, 135½, Sacramento, stopped Tony Perez, 140½, Mexico City, 8.

Snell Has Worst Race Of Career

Grelle Cracks American Mile Record With 3:55.4

VANCOUVER (AP) — Lanky Jim Grelle of Portland, Ore., became North America's fastest miler Tuesday night in a race that saw Peter Snell of New Zealand turn in the worst race of his startling career.

Grelle made good his boast to lick Snell in the magic mile at the Vancouver International track meet. And he did, in a time of 3:55.4, the fastest mile ever run by an American.

The fastest previous mile by an American citizen was 3:55.5 by Jim Beatty in 1963.

But for a jubilant Grelle, the edge was taken off the victory by the dead-last finish of Snell — a victim of a stomach ailment in the morning.

As the race progressed and it became obvious that Snell was not going to make his move, the excited crowd of 13,891 turned its attention to the front runners.

The crowd went wild as Grelle headed for and finally broke the string. Tony Harris of London crossed the line in 4:02.5, some 15 yards behind Grelle, with Cary Weisiger of Raleigh, N.C., breathing down his neck with a 4:02.8 clocking.

The spectators fell silent as Snell trudged to the finish. A few booed him.

Snell collapsed over an iron fence at the side of the track — tears welling in his eyes. He was unable to talk.

The New Zealander, the one the spectators had hoped to see regain his world record lost last week to Frenchman Michel Mazy with a time of 3:53.6, walked to the public address system and was handed the microphone.

"It will take me a long time to get over the shame of running last," he said in a quavering voice.

"Please believe me, I was doing my best."

He explained to the crowd of an upset stomach he suffered in the morning.

The spectators apparently accepted the New Zealander's explanation. They stood and cheered him.

Grelle's performance was enough to earn him the title of outstanding male athlete of the meet.

However, he admitted disappointment that Snell was not able to run his usual race. "He would have given me a hard race . . . he's a remarkable sportsman."

Free-Scoring Games Mark Little Minor League Action

Free-scoring games marked the Little Minor League Tuesday as Rogers Drive-In, M&A Motors and Potters Savings & Loan posted victories.

Rogers walloped Potters Bank & Trust, 25-12, as W. Talbott blasted a grand slam home run. M&A Motors nosed out Pusateri, 20-19, and Potters Savings & Loan trounced First National, 23-8.

K. Lemasters and L. O'Hanlon each pitched three innings for Rogers while Jeff Howell toiled for Potters Bank & Trust. B. Dorsey and O'Hanlon each had three hits for Rogers. Dingey collected two for Potters.

Bennett was the winning pitcher for M&A Motors while Reed took the loss. Shaw and Goodman each stroked three hits for the winners and Kinsey had three for Pusateri.

Kim Kucyznski fanned 14 for Potters Savings & Loan while hurling a four-hitter. Dick Chema lost it for First National. Mark McGeehan, Dickey and Jackson doubled for the winners. Jones collected two safeties for the losers.

Detroit's McLain Fans 7 Straight For New Record

Alou Brothers Spark Braves' And Giants' Victories

The Review Sports

WEDNESDAY, JUNE 16, 1965 EAST LIVERPOOL REVIEW PAGE 12

Twins Blank Chisox, 4-0; Indians Win

By DICK COUCH
Associated Press Sports Writer

Dennis the Menace is one-up on the Monster; the Monster has the Willies and the Boston Red Sox have had a tankful of the Tigers.

Detroit's Denny McLain, no menace in 10 of 11 previous pitching efforts this year, set a major league strikeout record Tuesday night in the Tigers' 6-5 come-from-behind victory over Boston.

Dick Radatz, the Monster of the Red Sox' bullpen who shared the strikeout mark broken by McLain, came in to protect a three-run lead in the eighth inning and gave up four, including a decisive three-run homer by American League home run leader Willie Horton.

McLain, a 21-year-old right-hander who struck out 261 hitters and married Lou Boudreau's daughter two years ago, replaced Detroit starter Dave Wickersham in the first inning Tuesday night and fanned the first seven Red Sox he faced, breaking by one the all-time record for consecutive strikeouts by a relief pitcher.

He wound up with 14 strikeouts in 6 2-3 innings — and no cigar. Fred Gladding, who pitched the final two innings after McLain was lifted for a pinch-hitter, received credit for the victory. Gladding added four strikeouts, giving the two Detroit relievers a total of 18 for the game.

McLain, whose string of seven strikeouts also tied the AL record for starting pitchers and relievers — starters Max Surkont, Johnny Podres and Jim Maloney share the modern major league mark of eight — now has fanned 66 in 73 1-3 innings.

The Chicago native has started nine games this season and completed only one of them, a three-hit 4-0 victory over Washington May 19. He is 2-3 for the season and 8-9 with the Tigers since they picked him up from the White Sox on first-year waivers in 1963.

McLain's strikeout feat overshadowed league-leading Minnesota's 4-0 triumph over second-place Chicago in the opener of a three-game series between the two contenders. Baltimore nipped the New York Yankees 2-1 in 10 innings; Cleveland whipped Washington 8-3 and Kansas City blanked the Los Angeles Angels 5-0.

McLain, who relieved Wickersham with Boston in front 3-0 in the first, yielded two more runs before leaving the game for a hitter in the seventh.

Radatz, the third relief pitcher to fan six men in a row — he did it against the Yankees last month — gave up a run in the eighth on a hit batsman, Jerry Lumpe's double and Gates Brown's infield single before Horton unloaded a 3-2 pitch into the lower left field stands.

The homer was Horton's third in three games and 14th of the season.

Minnesota's Jim Grant stopped the White Sox on five hits for his sixth victory in seven decisions. He has beaten Chicago three times without a loss. Tony Oliva and Bob Allison hit home runs off Gary Peters, 5-5, as the Twins stretched their league lead to 1½ games.

Russ Snyder, a former Yankee farmhand, drove in both Baltimore runs with a sacrifice fly in the eighth and a 10th inning single, beating Mel Stottlemyre, 7-3, and enabling the Orioles to stretch their winning string through five games.

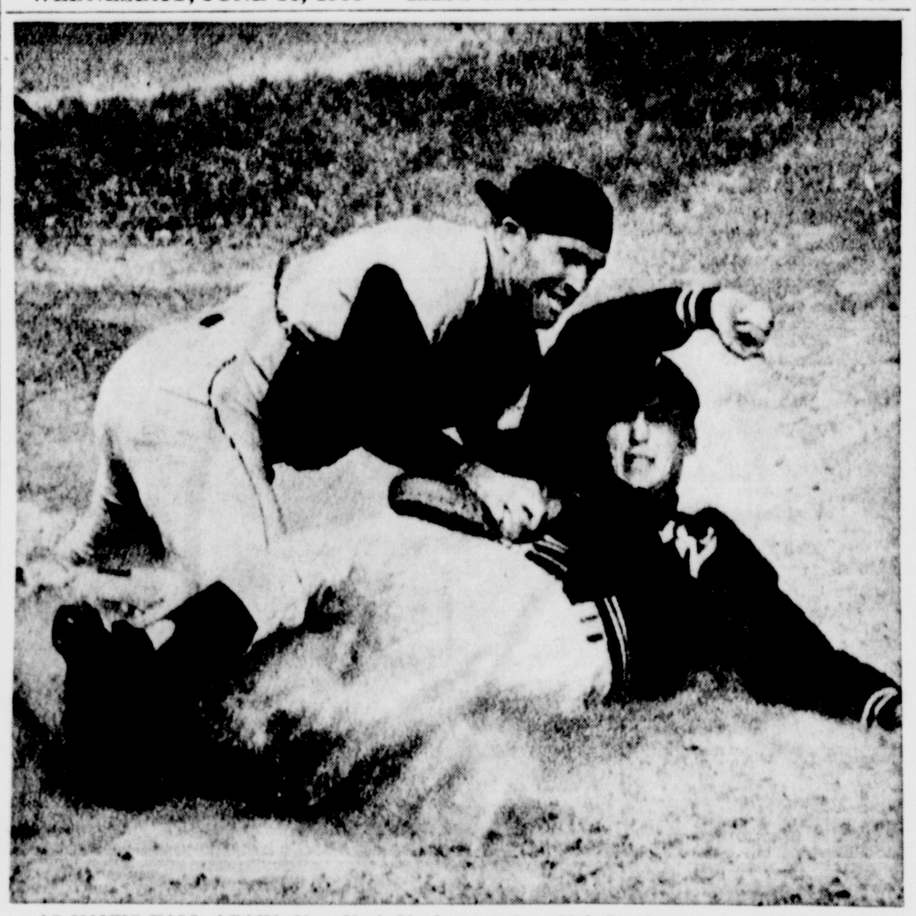
Rocky Colavito's three-run homer and Chuck Hinton's solo shot powered Cleveland past the Senators. Gary Bell pitched the last three innings, preserving Sam McDowell's seventh victory. Hinton, an ex-Senator, has hit four of his six homers against Washington.

Diego Segui stymied Los Angeles on two hits and Bert Campaneris singled, doubled and stole two bases to pace the Athletics' attack. The two steals gave Campaneris 20 for the year, tying him with his second cousin, Jose Cardenal of the Angels, for the league lead.

Yesterday's Stars

PITCHING — Diego Segui, Kansas City, pitched a two-hitter as the Athletics blanked the Los Angeles Angels 5-0.

HITTING — Felipe Alou, Milwaukee, drove in six runs with two homers and a single powering the Braves to a 12-7 victory over Philadelphia.



AS YANKS FALL AGAIN. New York Yankee pitcher Mel Stottlemyer is nailed at home plate by catcher John Orsino of the Orioles during the sixth inning of the New York game Tuesday night. The action occurred on teammate Bobby Richardson's grounder to the Orioles' Luis Aparicio to Orsino. The Orioles won, 2-1. (UPI Telephoto)

Legion Jrs. Edged By 3-2

Columbiana pushed over a run in the last of the 8th Tuesday at Columbiana to nose out East Liverpool's Post 374 Legion Juniors, 3-2, in a County Legion Junior League game.

After each had tallied twice in one frame, the home team in the first and Post 374 in the second, Whittington of Post 374 and Coseno of Columbiana settled down to pitch run-less ball until the eight when a 2-base throwing error, a wild pitch and a single produced the decisive tally.

Massey had a couple safeties for Post 374 while Dickens and Schulz each had a pair for Columbiana. Each club collected five hits.

Seattle University Cage Coach To Quit

SEATTLE (AP) — Seattle University Basketball Coach Bob Boyd is resigning effective July 15, Athletic Director Eddie O'Brien announced Tuesday.

He said Boyd would be succeeded by Lionel Purcell, coach of the freshman basketball squad.

O'Brien said Boyd has accepted an offer as a sales promotion representative in the Southern California area.

Boyd came to Seattle University from California's Santa Ana Junior College in 1963 and led the Chieftains to a 22-6 record and third place in the NCAA Western Regional tournament in his first year.

Last season Seattle finished with a 19-7 record.

Joe Wells Competes In Oakmont Tourney

A veteran of the golfing wars, Joe Wells of Newell Heights and the East Liverpool Country Club was among those who competed Tuesday in the 26th annual Western Pennsylvania Senior Golf championship at the Oakmont Country Club, Pittsburgh.

He tied for gross runnerup honors with a 45-46—91 in the 75-to-80 age bracket.

Bob Kiersky of the Oakmont club shot a 37-36—73 to capture the championship.

Kyle Twirls 2-Hitter In Golden Star LL Win

Dave Kyle handcuffed Veteran Plate Glass on two hits and struck out nine Tuesday as Golden Star took the Little League encounter, 5-1.

In other games, Chester Legion pushed over the deciding run the last of the seventh to shade Medics in the extra inning struggle, 4-3, and Burbick's ripped McBurney's, 10-3.

Ralph Seevers of Chester Legion and Jim Moore of Medics were locked in a 3-3 duel for six frames, with Moore striking out 16 over the stretch, but Larry Marshall came on for Chester and received credit for the victory. Rick Aaron suffered the defeat.

Seevers also collected two hits and scored the winning run. Jeff Martin was the big gun at the plate for the Legion, driving in three including the deciding run. Alan Forsythe had a pair of safeties for Chester, also. Moore rapped a brace for Medics.

Kyle also hammered a double for Golden Star and Jeff Michels rapped a pair of singles. Randy McVay sliced a double and single for Veteran Glass. Rick Watson took the loss, although giving up only five hits.

McHenry was the winning hurler for Burbick's while fanning eight. Cashdollar was on the mound for McBurney.

McHenry, Brown and Golden hit doubles and singles for the winners while Holdren tripled and Pugh doubled with the sacks loaded.

Bosco slammed a triple and double for McBurney and Whittaker and Sample each doubled and singled.

Merchants Sweep Pair In Softball

Chester Merchants swept a doubleheader from Hancock Savings & Loan Tuesday night in the Chester Softball League at City Park, taking the first, 5-2, and the nightcap, 6-5.

Frank Paytors hurled a four-hitter in the opener and fanned 10.

In the second game, Jack Evans held the Bankers to two hits, but was behind, 5-3, going into the 7th when Brown and Evans singled and Jack Thayer blasted a home run over the centerfield fence. Paytors relieved in the last of the 7th and retired the side in order.

Scafide's and Galllagher's will meet in a twin bill tonight starting at 6:45.

Booher, Not Booker

Because of a misinterpretation of a score sheet, it was reported Tuesday that Jim Booker hurled a 4-0 shutout for Newell over Shippingport in the South Side Hot Stove League.

It should have read Jim Booher.

Bucs Finally Beat Cards; Reds Victor

By MURRAY CHASS
Associated Press Sports Writer

Felipe and Matty Alou haven't been teammates for two seasons, but they still work together like the Lone Ranger and Tonto.

The brothers, Felipe with Milwaukee and Matty with San Francisco, teamed up Tuesday night to move the Braves a game closer to the National League-leading Los Angeles Dodgers.

Felipe drove in six runs with two homers and a single, sparking the second-place Braves to a 12-7 victory over Philadelphia while Matty scored both runs in the Giants' 2-1 triumph over the Dodgers. Milwaukee now trails Los Angeles by 2½ games.

The Alou brothers, including Jesus, played together with the Giants in 1963. At the time, Felipe was in his sixth year, Matty his fourth and Jesus his first at San Francisco. But in December of that year, Felipe was shipped to Milwaukee, and then there were two.

Jesus has been a permanent fixture in the Giants' outfield this year while Felipe has started either at first base or in the outfield at Mliwaukee. Matty, on the other hand, has been only a sometimes San Francisco starter.

He enjoyed one of his better nights against the Dodgers, though. With one out in the first inning, the 26-year-old lefty doubled and stole third as pitcher Don Drysdale peered in for the sign for his first pitch to Willie Mays. Mays then tripled for the first run.

After Wes Parker's home run tied the game in the fourth, Matty led off the sixth by beating out a bunt in front of the plate. He moved to second on an infield out and raced home as Jim Hart singled to right.

Felipe, meanwhile, became the first National Leaguer to knock in six runs in a game this season. His performance brought his average to .302, his homer total to 10 and his runs batted in mark to 36, the last just one behind Ed Mathews' team-leading 37.

In other NL games, Pittsburgh outslugged St. Louis 10-6, Cincinnati downed New York 5-1 and Chicago whipped Houston 5-0.

Marichal held the Dodgers to five hits, two by Drysdale, and brought his record to 10-5. Drysdale, who had won nine of his last 10 games, suffered his fourth setback against 11 victories.

Felipe Alou ignited a 21-hit Braves' attack with his first-inning homer, then singled home two runs in the six-run third and clouted a three-run homer in the sixth. Eddie Mathews triggered the six-run outburst with a home run, the 2,000th hit of his career.

The Pirates beat St. Louis for the first time in 18 games as Donn Clendenon drove in four runs with homers in the eighth and ninth innings. Pinch hitter Ossie Virgil's bases-empty homer in the Pittsburgh seventh tied it 5-5 after the Cardinals had scored four times in the fourth, two on Jerry Buchek's triple.

Sammy Ellis pitched a four-hitter for his 10th victory against two defeats. He allowed the Mets only one hit after the second inning and at one stretch retired 18 straight batters. Pete Rose and Deron Johnson each lashed a two-run double for Cincinnati.

The Cubs extended Houston's losing streak to eight games and its scoreless inning string to 31. Bob Buhl set the Astros down on five hits through eight innings, and Ted Abernathy finished up. Don Landrum doubled home a run and scored on Ron Santo's sacrifice fly in the fourth.

Irondale Victor Over Columbiana In Tri-County

Despite a brillaint 17-strikeout performance by Columbiana moundsman Longanecker, Irondale was still able to smother the Columbiana nine 6-1 in a Tri-County League played Sunday at Irondale.

Moreover, Columbiana was able to outhit the Irondale diamondmen 5-4 but could only come up with a single tally coming in the 8th inning.

Sayres was the winning pitcher notching nine strikeouts, while teammate Donald Fraley swung the biggest bat of the outing by doubling in two runs. Irondale plays Wellsville at home Sunday.

Fight Results

LONDON—Alan Rudkin, 119, Britain, outpointed Ray Asis, 119½, Philippines, 10.

SACRAMENTO, Calif. — Joey Olguin, 135½, Sacramento, stopped Tony Perez, 140½, Mexico City, 8.

Snell Has Worst Race Of Career

Grelle Cracks American Mile Record With 3:55.4

VANCOUVER (AP) — Lanky Jim Grelle of Portland, Ore., became North America's fastest miler Tuesday night in a race that saw Peter Snell of New Zealand turn in the worst race of his startling career.

Grelle made good his boast to lick Snell in the magic mile at the Vancouver International track meet. And he did, in a time of 3:55.4, the fastest mile ever run by an American.

The fastest previous mile by an American citizen was 3:55.5 by Jim Beatty in 1963.

Hookstown, Frankfort Nines Win

Hookstown smothered Hanover, 10-2, while Frankfort Springs downed Lawrenceville, 11-8, in two senior division games in the South Side Hot Stove Tuesday evening.

Hookstown pitcher Ron Peden held the Hanover nine to just two runs on two hits, while striking out 18 in a contest played at Hookstown.

Although Hanover moundsman Roger McCarrall fanned 10 of the Hookstown diamondmen, the winners still pounded McCarrall for 10 runs on 11 hits which included three doubles by Joel Petkovich and two hits each by Tom Doak and Greg Butcher.

The two hits for Hanover included a double by Billl Smith and a base hit by McCarrall.

In another senior division outing, Lloyd Roach slammeed two home runs to pace home team Frankfort Springs to an 11-8 decision over Lawrenceville.

Terry Young notched two doubles to lead the Frankfort Springs. Rick Stevens was the winning pitcher, while Bob Mayes was charged with the loss.

In a junior division game played Monday, Frankfort Springs downed Hookstown, 16-13.

Colt League Game Taken By Dentists

Dentists climbed on Realtor pitcher Stewart for four runs in the bottom of the 5th to ice up an 8-4 decision over the Realtors in a Colt League contest at Colt Field Tuesday evening.

The Realtors still managed to outhit the winners, 5-3, including two doubles by Brown and Siebert. Moore slapped a triple for Dentists. Dentist pitcher Jim Duffy was credited with the win.

Rhodes Launches Tour To Promote Tourist Business

COLUMBUS, Ohio (AP) — A "Presidential Tour" headed by Gov. James A. Rhodes and his youngest daughter, Sharon, hit the road today on a two-day swing around the state to visit sites associated with Ohioans who served in the White House.

The party includes travel editors, newsmen and historical buffs and is expected to be joined by many other Ohioans, some of them descendants of native-born presidents.

Purpose of the tour is to promote Ohio's tourist business.

Stops on today's agenda included the Grant Schoolhouse in Georgetown, Brown County, where President Ulysse S. Grant attended school, and his birthplace in Point Pleasant.

The party then was scheduled to visit the birthplace of William Howard Taft in Cincinnati, the William Henry Harrison tomb in North Bend, west of the Queen City, and the President Rutherford B. Hayes Memorial Museum and Library in Fremont.

On Thursday, the touring party will make stops in the Cleveland area to view the tomb of James Garfield in Lakeview Cemetery, the Garfield home in Mentor, the William McKinley birthplace memorial in Niles, McKinley Memorial in Canton and the Warren G. Harding home in Marion.

Pitt and Penn State began their football rivalry in 1893. Pitt leads 34-27. Three games were ties.

Woodbine, Litten's Win In Pony League Action

Woodbine nosed out Sevy's, 4-3, and Litten's whipped Bright's 9-5, in Tuesday's Pony League games.

Woodbine pushed over two runs in the top of the 7th to edge Sevy's as Lovejoy struck out 11 for the winners. Cunningham set down 13 on strike outs for the losers. Cunningham collected three hits as Sevy's outhit Woodbine, 7-5.

Dan Myers hurled for Litten's with Rick Steffen on the mound for Bright's. Hancock and Parson each rapped home runs for Litten's. Kim Kemple slapped a double and two singles for Bright's.

Hildebrand turned in a pair of sparkling fielding plays for Litten's in centerfield.

Palestine Names Nurse At School

EAST PALESTINE — Mrs. Violet Peterson of 404½ W. North Ave., a public health nurse with the Columbiana County Health Department for 10 years, has been named East Palestine school nurse, effective in September.

Mrs. Peterson replaces Mrs. Edward Stonemetz of E. Main St., who resigned after seven years on the job.

Mrs. Peterson is a graduate of East Liverpool High School and received training at St. Luke's Hospital in Cleveland, where she worked for two years. She later served part - time at Salem City Hospital and Salem Central Clinic before joining the county department.

She has been a member of the city board of health for 13 years. She is married to David Peterson and has four children.

Summer Classes Held For Palestine's Pupils

EAST PALESTINE — Summer courses for high school and grade school students began this week, H. S. Laber, superintendent, reported.

Twenty - four are enrolled in typing, 32 in driver education and 48 in a remedial reading course for first through eighth-grade pupils.

2,000th Hit For Mathews Is 458th HR

MILWAUKEE (AP) — Milwaukee slugger Eddie Mathews resisted an impulse to bunt for his 2,000th National League hit and was duly rewarded — with the 458th homer of his career.

Mathews was in a merry mood after reaching another milestone and contributing to the Braves' 21-hit attack, high in the league this season, in a 12-7 victory over Philadelphia Tuesday night.

"I didn't think I was pressing for the 2,000th hit, but I wasn't sure and even thought about bunting," the 33-year-old third baseman said.

"The home run is especially satisfying. My wife and one son and my mother (Mrs. Eloise Mathews of Santa Barbara, Calif.) were in the stands. This has to be one of my biggest thrills."

Mathews said he couldn't remember his first hit in 1952, when he broke in with the Braves, then in Boston.

Mathews connected for his 13th homer of the season and joined 110 others in baseball's exclusive 2,000-hit club.

Mathews' blast, a towering poke on Art Mahaffey's first pitch in the third inning, triggered a six-run uprising by the Braves, who built up an 11-0 lead and then checked the Phils' comeback.

Fireworks Set July 5 At Weirton

The annual Independence Day fireworks display sponsored by the Weirton Steel Co. as part of Weirton's observance of the Fourth of July will be held at 10 p.m. Monday, July 5 at the Weirton Airport, it was announced today by C. G. Tournay, president.

Dan Sweaney, special representative of the Industrial Relations Department is coordinating the event for Weirton Steel and the Zambelli Fireworks Manufacturing Co. of New Castle, Pa., again will be in charge of the display. In event of inclement weather on July 5, the fireworks will be held at 10 p. m. on Tuesday, July 6.

An estimated 15,000 attend the fireworks display each year.

Lehigh Hanover, a $60,000 yearling, earned $330,045 in three years.

Nicklaus Figure Looms Over U.S. Open Course

ST. LOUIS (AP) — The giant figure of Jack Nicklaus, seeking golfdom's first professional grand slam, loomed over the Bellerive Country Club's lengthy acres today as 150 of the world's premier players put the final touches on preparations for the U.S. Open golf tourney.

Many of the 136 pros and 14 amateurs who start the four-day tourney Thursday have contended that the vast, 7,191-yard course — longest ever in the 65 years of the Open — heavily favors the long-hitting Ohio Fats.

"Every course favors Nicklaus," retorted Bob Charles.

Just behind the 23-year-old Masters champ came determined Arnold Palmer, attempting to turn back Nicklaus' threat to his tottering throne, and ailing defending champion Ken Venturi.

Other favorites include Gary Player, the little South African who, along with Nicklaus and Palmer, makes up golf's big three, Tony Lema and Billy Casper.

And, of course, there's a sentimental choice, 53-year-old Sam Snead, a bulky, drawling ghost from another golfing era, making his 25th try for the one major title that has eluded him.

"It's long and it's tough, plenty tough, the toughest open course I've ever seen," Snead said. "It's so long Nicklaus has five strokes on the rest of us."

Nicklaus demurred, but he was about the only one.

"You've got to pamper this course, not sledgehammer it," said Jack, who needs to add the Open, PGA and British Open to his accomplishments.

The last two days of the tourney are scheduled for national television coverage by NBC, starting Saturday at 4 p.m., EST, and Sunday at 3:30 p.m.

The weather for the first couple of days of practice rounds has been perfect — a bright sun, clear skies, temperatures in the low 80s, a slight breeze. The long-range forecast is for more of the same. If it holds, crowds of about 20,000 are expected the last two days.

The Open carries a value of about $125,000, with $25,000 to the winner.

Art Wall was forced to withdraw Tuesday because of a back injury. He was replaced by Ted Kroll.

Field Trials Set

Robert Dawson, president, has announced that the South Side Sportsman's Club at Hookstown will sponsor coon dog field trials Sunday, beginning at 10 a. m. The event will be held at the clubhouse, about a mile south of Route 30, off Route 168.

Hookstown, Frankfort Nines Win

Hookstown smothered Hanover, 10-2, while Frankfort Springs downed Lawrenceville, 11-8, in two senior division games in the South Side Hot Stove Tuesday evening.

Hookstown pitcher Ron Peden held the Hanover nine to just two runs on two hits, while striking out 18 in a contest played at Hookstown.

Although Hanover moundsman Roger McCarrall fanned 10 of the Hookstown diamondmen, the winners still pounded McCarrall for 10 runs on 11 hits which included three doubles by Joel Petkovich and two hits each by Tom Doak and Greg Butcher.

The two hits for Hanover included a double by Billl Smith and a base hit by McCarrall.

In another senior division outing, Lloyd Roach slammeed two home runs to pace home team Frankfort Springs to an 11-8 decision over Lawrenceville.

Terry Young notched two doubles to lead the Frankfort Springs. Rick Stevens was the winning pitcher, while Bob Mayes was charged with the loss.

In a junior division game played Monday, Frankfort Springs downed Hookstown, 16-13.

Colt League Game Taken By Dentists

Dentists climbed on Realtor pitcher Stewart for four runs in the bottom of the 5th to ice up an 8-4 decision over the Realtors in a Colt League contest at Colt Field Tuesday evening.

The Realtors still managed to outhit the winners, 5-3, including two doubles by Brown and Siebert. Moore slapped a triple for Dentists. Dentist pitcher Jim Duffy was credited with the win.

Rhodes Launches Tour To Promote Tourist Business

COLUMBUS, Ohio (AP) — A "Presidential Tour" headed by Gov. James A. Rhodes and his youngest daughter, Sharon, hit the road today on a two-day swing around the state to visit sites associated with Ohioans who served in the White House.

The party includes travel editors, newsmen and historical buffs and is expected to be joined by many other Ohioans, some of them descendants of native-born presidents.

Purpose of the tour is to promote Ohio's tourist business.

Stops on today's agenda included the Grant Schoolhouse in Georgetown, Brown County, where President Ulysse S. Grant attended school, and his birthplace in Point Pleasant.

The party then was scheduled to visit the birthplace of William Howard Taft in Cincinnati, the William Henry Harrison tomb in North Bend, west of the Queen City, and the President Rutherford B. Hayes Memorial Museum and Library in Fremont.

On Thursday, the touring party will make stops in the Cleveland area to view the tomb of James Garfield in Lakeview Cemetery, the Garfield home in Mentor, the William McKinley birthplace memorial in Niles, McKinley Memorial in Canton and the Warren G. Harding home in Marion.

Pitt and Penn State began their football rivalry in 1893. Pitt leads 34-27. Three games were ties.

Woodbine, Litten's Win In Pony League Action

Woodbine nosed out Sevy's, 4-3, and Litten's whipped Bright's 9-5, in Tuesday's Pony League games.

Woodbine pushed over two runs in the top of the 7th to edge Sevy's as Lovejoy struck out 11 for the winners. Cunningham set down 13 on strike outs for the losers. Cunningham collected three hits as Sevy's outhit Woodbine, 7-5.

Dan Myers hurled for Litten's with Rick Steffen on the mound for Bright's. Hancock and Parson each rapped home runs for Litten's. Kim Kemple slapped a double and two singles for Bright's.

Hildebrand turned in a pair of sparkling fielding plays for Litten's in centerfield.

Fireworks Set July 5 At Weirton

The annual Independence Day fireworks display sponsored by the Weirton Steel Co. as part of Weirton's observance of the Fourth of July will be held at 10 p.m. Monday, July 5 at the Weirton Airport, it was announced today by C. G. Tournay, president.

Dan Sweaney, special representative of the Industrial Relations Department is coordinating the event for Weirton Steel and the Zambelli Fireworks Manufacturing Co. of New Castle, Pa., again will be in charge of the display. In event of inclement weather on July 5, the fireworks will be held at 10 p. m. on Tuesday, July 6.

An estimated 15,000 attend the fireworks display each year.

Lehigh Hanover, a $60,000 yearling, earned $330,045 in three years.

Nicklaus Figure Looms Over U.S. Open Course

ST. LOUIS (AP) — The giant figure of Jack Nicklaus, seeking golfdom's first professional grand slam, loomed over the Bellerive Country Club's lengthy acres today as 150 of the world's premier players put the final touches on preparations for the U.S. Open golf tourney.

Many of the 136 pros and 14 amateurs who start the four-day tourney Thursday have contended that the vast, 7,191-yard course — longest ever in the 65 years of the Open — heavily favors the long-hitting Ohio Fats.

"Every course favors Nicklaus," retorted Bob Charles.

Just behind the 23-year-old Masters champ came determined Arnold Palmer, attempting to turn back Nicklaus' threat to his tottering throne, and ailing defending champion Ken Venturi.

Other favorites include Gary Player, the little South African who, along with Nicklaus and Palmer, makes up golf's big three, Tony Lema and Billy Casper.

And, of course, there's a sentimental choice, 53-year-old Sam Snead, a bulky, drawling ghost from another golfing era, making his 25th try for the one major title that has eluded him.

"It's long and it's tough, plenty tough, the toughest open course I've ever seen," Snead said. "It's so long Nicklaus has five strokes on the rest of us."

Nicklaus demurred, but he was about the only one.

"You've got to pamper this course, not sledgehammer it," said Jack, who needs to add the Open, PGA and British Open to his accomplishments.

The last two days of the tourney are scheduled for national television coverage by NBC, starting Saturday at 4 p.m., EST, and Sunday at 3:30 p.m.

The weather for the first couple of days of practice rounds has been perfect — a bright sun, clear skies, temperatures in the low 80s, a slight breeze. The long-range forecast is for more of the same. If it holds, crowds of about 20,000 are expected the last two days.

The Open carries a value of about $125,000, with $25,000 to the winner.

Art Wall was forced to withdraw Tuesday because of a back injury. He was replaced by Ted Kroll.

Field Trials Set

Robert Dawson, president, has announced that the South Side Sportsman's Club at Hookstown will sponsor coon dog field trials Sunday, beginning at 10 a. m. The event will be held at the clubhouse, about a mile south of Route 30, off Route 168.

Maloney Gets $1,000 Raise On No-Hitter

CINCINNATI (AP) — Congratulations continued to pour in for Jim Maloney, but the eye-popper for the Cincinnati no-hit pitcher was a $1,000 pat-on-the-back from his boss, William O. DeWitt.

DeWitt, Reds' owner, wired his congratulations to Maloney Tuesday, along with a note his old contract was torn up and a new one issued, giving him a $1,000 raise immediately.

DeWitt missed Maloney's 10-inning, no-hitter against the New York Mets Monday night, which the right-hander lost in the 11th on a homer by Johnny Lewis. DeWitt is in St. Louis for the marriage Wednesday of his son, William Jr.

"People have been contacting me from all over the United States," Maloney said Tuesday night.

A telegram from National League President Warren C. Giles said, "Hearty congratulations, Jim, on your superb pitching. The fact that you lost takes nothing from your personal masterful pitching in that . . . it was as fine a pitching performance as I ever have seen."

Plans 'Speak-Out'

WASHINGTON (AP) — The Committee for Nonviolent Action planned to stage a "speak-out" demonstration against U.S. foreign policy today on the Pentagon steps just below the office of Secretary of Defense Robert S. McNamara.

Trading Deadline Passes Without Any Major Deals

By HAL BOCK
Associated Press Sports Writer

Major league baseball's trading deadline passed at midnight local time Tuesday with a flurry of minor player transactions and a raft of rumors, but no major deals.

The New York Yankees, Cleveland Indians, Los Angeles Angels and New York Mets were the only teams making last-minute changes.

The Yankees brought up left-handed hitting catcher Jake Gibbs from Toledo of the International League and sent Bob Schmidt, a right-handed hitting catcher to the IL club.

Gibbs, who signed a $100,000 bonus contract with the Yankees in 1961, batted .266 for Toledo in 49 games. Schmidt, 32, hit .250 in 20 games for New York.

Cleveland optioned two players and called up one from their farm club of the Pacific Coast League, purchased catcher Phil Roof from Los Angeles and asked waivers on veteran pitcher Dick Donovan.

Optioned to Portland were catcher Camilo Carreon and infielder Billy Moran. The Indians recalled catcher Duke Sims from the PCL club.

Donovan, a 37-year-old right-hander, had been with the Indians since 1961. His best season was 1962 when he won 20 and lost 10. Waivers were asked on him to make room on the Cleveland roster for right-hander Jack Spring, who was purchased from Seattle Monday.

Carreon came to the Indians in a three-club trade last winter. He had batted .231 in 19 games. Sims was hitting .325 at Portland.

Roof, who was acquired for cash and a player to be named later, had played in only nine games for the Angels, batting .136. Moran, a five-year veteran, had been to bat only 13 times this season.

The Mets sent catcher Hawk Taylor to Buffalo of the International League.

Taylor, a $118,000 bonus baby with the Milwaukee Braves in 1957, batted .240 for the Mets in 92 games last year and only .152 in 25 games this season.

The day's best rumor had Eddie Mathews of the Braves moving to Los Angeles in an even-up swap for left-handed pitcher Claude Osteen, who the Dodgers acquired in a seven-player trade from Washington last winter.

Questioned about the rumor, Dodger General Manager Buzzie Bavasi laughed it off.

Ryan Signs With Browns For $38,000

CLEVELAND (AP)—Quarterback Frank Ryan has signed a two - year contract with the Cleveland Browns for an estimated $38,000 a season, putting him among the highest paid players in professional football.

Ryan did some throwing at Western Reserve University's Clark Field before the signing Tuesday and showed no effects of a shoulder separation he suffered in the Pro Bowl game last January.

The Browns also announced that linebacker Mike Lucci and tackle Monte Clark had signed 1965 contracts, bringing to 22 the number of veterans signed.

Two veteran tackles remain doubtful because of injuries.

Frank Parker has not recovered from a knee operation as quickly as he hoped he would.

Bob Gain, who suffered a fractured leg last season, just now has begun to do some running.

Chicago Archdiocese Head Named By Pope

VATICAN CITY (AP)—Pope Paul VI has appointed Archbishop John Patrick Cody of New Orleans to be archbishop of Chicago, the Vatican announced today.

The Chicago archdiocese is the nation's largest, with nearly 2 million Roman Catholics living within its boundaries. It has been without an archbishop since Albert Cardinal Meyer died April 9.

Yanks Hurting Badly, And Mick Most Of All

By JOE REICHLER
Associated Press Sports Writer

NEW YORK (AP) — The New York Yankees are hurting badly and Mickey Mantle, the team's leader, is hurting most of all.

The proud slugger, in the worst batting slump of his 15-year career, went hitless again Tuesday night and the Yankees dropped another, 2-1 in 10 innings to the Baltimore Orioles. It was the opening game of a two-week home stand.

Mantle's batting average hit a new low — .230 — and even worse, he's hit only nine home runs with just 20 runs batted in in 52 games.

In Los Angeles the past weekend, the 33-year-old star was quoted as saying he would quit if he couldn't finish the season hitting around .300. Questioned about it after Tuesday night's failure, Mantle said he didn't say it quite that way.

"What I said was I would quit if I couldn't hit any better than this," he said. "I'm no .240 hitter and I know I've got to get better. And I will."

The slump has him worried, however.

"I just can't understand it," he said. "I've got no excuses. I feel good, better than I've felt in several years. But the bat feels heavy. I get good pitches to hit but I can't seem to get the bat around. I've been in slumps before, but never anything like this."

Mantle has collected only 12 hits in his last 64 times at bat. That adds up to 188. He has hit only two home runs and has driven in two runs in his last 15 games.

Maloney Gets $1,000 Raise On No-Hitter

CINCINNATI (AP) — Congratulations continued to pour in for Jim Maloney, but the eye-popper for the Cincinnati no-hit pitcher was a $1,000 pat-on-the-back from his boss, William O. DeWitt.

DeWitt, Reds' owner, wired his congratulations to Maloney Tuesday, along with a note his old contract was torn up and a new one issued, giving him a $1,000 raise immediately.

DeWitt missed Maloney's 10-inning, no-hitter against the New York Mets Monday night, which the right-hander lost in the 11th on a homer by Johnny Lewis. DeWitt is in St. Louis for the marriage Wednesday of his son, William Jr.

"People have been contacting me from all over the United States," Maloney said Tuesday night.

A telegram from National League President Warren C. Giles said, "Hearty congratulations, Jim, on your superb pitching. The fact that you lost takes nothing from your personal masterful pitching in that . . . it was as fine a pitching performance as I ever have seen."

Plans 'Speak-Out'

WASHINGTON (AP) — The Committee for Nonviolent Action planned to stage a "speak-out" demonstration against U.S. foreign policy today on the Pentagon steps just below the office of Secretary of Defense Robert S. McNamara.

Trading Deadline Passes Without Any Major Deals

By HAL BOCK
Associated Press Sports Writer

Major league baseball's trading deadline passed at midnight local time Tuesday with a flurry of minor player transactions and a raft of rumors, but no major deals.

The New York Yankees, Cleveland Indians, Los Angeles Angels and New York Mets were the only teams making last-minute changes.

The Yankees brought up left-handed hitting catcher Jake Gibbs from Toledo of the International League and sent Bob Schmidt, a right-handed hitting catcher to the IL club.

Gibbs, who signed a $100,000 bonus contract with the Yankees in 1961, batted .266 for Toledo in 49 games. Schmidt, 32, hit .250 in 20 games for New York.

Cleveland optioned two players and called up one from their farm club of the Pacific Coast League, purchased catcher Phil Roof from Los Angeles and asked waivers on veteran pitcher Dick Donovan.

Optioned to Portland were catcher Camilo Carreon and infielder Billy Moran. The Indians recalled catcher Duke Sims from the PCL club.

Donovan, a 37-year-old right-hander, had been with the Indians since 1961. His best season was 1962 when he won 20 and lost 10. Waivers were asked on him to make room on the Cleveland roster for right-hander Jack Spring, who was purchased from Seattle Monday.

Carreon came to the Indians in a three-club trade last winter. He had batted .231 in 19 games. Sims was hitting .325 at Portland.

Roof, who was acquired for cash and a player to be named later, had played in only nine games for the Angels, batting .136. Moran, a five-year veteran, had been to bat only 13 times this season.

The Mets sent catcher Hawk Taylor to Buffalo of the International League.

Taylor, a $118,000 bonus baby with the Milwaukee Braves in 1957, batted .240 for the Mets in 92 games last year and only .152 in 25 games this season.

The day's best rumor had Eddie Mathews of the Braves moving to Los Angeles in an even-up swap for left-handed pitcher Claude Osteen, who the Dodgers acquired in a seven-player trade from Washington last winter.

Questioned about the rumor, Dodger General Manager Buzzie Bavasi laughed it off.

Ryan Signs With Browns For $38,000

CLEVELAND (AP)—Quarterback Frank Ryan has signed a two - year contract with the Cleveland Browns for an estimated $38,000 a season, putting him among the highest paid players in professional football.

Ryan did some throwing at Western Reserve University's Clark Field before the signing Tuesday and showed no effects of a shoulder separation he suffered in the Pro Bowl game last January.

The Browns also announced that linebacker Mike Lucci and tackle Monte Clark had signed 1965 contracts, bringing to 22 the number of veterans signed.

Two veteran tackles remain doubtful because of injuries.

Frank Parker has not recovered from a knee operation as quickly as he hoped he would.

Bob Gain, who suffered a fractured leg last season, just now has begun to do some running.

Chicago Archdiocese Head Named By Pope

VATICAN CITY (AP)—Pope Paul VI has appointed Archbishop John Patrick Cody of New Orleans to be archbishop of Chicago, the Vatican announced today.

The Chicago archdiocese is the nation's largest, with nearly 2 million Roman Catholics living within its boundaries. It has been without an archbishop since Albert Cardinal Meyer died April 9.

Yanks Hurting Badly, And Mick Most Of All

By JOE REICHLER
Associated Press Sports Writer

NEW YORK (AP) — The New York Yankees are hurting badly and Mickey Mantle, the team's leader, is hurting most of all.

The proud slugger, in the worst batting slump of his 15-year career, went hitless again Tuesday night and the Yankees dropped another, 2-1 in 10 innings to the Baltimore Orioles. It was the opening game of a two-week home stand.

Mantle's batting average hit a new low — .230 — and even worse, he's hit only nine home runs with just 20 runs batted in in 52 games.

In Los Angeles the past weekend, the 33-year-old star was quoted as saying he would quit if he couldn't finish the season hitting around .300. Questioned about it after Tuesday night's failure, Mantle said he didn't say it quite that way.

"What I said was I would quit if I couldn't hit any better than this," he said. "I'm no .240 hitter and I know I've got to get better. And I will."

The slump has him worried, however.

"I just can't understand it," he said. "I've got no excuses. I feel good, better than I've felt in several years. But the bat feels heavy. I get good pitches to hit but I can't seem to get the bat around. I've been in slumps before, but never anything like this."

Mantle has collected only 12 hits in his last 64 times at bat. That adds up to .188. He has hit only two home runs and has driven in two runs in his last 15 games.

Installation Ceremony Held By Lisbon Job's Daughters

Miss Jayne McBride, daughter of Mr. and Mrs. James L. McBride of Sunset Dr., was installed as honored queen of Bethel 48, Job's Daughters, Monday night at the Masonic Temple. Miss Candy Hill, retiring honored queen, was installing officer.

Others inducted to serve with Miss McBride were Dawn Richardson, senior princess; Gale Schnader, junior princess; Jenifer Mason, guide; Carol Lewton, marshal; Candy Cain, chaplain; Cindy McKee, treasurer; Dree Dickey, recorder; Mary Kennedy, librarian; Betsy Blocksom, musician; Dixie Cross, Susie Rupp, Cheryl Spooner, Nancy Spooner, Peggy Gardner, messengers, first, second, third, fourth and fifth; Vicki James, senior custodian; Kathy Halverstadt, junior custodian; Wavelene Dixon, inner guard; Suzanne Alexander, outer guard.

Past honored queens who assisted Miss Hill were Gloria Dell Tritten, Diane Boso, Joyce Homan, Kathleen Arnold, Nancy Sexton, all of Bethel 48; Sandy Thompson of Youngstown, Bethel 23; Barbara Eason of East Liverpool, Bethel 61.

"Patience," theme of the honored queen's reign, was the subject of the Rev. Paul T. Gerrard as he pointed out "Compassion, love and understanding make up the true meaning of patience."

Walter S. Abrams of Alliance, a friend of the McBride family, presented the new queen with her gavel on behalf of her parents, whom she then introduced, followed by Mrs. William Spooner, Bethel guardian, and Hoyt Sexton, associate guardian.

The honored queen's pin was presented to Miss McBride by Miss Hill, who received the past honored queen's pin from Miss Sexton. DeMolays of East Liverpool served as escorts for both the retiring officers and the incoming officers.

Pink and aqua, the color theme of the chapter room, was continued in the dining hall for the reception. Mrs. Don Richardson and Mrs. Donald Smith presided at the buffet table. Miss Barbara Devan was in charge of the guest registration.

Class Of 1919 Holds Reunion

The 1919 class of David Anderson High School, the first to be graduated from the present high school building, held its 46th annual class reunion dinner party Saturday night at the Timberlanes in Salem.

Letters were read from classmates in California, Florida, Michigan, Cleveland, Manchester and Youngstown.

Those attending were Dr. and Mrs. Oral Lawton of Youngstown, Mr. and Mrs. Orin Lewton of Columbiana, Mr. and Mrs. James Armstrong (Hazel Newhouse), both of whom were members of the class; Charles For, Marshall Bailey, Mrs. Esther Eells, all of Salem; Miss Esther Stackhouse and Miss Nettie McPherson of Lisbon.

Another reunion will be held next June at the Timberlanes.

Coterie Presents Program

Seventeen members of Coterie met Monday night at the home of Mrs. F. C. Davis of N. Market St., with Mrs. Byron Albright presiding. She also gave an informative talk in observance of Flag Day.

"Men and Buoys" was the program topic presented by Miss Eva Armstrong. It was taken from the book "Life of a Cadet," which concerns the Coast Guard Academy at New London, Conn. Miss Lois Armstrong was program leader.

The final meeting of the season, a dinner party June 26 at the Parkview House in Canfield at 6:30 p.m., is being arranged by Miss Josephine Bennett, Mrs. John Noble and Mrs. Perlee Bye.

Mrs. Elva Fife of Vine St. was installed as treasurer of District 8, Eagles Auxiliary, during the meeting Sunday at the Salem FOE home, along with Mrs. Helen McClure of Girard, chairman; Mrs. Emma Martin of Warren, vice chairman; Mrs. Evelyn Porter of Columbiana, secretary.

Mrs. Dorothy McCormick of Leetonia, state vice president, and Mrs. Gertrude Yeager of Salem, state treasurer, of the auxiliary were installing officers. Mrs. Louis Hedl of Lisbon is the deputy chairman.

Representing the FOE and Auxiliary of Lisbon were Mr. and Mrs. Arthur Morris, Mr. and Mrs. John Chillik, Mr. and Mrs. Louis Hedl, Mr. and Mrs. Robert Grimm, Mr. and Mrs. George Ramsey, Mrs. Howard Cole, Mrs. Fife, Mrs. Clara Wilson, Mrs. Michael Beiling, Mrs. Lorene Furer, Richard McKee, Paul Crosser, Robert Flory and Gilbert Cannon.

East Palestine FOE will be host for the next district meeting Sunday, July 11.

Andersons Return From Tour

Mr. and Mrs. Guy Anderson of the Fairfield Rd., who have been touring Pennsylvania, New York and New Jersey the last two weeks, returned home Monday.

En route, they visited with his brother and sister-in-law, Mr. and Mrs. Robert Anderson of Milford, Pa., who then accompanied them on a visit to the New York World's Fair and other points of interest.

Mr. and Mrs. Vernon Duke of E. Lincoln Way have as their house guests this week their son-in-law and daughter, Mr. and Mrs. William Currier of Berea.

Mr. and Mrs. E. G. Heilbronner of E. Lincoln Way had as weekend guests Mr. and Mrs. Seldon Heilbronner of Detroit, Mich.

SANTA ANA, Calif. (AP) — Burr Shafer, 65, a cartoonist whose fictional J. Wesley Smith bumbled through history for years in the Saturday Review, died Tuesday of a blood clot in a lung.

26 Aspirants Reminded On Expense List

Twenty - six persons who sought office in Columbiana County in the primaries May 4 still have not filed the required statements of campaign expenses with the County Election Board, although the deadline falls Friday afternoon.

Frank R. O'Hanlon, Election Board clerk, issued a new warning today to the dilatory candidates.

Of those from whom reports have not been received, 12 are nominees who cannot be issued certificates of nomination unless they comply with the law, he pointed out.

Eight Republicans and four Democrats make up the field of nominees who have not complied. The winners who have not reported include two in East Liverpool. Without a certificate of nomination, the candidate's name cannot be placed on the general election ballot in November.

The law allows a span of 45 days for the candidates to report expenses, accompanying them with receipts for each expenditure over $25. Notices and copies of the required forms were mailed the aspirants the day after the primaries.

In addition to the other penalties provided in the state law, the statute provides that any person who fails to file the sworn statement within the specified time shall be barred from being a candidate in any election for five years.

The reports are required of all candidates, whether or not they were successful, and from committees which supported or opposed any candidate or issue.

One more of the expense statements was filed Tuesday.

Thomas Kidder, an unsuccessful candidate for the Democratic nomination for First Ward councilman in East Liverpool, said his expenses totaled $11.15.

Fellowship Awarded To Former Resident

Harry R. Bock, audio - visual coordinator for the Alfred I. DuPont School District in Wilmington, Del., has been awarded a summer fellowship to attend the National Defense Institute for Educational Media at Syracuse University June 28-Aug. 13.

Bock is a 1944 graduate of East Liverpool High School. He received his bachelor's degree from Fairmont State College, a master's degree from the University of Delaware and has undertaken additional graduate work at West Chester State College in Pennsylvania.

He is the son of Mrs. William A. Bock of 222 W. Church Ln.

Negro Workers Up

NEW YORK (AP) — A study released Tuesday by Hunter College shows that the number of Negro professional workers employed in the New York metropolitan area increased by 91 per cent between 1950 and 1960, compared to a 27 per cent increase for all professional workers.

Chicago Rights Drive Seen As Patterned After South

CHICAGO (AP) — The mass rallies, daily marches and civil disobedience marking the civil rights drive in Chicago are patterned after protests in the South, its leaders say.

"We're demonstrating for the same reason in Chicago as they are in Jackson, Miss. — against the basic injustice of our society," said Albert A. Raby, 32, head of the Coordinating Committee of Community Organizations, the group leading the protests.

"It's our intention," he said in an interview, "to have the same kind of drive here as in the South."

Another march was called for today.

In six days, the protest leaders have staged three rallies, one prayer meeting and four marches on City Hall. The marches resulted in mass arrests and traffic chaos. More than 525 persons have been arrested.

At least 85 marchers were arrested Tuesday after a sit-down at State and Madison streets in the downtown district. About 250 other marchers, led by Raby, who was not arrested, continued to City Hall for conferences with a group of clergymen acting as mediators between the protestors and Mayor Richard J. Daley.

"There's a growing awareness that this is a long-term project," a spokesman for the demonstrators said. "We are not just going to march around a building and magically solve the problem."

The first target of the protests was Schools Supt. Benjamin C. Willis, rehired for another 18 months by the Board of Education May 29. The integrationists originally demanded that Mayor Daley oust Willis.

Now, they say, Daley also is a target.

"Willis is not important," said Raby. "If we can topple the Daley machine in Chicago, we can topple the machine of any Northern City.

"If we are not successful in marches, we will find economic means."

Rolling Stone Cause Fainting Of 25 Girls

GLASGOW, Scotland (AP) — A performance by the Rolling Stones beat group ended Tuesday night with 25 girls unconscious and 50 boys in jail.

The girls fainted inside the hall. The boys were arrested in mob scenes outside it.

Watson Wins By Landslide In Carolina

COLUMBIA, S.C. (AP) — Political switch-hitter Albert W. Watson carries his new Republican pennant back to Washington today, the landslide winner in a race to regain the House seat he won twice as a Democrat.

In the conservative, Republican-minded 2nd Congressional District, Watson proved that among Southerners, there is still political glitter in the name Barry Goldwater.

He trounced Democrat Preston H. Callison Tuesday, 55,849 votes to 24,781. Special election returns from the eight-county district, the state's most populous, were complete but unofficial.

Watson wasted no time in reclaiming the House seat he quit Jan. 27 after Democrats took away his slender seniority because he supported Goldwater's Republican presidential bid.

With Watson's election as a Republican, the GOP holds 141 House seats. The Democrats have 294.

Installation Ceremony Held By Lisbon Job's Daughters

Miss Jayne McBride, daughter of Mr. and Mrs. James L. McBride of Sunset Dr., was installed as honored queen of Bethel 48, Job's Daughters, Monday night at the Masonic Temple. Miss Candy Hill, retiring honored queen, was installing officer.

Others inducted to serve with Miss McBride were Dawn Richardson, senior princess; Gale Schnader, junior princess; Jenifer Mason, guide; Carol Lewton, marshal; Candy Cain, chaplain; Cindy McKee, treasurer; Dree Dickey, recorder; Mary Kennedy, librarian; Betsy Blocksom, musician; Dixie Cross, Susie Rupp, Cheryl Spooner, Nancy Spooner, Peggy Gardner, messengers, first, second, third, fourth and fifth; Vicki James, senior custodian; Kathy Halverstadt, junior custodian; Wavelene Dixon, inner guard; Suzanne Alexander, outer guard.

Past honored queens who assisted Miss Hill were Gloria Dell Tritten, Diane Boso, Joyce Homan, Kathleen Arnold, Nancy Sexton, all of Bethel 48; Sandy Thompson of Youngstown, Bethel 23; Barbara Eason of East Liverpool, Bethel 61.

"Patience," theme of the honored queen's reign, was the subject of the Rev. Paul T. Gerrard as he pointed out "Compassion, love and understanding make up the true meaning of patience."

Walter S. Abrams of Alliance, a friend of the McBride family, presented the new queen with her gavel on behalf of her parents, whom she then introduced, followed by Mrs. William Spooner, Bethel guardian, and Hoyt Sexton, associate guardian.

The honored queen's pin was presented to Miss McBride by Miss Hill, who received the past honored queen's pin from Miss Sexton. DeMolays of East Liverpool served as escorts for both the retiring officers and the incoming officers.

Pink and aqua, the color theme of the chapter room, was continued in the dining hall for the reception. Mrs. Don Richardson and Mrs. Donald Smith presided at the buffet table. Miss Barbara Devan was in charge of the guest registration.

Class Of 1919 Holds Reunion

The 1919 class of David Anderson High School, the first to be graduated from the present high school building, held its 46th annual class reunion dinner party Saturday night at the Timberlanes in Salem.

Letters were read from classmates in California, Florida, Michigan, Cleveland, Manchester and Youngstown.

Those attending were Dr. and Mrs. Oral Lawton of Youngstown, Mr. and Mrs. Orin Lewton of Columbiana, Mr. and Mrs. James Armstrong (Hazel Newhouse), both of whom were members of the class; Charles For, Marshall Bailey, Mrs. Esther Eells, all of Salem; Miss Esther Stackhouse and Miss Nettie McPherson of Lisbon.

Another reunion will be held next June at the Timberlanes.

Coterie Presents Program

Seventeen members of Coterie met Monday night at the home of Mrs. F. C. Davis of N. Market St., with Mrs. Byron Albright presiding. She also gave an informative talk in observance of Flag Day.

"Men and Buoys" was the program topic presented by Miss Eva Armstrong. It was taken from the book "Life of a Cadet," which concerns the Coast Guard Academy at New London, Conn. Miss Lois Armstrong was program leader.

The final meeting of the season, a dinner party June 26 at the Parkview House in Canfield at 6:30 p.m., is being arranged by Miss Josephine Bennett, Mrs. John Noble and Mrs. Perlee Bye.

Mrs. Elva Fife of Vine St. was installed as treasurer of District 8, Eagles Auxiliary, during the meeting Sunday at the Salem FOE home, along with Mrs. Helen McClure of Girard, chairman; Mrs. Emma Martin of Warren, vice chairman; Mrs. Evelyn Porter of Columbiana, secretary.

Mrs. Dorothy McCormick of Leetonia, state vice president, and Mrs. Gertrude Yeager of Salem, state treasurer, of the auxiliary were installing officers. Mrs. Louis Hedl of Lisbon is the deputy chairman.

Representing the FOE and Auxiliary of Lisbon were Mr. and Mrs. Arthur Morris, Mr. and Mrs. John Chillik, Mr. and Mrs. Louis Hedl, Mr. and Mrs. Robert Grimm, Mr. and Mrs. George Ramsey, Mrs. Howard Cole, Mrs. Fife, Mrs. Clara Wilson, Mrs. Michael Beiling, Mrs. Lorene Furer, Richard McKee, Paul Crosser, Robert Flory and Gilbert Cannon.

East Palestine FOE will be host for the next district meeting Sunday, July 11.

Andersons Return From Tour

Mr. and Mrs. Guy Anderson of the Fairfield Rd., who have been touring Pennsylvania, New York and New Jersey the last two weeks, returned home Monday.

En route, they visited with his brother and sister-in-law, Mr. and Mrs. Robert Anderson of Milford, Pa., who then accompanied them on a visit to the New York World's Fair and other points of interest.

Mr. and Mrs. Vernon Duke of E. Lincoln Way have as their house guests this week their son-in-law and daughter, Mr. and Mrs. William Currier of Berea.

Mr. and Mrs. E. G. Heilbronner of E. Lincoln Way had as weekend guests Mr. and Mrs. Seldon Heilbronner of Detroit, Mich.

Class Programs Will Mark Close Of Bible School

Various classes will present a program Friday night at 7:30 in the Central Methodist Church of Wellsville to mark the conclusion of the Daily Vacation Bible School.

The classes and their presentations will be: Kindergarten, "Parable of the Mustard Seed;" song, "Come Unto Me;" beginners, "Sermon of the Good Shepherd" in the form of a play; song "I Want to Sing, Shine and Work;" primary, theme, "Sermon of the Good Shepherd;" choral reading of Bible verses and Psalm 23; song, "He Laid Down His Life for his Sheep."

Junior, sermon, "The Light of the World;" choral candlelight group, Bible verses; leader, Karen Maurer, narrator, Vickie Shook; song, "Fix Your Eyes Upon Jesus;" teen - age flag-bearers, Teila Geisse and Cassie Clark; Bible, Darlene Watson. Ushers, Kenny Maylone, Dennie Clark and Arthur Geisse.

Diplomas and appreciation certificates will be presented. At the close of the morning session Friday lunch will be served the children.

"Open house" will be held at 7 p. m. so that parents and friends may view the crafts and work books completed within the last two weeks.

Band Parents Set Another Drive To Help Raise Funds

Final plans were made to earn the remaining money needed for the band's Columbus trip when the Wellsville Band Parents met Monday night in Daw Junior Junior High School.

The high school band will play at the state fair Aug. 27-28. A paper drive in May netted $48.90. Another drive will be held in July.

Mrs. Gere Ferrall reported on band uniforms, followed by a general condition. Two complete new uniforms and one jacket have been purchased. A band review will be held Sept. 1.

Mrs. Mary DeSenze will be in charge of the band awards dinner, with Mrs. Rose Fielding chairman of the telephone committee.

Mrs. Genevieve Heaton, president, reported on the May meeting of the band board. A wedding gift was sent to Joseph Kaba, director.

The next meeting will be July 12 at Daw Junior High School.

This year marks the golden anniversary of the first transcontinental telephone call across the United States.

People In News

BOSTON (AP)—Richard Cardinal Cushing, Roman Catholic archbishop of Boston, has appealed for unity among all Christians "from renewal of the inner life of our minds, from self-denial and unstinted love."

The cardinal spoke Tuesday night at the second annual National Workshop on Christian Unity, attended by Catholic and Protestant clergy and laymen.

He said: "It is becoming less and less possible for Christians to live in their own self-contained worlds."

LONDON (AP) — Lady Spencer-Churchill, Sir Winston's widow, took her seat in the House of Lords Tuesday, an honor refused by her husband throughout his life.

She accepted a life peerage from Britain's Labor government last month, just a few weeks after her 80th birthday and four months after the death of her husband.

LAS VEGAS, Nev. (AP) — Singer Judy Garland, making her first Las Vegas singing appearance in more than three years, received a standing ovation Tuesday night—just hours after she was released from a hospital.

She was on stage 40 minutes in the hotel nightspot, curtsying to continuous applause, shouts of "more, more," and even hand-clapping.

Miss Garland, 43, was released from the University of California at Los Angeles medical center Tuesday morning after treatment for an allergic reaction to medicine.

Class Programs Will Mark Close Of Bible School

Various classes will present a program Friday night at 7:30 in the Central Methodist Church of Wellsville to mark the conclusion of the Daily Vacation Bible School.

The classes and their presentations will be: Kindergarten, "Parable of the Mustard Seed;" song, "Come Unto Me;" beginners, "Sermon of the Good Shepherd" in the form of a play; song "I Want to Sing, Shine and Work;" primary, theme, "Sermon of the Good Shepherd;" choral reading of Bible verses and Psalm 23; song, "He Laid Down His Life for his Sheep."

Junior, sermon, "The Light of the World;" choral candlelight group, Bible verses; leader, Karen Maurer, narrator, Vickie Shook; song, "Fix Your Eyes Upon Jesus;" teen - age flag-bearers, Teila Geisse and Cassie Clark; Bible, Darlene Watson. Ushers, Kenny Maylone, Dennie Clark and Arthur Geisse.

Diplomas and appreciation certificates will be presented. At the close of the morning session Friday lunch will be served the children.

"Open house" will be held at 7 p. m. so that parents and friends may view the crafts and work books completed within the last two weeks.

Band Parents Set Another Drive To Help Raise Funds

Final plans were made to earn the remaining money needed for the band's Columbus trip when the Wellsville Band Parents met Monday night in Daw Junior Junior High School.

The high school band will play at the state fair Aug. 27-28. A paper drive in May netted $48.90. Another drive will be held in July.

Mrs. Gere Ferrall reported on band uniforms, followed by a general condition. Two complete new uniforms and one jacket have been purchased. A band review will be held Sept. 1.

Mrs. Mary DeSenze will be in charge of the band awards dinner, with Mrs. Rose Fielding chairman of the telephone committee.

Mrs. Genevieve Heaton, president, reported on the May meeting of the band board. A wedding gift was sent to Joseph Kaba, director.

The next meeting will be July 12 at Daw Junior High School.

This year marks the golden anniversary of the first transcontinental telephone call across the United States.

People In News

BOSTON (AP)—Richard Cardinal Cushing, Roman Catholic archbishop of Boston, has appealed for unity among all Christians "from renewal of the inner life of our minds, from self-denial and unstinted love."

The cardinal spoke Tuesday night at the second annual National Workshop on Christian Unity, attended by Catholic and Protestant clergy and laymen.

He said: "It is becoming less and less possible for Christians to live in their own self-contained worlds."

LONDON (AP) — Lady Spencer-Churchill, Sir Winston's widow, took her seat in the House of Lords Tuesday, an honor refused by her husband throughout his life.

She accepted a life peerage from Britain's Labor government last month, just a few weeks after her 80th birthday and four months after the death of her husband.

LAS VEGAS, Nev. (AP) — Singer Judy Garland, making her first Las Vegas singing appearance in more than three years, received a standing ovation Tuesday night—just hours after she was released from a hospital.

She was on stage 40 minutes in the hotel nightspot, curtsying to continuous applause, shouts of "more, more," and even hand-clapping.

Miss Garland, 43, was released from the University of California at Los Angeles medical center Tuesday morning after treatment for an allergic reaction to medicine.

If you have frozen that fruit pie, remove the wrappings when you are ready to use it and bake in a moderate oven for about half an hour.

ANSWERS YOUR PROBLEMS

Dear Ann Landers: Our son is a sophomore in high school. He has become a serious student of biology. Several weeks ago they studied the hookworm, the fluke and other parasites. Now our son refuses to eat meat unless it is burned black. He says people get sick and even die from eating undercooked meat.

Both my husband and I have tried to tell him this is not true. Neither of us has ever heard of anyone who got sick or died from eating rare meat. Will you settle this in your column? It is a nuisance to have to cook meat special for the boy.—ASSIST NEEDED.

-:-

Dear Assist: Eating rare meat does not make people sick. Only if the meat is infected will it cause illness. The U.S. government meat inspectors do a fine job of protecting the public against this hazard.

It is best to cook all meat fairly well—especially pork—but it does not need to be burned black.

Her Big Mistake

Dear Ann: I'm not very pretty and never have had many dates. It is horrible for an 18-year-old girl to sit home night after night while all her friends are having fun.

Then Paul came along. I was so thrilled to have a boy friend that I knocked myself out doing everything I could to keep him interested. Well, I did everything all right, and that was my big mistake.

After six months, Paul said, "This is the end of the line for you and me. I've met a 100 per cent pure, clean-living girl and I want to marry her."

I reminded Paul that I had been 100 per cent pure and clean-living until he came alone. He said, "If you were dumb enough to buy my sales pitch it's your tough luck, not mine."

Please print my letter as a warning to other girls who may be tempted to make the same mistake. I'm so ashamed I can't look in the mirror.—SMART TOO LATE.

-:-

Dear Friend: **Better to get smart too late than not at all. Some girls make this same mistake over and over again and they never catch on. Bury the past and put into practice your new-found wisdom.**

Confidentially

TO HADDY NUFF: It is incredible that a physician would bring your gallstones to a party as a conversation piece and tell people they were yours. This is in shocking bad taste, but cause for a lawsuit—I doubt it.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

Wellsville FOP Plans Carnival

The annual carnival of Wellsville Fraternal Order of Police Lodge 11 and its civilian affiliate, FOP Associates Lodge 51, will be held Monday through June 26 at Central Park.

Twelve rides willl be provided by the C. & R. Shows of Canfield. The carnival is being held at Central Park this year because it is larger than in the past.

Patrolman Edwin James and Bernard Ference of the FOPA are the carnival chairmen.

Tickets are available from members of the police department and FOPA members.

A matinee for children will be held Saturday afternoon.

The proceeds will be used by the lodges for community projects.

Saigon is one the most crowded cities on earth . Two million persons squeeze themselves into 20 square miles, an area less than one-third the size of the District of Columbia.

May Jobless Was Lowest In Nearly Eight Years

WASHINGTON (AP)—Unemployment last month dropped to the lowest level in nearly eight years.

The Labor Department said that 3.3 million persons were unemployed and 72.4 million were working. The unemployment percentage, seasonally adjusted, was 4.6 per cent.

The department said the brightest spot in its monthly figures was a continuation of the decline in long-term unemployment. It totaled 800,000, down 300,000 from last year.

—:—

WASHINGTON (AP) — Dr. Alan M. Thorndike of Brookhaven National Laboratory suggested Monday the government give university teaching a prestige boost by making annual awards for excellence.

He suggested 50 prizes of $10,000 each—25 in the sciences and 25 in the humanities—with the presentations made by the president at a dinner.

This, he said, would be "a constructive action in support of teaching."

Thorndike was one of six educators who appeared before a House Government Operations subcommittee. The panel is examining effects of federal research grants on colleges and universities.

—:—

WASHINGTON (AP) — The Senate Foreign Relations Committee plans to begin an inquiry into the Dominican Republic conflict within two weeks.

Chairman J. W. Fulbright, D-Ark., said Monday that the sessions will include a general review of conditions in the Caribbean and throughout Latin America.

—:—

WASHINGTON (AP) — President Johnson has exchanged messages with India's Prime Minister Lal Bahadur Shastri.

Shastri is visiting in Canada, and once was scheduled to come to Washington after his Canadian talks.

That meeting was postponed by Johnson, however. The President said he would be too busy at that time. A second invitation suggested a fall meeting, but Shastri said Monday in Ottawa that he would be too busy then.

Sources at the Indian Embassy in Washington said the message exchange was initiated by Johnson. They declined to reveal the content of the notes.

Senate Seat In '68 Eyed By Goldwater

SCOTTSDALE, Ariz. (AP) — Former Sen. Barry Goldwater says he will seek a U.S. Senate seat in 1968 "regardless of who runs on the opposition ticket" and promised "a high-level, clean campaign."

Drawing loud applause at a political science club meeting Tuesday night, Goldwater conceded it would be difficult to oppose Sen. Carl Hayden, D-Ariz., "but I would do it."

It was the first time Goldwater had said he would oppose Hayden, 88, an old friend and dean of the Senate — should Hayden decide to run.

Previously he had said he would run for the Senate only if an opening developed.

Speaking before an audience of 500, Goldwater appeared fit and fielded a variety of questions.

By throwing his hat into the political arena Goldwater ended seven months of "just relaxing" which included a motor tour of Europe.

It was his first break from politics since he won a seat on the Phoenix City Council in 1949.

In January 1964, after spending four years traveling the country expressing his views, Goldwater announced he was a candidate for the Republican nomination for president.

By early May, through primaries, state conventions, and congressional district caucuses, he had gained the support he needed to wrest the nomination from the so-called GOP moderates.

The Republican National Convention nominated Goldwater by a 883 to 214 margin over his nearest competitor, Gov. William Scranton of Pennsylvania.

Political forecasters predicted 64.4 per cent of the vote for President Johnson when Election Day dawned. When the ballots were counted Johnson had obtained 61.3 per cent of the vote.

All this seemed long ago to Goldwater as he appeared nattily clad in a gray suit and cheerful before the enthusiastic audience.

Asked about the GOP presidential outlook for 1968 Goldwater answered, "You can't count anybody out, except me."

Space Twins Go Separate Ways For Day

JACKSON, Mich. (AP) — For the first time since they blasted off 13 days ago, the Gemini 4 twins — astronauts James A. McDivitt and Edward H. White II — were separated today.

White returned to his native San Antonio, Tex., to receive the plaudits of the city where he was born, and McDivitt was here for a hometown welcome.

Thursday they will be together again in the White House Rose Garden.

There they are to receive from President Johnson the Exceptional Service Award of the National Aeronautics and Space Administration along with Charles W. Matthews, manager of the Gemini program office of the Manned Space Center.

The parting of McDivitt and White at Jackson's Reynolds Airport Tuesday night concluded a day in which they had been made doctors of astronautical science while 30,000 cheered in a stadium ceremony at the University of Michigan, from which both won degrees in 1959.

They also took part in dedication of the university's new $1.7-million Space Research Building.

There was a bit of added attraction for McDivitt today. It was his ninth wedding anniversary, the first this 36-year-old busy Air Force officer could recall "us being together for."

On tap for McDivitt was a downtown parade, a reception, a recognition luncheon and a commencement speech by him at Jackson Junior College of which he also is a graduate.

The medals which President Johnson will present the astronauts Thursday are not the highest award by NASA. The agency's top award is the Distinguished Service Medal and it went to the first six U.S. astronauts. A White House spokesman explained there would be a reevaluation of the astronauts' contributions at the end of the space program and possibly other awards.

800 Train Buffs Due For Lisbon's July Observance

LISBON — More than 800 representatives of railroad historical groups from throughout the United States have registered to take part in a centennial celebration of the first train through Lisbon, Robert Kelm, general chairman of the event, said today.

The celebration will be held July 17-25.

States to be represented include Mississippi, Georgia, North and South Carolina, Tennessee, Virginia, Texas, Arkansas, Michigan, Wisconsin, Missouri, West Virginia and Ohio.

Clark Lord, agent for the Midwest Railroad Historical Foundation, hopes to have two train tours — one into Lisbon for the celebration and one originating in Lisbon and going to Niles, Kelm said.

An old - fashioned steam engine locomotive is also scheduled for the affair which will begin July 17 with crowning of a queen to reign over the week-long affair. A dance will be held July 24 and a Civil War program July 25 at the Fairgrounds.

Mrs. Noreen Cameron has produced a picture of the first train into Lisbon, suitable for framing, and it can be purchased from any of the centennial group, Kelm said.

Reunion Set For Sunday

The annual reunion of the former Martin School of Hammondsville will be held Sunday at Georges Lake near Bergholz. A basket dinner will be served at noon.

Mrs. Fred Oliver is ill at home.

Clyde Crook has returned to work after recuperating from surgery.

Larry Lawrence was returned home Sunday after treatment at City Hospital for a head injury.

Mr. and Mrs. Stanley Baker and grandsons, Craig Roberts and Steven Roberts, were weekend guests at the home of R. A. Frontone and James P. Springer of Columbus.

Mr. and Mrs. Douglas Logan of Columbus are visiting his parents, Mr. and Mrs. Harry Logan of Chestnut Grove Ridge. Logan is a post-graduate student at Ohio State University.

Mr. and Mrs. Eugene Logan and daughter, Rhonda, of Muncie, Ind., have concluded a visit at the homes of J. W. Logan and Harry Logan of Chestnut Grove Ridge.

Mrs. James Leedy and son, Jimmie, of Canton are visiting her parents, Mr. and Mrs. Jay Taylor of Hollow Rock, and at the home of Mr. and Mrs. Kenneth Leedy of Chestnut Grove Ridge.

This 'n That

A soldier who had just fired a musket, smudged and ruined his hat brim when he tipped his hat with hands grimy from black gunpowder. So the gesture was abbreviated into the custom of merely touching the hand to the brow.

After Alaska's earthquakes, Seward's harbor, normally 30 to 120 feet deep, sank to levels ranging from 390 to 450 feet deep. At Valdez, the sea bottom slid out into the channel, deepening the port by as much a 150 feet.

Senate Seat In '68 Eyed By Goldwater

SCOTTSDALE, Ariz. (AP) — Former Sen. Barry Goldwater says he will seek a U.S. Senate seat in 1968 "regardless of who runs on the opposition ticket" and promised "a high-level, clean campaign."

Drawing loud applause at a political science club meeting Tuesday night, Goldwater conceded it would be difficult to oppose Sen. Carl Hayden, D-Ariz., "but I would do it."

It was the first time Goldwater had said he would oppose Hayden, 88, an old friend and dean of the Senate — should Hayden decide to run.

Previously he had said he would run for the Senate only if an opening developed.

Speaking before an audience of 500, Goldwater appeared fit and fielded a variety of questions.

By throwing his hat into the political arena Goldwater ended seven months of "just relaxing" which included a motor tour of Europe.

It was his first break from politics since he won a seat on the Phoenix City Council in 1949.

In January 1964, after spending four years traveling the country expressing his views, Goldwater announced he was a candidate for the Republican nomination for president.

By early May, through primaries, state conventions, and congressional district caucuses, he had gained the support he needed to wrest the nomination from the so-called GOP moderates.

The Republican National Convention nominated Goldwater by a 883 to 214 margin over his nearest competitor, Gov. William Scranton of Pennsylvania.

Political forecasters predicted 64.4 per cent of the vote for President Johnson when Election Day dawned. When the ballots were counted Johnson had obtained 61.3 per cent of the vote.

All this seemed long ago to Goldwater as he appeared nattily clad in a gray suit and cheerful before the enthusiastic audience.

Asked about the GOP presidential outlook for 1968 Goldwater answered, "You can't count anybody out, except me."

Space Twins Go Separate Ways For Day

JACKSON, Mich. (AP) — For the first time since they blasted off 13 days ago, the Gemini 4 twins — astronauts James A. McDivitt and Edward H. White II — were separated today.

White returned to his native San Antonio, Tex., to receive the plaudits of the city where he was born, and McDivitt was here for a hometown welcome.

Thursday they will be together again in the White House Rose Garden.

There they are to receive from President Johnson the Exceptional Service Award of the National Aeronautics and Space Administration along with Charles W. Matthews, manager of the Gemini program office of the Manned Space Center.

The parting of McDivitt and White at Jackson's Reynolds Airport Tuesday night concluded a day in which they had been made doctors of astronautical science while 30,000 cheered in a stadium ceremony at the University of Michigan, from which both won degrees in 1959.

They also took part in dedication of the university's new $1.7-million Space Research Building.

There was a bit of added attraction for McDivitt today. It was his ninth wedding anniversary, the first this 36-year-old busy Air Force officer could recall "us being together for."

On tap for McDivitt was a downtown parade, a reception, a recognition luncheon and a commencement speech by him at Jackson Junior College of which he also is a graduate.

The medals which President Johnson will present the astronauts Thursday are not the highest award by NASA. The agency's top award is the Distinguished Service Medal and it went to the first six U.S. astronauts. A White House spokesman explained there would be a reevaluation of the astronauts' contributions at the end of the space program and possibly other awards.

12 New Clubs Join In 4-H

LISBON — Twelve additional 4-H clubs are taking part in the Columbiana County programs for the first time this year.

They include two boys', eight girls' and two mixed groups from various communities.

The clubs are offering 4 - H work to urban and rural youngsters, according to Robert B. Lewis, county extension agent in 4-H work.

This will mark the first time that organization of 4-H clubs will continue through the summer months. Previously, the program was conducted primarily from October until April.

The following is a list of the new clubs and their volunteer advisers:

Boys — Rogers Frontiersmen, Mrs. Glen Hawkins, New Waterford R.D. 1; St. Clair Pioneers, Mr. and Mrs. Raymond Rudibaugh MC 20, Bob Trotter, Harold Ferguson and Frank C. Lyons, all East Liverpool R.D. 3.

Girls — Beaverettes, Mrs. Marie Malone, Lisbon R.D. 3, and Mrs. Raymond Stockman, Wellsville R.D.; Busy Beavers, Mrs. Paul Shaw, Rogers R.D. 1; Highland Busybodies, Mrs. Vivian Skeels, Lisbon R.D. 4; Korky's Kids, Mrs. Donald Hickman R.D. 3, East Liverpool, and Mrs. Ernest Brooks, Wellsville R.D. 1.

Leetonia Try and Do, Mrs. Jerold L. Smith R.D. 3 and Mrs. Frank Mangus Jr., R.D. 5, Salem; Lucky Penny Sr., Mrs. Raeanna Colbert, Mrs. Richard Wallace R.D. 2, Mrs. Lewis Marchbanks, Mrs. Francis Andric, Mrs. Jean Bittner, Mrs. Pauline Vulcan, Lisbon R.D. 5.

Unity Jollyettes, Mrs. James Fox and Mrs. Carl Lipp, R.D. 1, East Palestine; Helping Hands Girls Club, Mrs. Charles Glass, Wellsville R.D. 1.

Epidemic, Heat Wave Kill 700 In India

NEW DELHI (AP) — More than 700 deaths were reported today in a gastroenteritis epidemic in the northeast state of Assam and in a killer heat wave gripping northern India.

The 10-week epidemic in Assam has taken 560 lives, reports to Calcultta said, and more deaths were feared imminent. The disease resembles cholera. The heat toll hit 144 deaths today, and no relief was in sight.

Hospital Treats 4 Young People

Four young people hurt in separate mishaps were treated at City Hospital Tuesday.

Richard Donahue, son of Mrs. Helen Donahue of 668 River Rd., received a lacerated left knee on a bicycle fender and was treated last night.

Bruce Forney, son of Gerald Forney of 414 Gardendale Ave., suffered abrasions of the right elbow in a fall.

In a fall from a bicycle, Dorothy Rayl, daughter of Edward Rayl of LaCroft, received abrasions of the elbow, leg and face.

Charles Bell, son of Floyd Bell of 1734 Chester Ave., Wellsville, fell against a bed, suffering a laceration of the forehead.

Fined By Judge

LISBON — Harold Dennis, 50, of Salineville was fined $25 and costs Tuesday by County Judge James L. MacDonald for intoxication. He was cited by Salineville police and is confined to County Jail in lieu of fine and costs.

Cook frozen artichoke hearts and season with buttter; serve with a sprinkling of crumbled crisply cooked bacon. Good enough for company!

Woman, 54, Charged After Route 14 Crash

A New Waterford area woman was cited by the Ohio Highway Patrol at Lisbon Tuesday after her car rammed the rear of another on Route 14, a mile west of Route 165.

Margaret Kay Strohecker, 54, of New Waterford R. D. 1 and Joseph Bowker, 49, of 657 W. Martin St., East Palestine, were headed west at 3 p. m. when Bowker stopped for a car halted to make a turn and the woman's 1964 sedan hit the rear of his 1962 sedan.

Officers charged her with failure to stop in the assured clear distance. Damage to both cars was moderate, the patrol said.

7 From County Attend Homemakers' Class

LISBON—Seven from Columbiana County are attending the annual homemakers' short course at Ohio State University which will continue through Thursday.

They are Mrs. Jay Eells, Lisbon R. D. 3; Mrs. Silas Debolt, East Liverpool R. D. 2; Mrs. Kenneth Reash, Mrs. Boyd Knight, Mrs. Ernest Zeitler, all R. D. 2, and Mrs. William McCall, Columbiana, and Mrs. Harry George, East Palestine.

12 New Clubs Join In 4-H

LISBON — Twelve additional 4-H clubs are taking part in the Columbiana County programs for the first time this year.

They include two boys', eight girls' and two mixed groups from various communities.

The clubs are offering 4 - H work to urban and rural youngsters, according to Robert B. Lewis, county extension agent in 4-H work.

This will mark the first time that organization of 4-H clubs will continue through the summer months. Previously, the program was conducted primarily from October until April.

The following is a list of the new clubs and their volunteer advisers:

Boys — Rogers Frontiersmen, Mrs. Glen Hawkins, New Waterford R.D. 1; St. Clair Pioneers, Mr. and Mrs. Raymond Rudibaugh MC 20, Bob Trotter, Harold Ferguson and Frank C. Lyons, all East Liverpool R.D. 3.

Girls — Beaverettes, Mrs. Marie Malone, Lisbon R.D. 3, and Mrs. Raymond Stockman, Wellsville R.D.; Busy Beavers, Mrs. Paul Shaw, Rogers R.D. 1; Highland Busybodies, Mrs. Vivian Skeels, Lisbon R.D. 4; Korky's Kids, Mrs. Donald Hickman R.D. 3, East Liverpool, and Mrs. Ernest Brooks, Wellsville R.D. 1.

Leetonia Try and Do, Mrs. Jerold L. Smith R.D. 3 and Mrs. Frank Mangus Jr., R.D. 5, Salem; Lucky Penny Sr., Mrs. Raeanna Colbert, Mrs. Richard Wallace R.D. 2, Mrs. Lewis Marchbanks, Mrs. Francis Andric, Mrs. Jean Bittner, Mrs. Pauline Vulcan, Lisbon R.D. 5.

Unity Jollyettes, Mrs. James Fox and Mrs. Carl Lipp, R.D. 1, East Palestine; Helping Hands Girls Club, Mrs. Charles Glass, Wellsville R.D. 1.

Mixed clubs — Blackburn Hilltoppers, Mr. and Mrs. Lester Smith, MC 22, and Mr. and Mrs. James Mohr, 448 State St., Salem.

Fairfield Busy Bees, Mrs. Robert Exten, 45 Howard St., Columbiana.

Epidemic, Heat Wave Kill 700 In India

NEW DELHI (AP) — More than 700 deaths were reported today in a gastroenteritis epidemic in the northeast state of Assam and in a killer heat wave gripping northern India.

The 10-week epidemic in Assam has taken 560 lives, reports to Calcultta said, and more deaths were feared imminent. The disease resembles cholera. The heat toll hit 144 deaths today, and no relief was in sight.

Hospital Treats 4 Young People

Four young people hurt in separate mishaps were treated at City Hospital Tuesday.

Richard Donahue, son of Mrs. Helen Donahue of 668 River Rd., received a lacerated left knee on a bicycle fender and was treated last night.

Bruce Forney, son of Gerald Forney of 414 Gardendale Ave., suffered abrasions of the right elbow in a fall.

In a fall from a bicycle, Dorothy Rayl, daughter of Edward Rayl of LaCroft, received abrasions of the elbow, leg and face.

Charles Bell, son of Floyd Bell of 1734 Chester Ave., Wellsville, fell against a bed, suffering a laceration of the forehead.

Fined By Judge

LISBON — Harold Dennis, 50, of Salineville was fined $25 and costs Tuesday by County Judge James L. MacDonald for intoxication. He was cited by Salineville police and is confined to County Jail in lieu of fine and costs.

Cook frozen artichoke hearts and season with buttter; serve with a sprinkling of crumbled crisply cooked bacon. Good enough for company!

Woman, 54, Charged After Route 14 Crash

A New Waterford area woman was cited by the Ohio Highway Patrol at Lisbon Tuesday after her car rammed the rear of another on Route 14, a mile west of Route 165.

Margaret Kay Strohecker, 54, of New Waterford R. D. 1 and Joseph Bowker, 49, of 657 W. Martin St., East Palestine, were headed west at 3 p. m. when Bowker stopped for a car halted to make a turn and the woman's 1964 sedan hit the rear of his 1962 sedan.

Officers charged her with failure to stop in the assured clear distance. Damage to both cars was moderate, the patrol said.

7 From County Attend Homemakers' Class

LISBON—Seven from Columbiana County are attending the annual homemakers' short course at Ohio State University which will continue through Thursday.

They are Mrs. Jay Eells, Lisbon R. D. 3; Mrs. Silas Debolt, East Liverpool R. D. 2; Mrs. Kenneth Reash, Mrs. Boyd Knight, Mrs. Ernest Zeitler, all R. D. 2, and Mrs. William McCall, Columbiana, and Mrs. Harry George, East Palestine.

Keep In Trim

By IDA JEAN KAIN

Misinterpretation Causes Confusion

Ida Jean Kain

Nutrition is a living, changing, exciting science. As dietitian to a reducing family-at-large, I like to keep an open mind with regard to nutrition science, particularly as it relates to weight.

The popular versions of the low carbohydrate diet appear to allow unlimited amounts of rich foods, the single restriction being on carbohydrates. Naturally, a diet plan that promises magic results without calorie curbing has spread with the momentum of a new hope.

—:—

DOES THE Calculated Carbohydrate Diet, as developed by the U.S. Air Force Medical Service, permit you to eat all you want? To find the answer, I sat down with the dietitian, Col. Kathleen R. Creech, Chief, Air Force Medical Specialist. Together we went over the Air Force menus, item by item, and added up the calories. In menus for three days, total calories did not exceed 1800 a day.

Analysis of the basic plan for the Calculated Carbohydrate Reduction Diet is as follows:

—:—

BREAKFAST: Tomato juice, 4 oz., no proteins, no fat and 5 grams of carbohydrates; egg, poached or boiled, 14 grams of proteins, 10 of fat and no carbohydrates; skim milk, 8 grams of proteins, no fat and 13 grams of carbohydrates.

Lunch: Meat, 4 oz., 28 grams of proteins, 20 of fat, and no carbohydrates; green leafy vegetable, 1 cup, 1 gram of protein, no fat and 7 grams of carbohydrates.

Dinner: Meat, 5 oz., 35 grams of proteins, 25 of fat and no carbohydrates; bread, ½ slice, no proteins, no fats and 7 grams of carbohydrates; green leafy vegetable, 1 cup, 1 gram of protein, no fat and 10 grams of carbohydrates; fruit, 1 serving, 1 gram of protein, no fat and no carbohydrates.

Bedtime: skim milk, ½ cup, 4 grams of proteins, no fat and and 7 grams of carbohydrates; cheese, 1 oz., 7 grams of proteins, 5 grams of fat and no carbohydrates.

Total Grams will be 99 for protein, 60 for fat and 56 for carbohydrates.

To figure the calories, multiply by 4-9-4. Each gram of protein and each gram of carbohydrate contains 4 calories. Fat furnishes 9 calories per gram. (Alcohol contains 7 calories per gram.) A basic diet pattern adds up to 1,160 calories, and from this pattern the menus were devised.

THE PATTERN was designed to satisfy the appetite and encourage good eating habits. If this had been the diet that was copied and circulated so widely, it would have been clearly evident that servings were limited to average portions. Unfortunately, misleading diet lists and menus which did not specify a limit on the amount of meat, fish and poultry were circulated.

Since portions were not given, there was misinterpretation of the facts, and confusions resulted. It is the numerous variations of this low carbohydrate diet plan which carry the implication that you can eat all you want, drink all you want, and still reduce.

Tomorrow: We'll count the grams and the calories.

Georgetown Church School Presents Certificates To 40

Forty members of the Community Bible School class received certificates during the Church School hour Sunday at the Georgetown Methodist Church.

Mrs. Kendig Laughlin and Mrs. Harry Schmidt were in charge of the week-long school, being assisted by 15 members of the Methodist and St. Luke's Episcopal Church Schools.

Appreciation folders were presented to the helpers by Mrs. Laughlin. A program included a rhythm band, chorus songs, Bible answers and questions and poetry.

The class members' projects were put on display in the social room following the program.

The birthday of Gail McHaffie was observed with a family dinner Sunday at the home of his brother - in - law and sister, Mr. and Mrs. J. B. Montgomery of East Liverpool. Guests included Mr. and Mrs. Harry Sault, Mrs. Thomas Laughlin and daughter, Harriet and son, Thomas, all of Beaver.

Leona, Alberta and Eunice Abrams of Chester were Sunday guests of Mrs. Thomas Calhoon.

Mrs. William Cromer is visiting her son-in-law and daughter, Airman 2C and Mrs. Larry Matchett of New Egypt, N.J.

Pvt. Gary Hewitt, son of Mr. and Mrs. Paul Hewitt, has begun an eight - week personnel school training program at Ft. Knox, Ky., following completion of a leave at home. Other recent visitors of Mr. and Mrs. Hewitt were Mr. and Mrs. Lester Larson and Dorothy Weimer of Berlin, Pa., and Mrs. John McKay and daughter Mary Ann of Windber, Pa.

Mr. and Mrs. Robert Parlier of Winston Salem, N. C., Mrs. Glenn Jones of Mt. Airy, N.C., and Dr. and Mrs. James Ross of Miamisburg, Ohio, have concluded visit with Mrs. Wendell Welborn. Mrs. Welborn accompanied Mr. and Mrs. Parlier and Mrs. Jones for a trip to Niagara Falls.

Mr. and Mrs. Homer Weaver of Upland, Calif., have been guests of Mrs. Weaver's sister, Mrs. Walter Reed.

Mrs. Samuel Laughlin has concluded a visit with Mr. and Mrs. John Markovich of Pittsburgh. Recent visitors of Mr. and Mrs. Laughlin were their daughter, Mrs. Janice Stevenson, and Russell Andaway of Arlington, Va.

Mrs. Charles A. Finley was a dinner guest of her son and daughter-in-law, Mr. and Mrs. Charles Finley Jr., Sunday on their observance of their sixth wedding anniversary. The group later visited Wayne Laughlin of Pittsburgh.

Dispute With Girl Prompts Youth To Build Bigger Sub

DELMAR, Md. (AP) — A dispute with his girl friend has prompted Luther W. Mitchell Jr., 19, to build a bigger submarine.

"There was a controversy as to who was going to ride inside and who was going to ride outside with skin-diving gear," he said.

So Mitchell scrapped the submarine he had fashioned from a jet fuel pod and is building one from a larger fuel pod to accommodate two persons.

"I put the first one together in a hurry to get ready for a science fair and I knew then I'd have to take it apart again anyway," he said, explaining that it had to be dismantled and sealed to make it seaworthy.

"So I figured that as long as I was going to take it apart anyway, I might just as well use this larger pod.

"If everything goes right, it shouldn't take me more than a month."

Mitchell, who enters the Wallops Island branch of the University of Virginia this fall to study electrical engineering, has built almost all of the parts for the submarine himself, from the radios to the pressure tanks.

"I'm having problems getting the fuel tank," he said. "But I've got the motors and radios and everything. I've got all the parts now so it won't be a big job.

"I have a four-cycle Jeep engine that will operate a turbo-jet propulsion unit."

The turbo-jet motor will propel the sub by shooting a stream of water from the rear of the craft. By angling the stream, Mitchell says he can steer the vessel.

He hopes to use the submarine to explore the floor of the Atlantic Ocean off Cape Henlopen, Del., looking for wrecks.

"I'm kind of pressed right now," he said, "because I'm working at the airport from eight in the morning until eight at night. But if I put in two hours every night I can get quite a bit done."

And there'll be no more disputes with his girl, Ivy Shedaker, 17, who calls Mitchell, "the mad scientist."

Ohio Soldier Given Life Term In Slaying

FRANKFURT, Germany (AP) — A military court sentenced Pfc. Curtis E. Hopper, 21, of Cleveland Tuesday to life in prison for the rape and murder of 71-year-old cafe proprietress, Frederike Margarete Emmerich.

Hopper pleaded guilty to the charges.

Bringing Up A Family

By Dr. GARRY MYERS

Revolt Of Teen-Ager Can Be Overcome

Dr. Garry Myers

A California mother describes her teen-age boy as follows: Parents — Refusal to listen. Constant argument. Defies all family members. Continual prodding needed to perform minimal ordinary duties. B. Teachers—In school will not try. Penmanship deliberately sloppy. Deliberately goofing off. No progress in music (clarinet) lessons. Teacher says real talent wasted. Ignores all teacher's suggestions.

C. Clothes — Sloppy. No color sense. Wears same two shirts, refusing all others. "I let him pick his own clothes." Delights in disapproval of appearance.

D. Manners — "Manners are corny." "I am growing up."

E. Prefers to be anywhere but home. Very well behaved elsewhere. "How do we cope with all this?"

—:—

MY REPLY in part:

You surely didn't miss many of the usual complaints by parents of teen-agers! They sound familiar and look familiar in print. Any parent of a normal teen-ager would recognize these descriptive words and many a parent has some or all these traits and types of behavior in his or her own child, sometimes or often.

Its their frequency and intensity which cause hair to fall or to turn gray. But I can't imagine any youth who behaves in these ways all the time.

You note only one good thing about your child — "Very well behaved elsewhere." And only one good thing about yourself— "I let him pick his own clothes." Couldn't you think of more good ways and traits of each of you?

It's pretty late to hope to change him or yourself suddenly very much. You can't go back and live over the earlier years with him. But your problems are not hopeless — just difficult. I suppose you expected me to tell you how you might make him over by commands and force. The older the child the less his parents can hope to change him by these measures. A whole book might not suffice in offering advice.

—:—

THERE IS always hope if both parents will often sit down together and take stock of their resources for guiding the child. Among these will be a few means of control.

But the biggest resources will be in finding his strong points and building on them; in discovering more ways to improve personal relationships with him and winning his genuine esteem.

In general, it will consist chiefly of ways by which his parents can change themselves.

I wish I were able to give more definite advice. I might do better at advising you on your next baby.

Very best wishes.

My bulletin, "A Parent's Prayer," may be secured by sending a self - addressed, stamped envelope to me in care of The Review.

Laborites Fighting For Life

Wilson May Be Sliding To Electoral Disaster

LONDON (AP) — Like a man painfully trying to scale a high mountain, Prime Minister Harold Wilson seems in danger of sliding to electoral disaster.

Only the most biased of his Conservative opponents would dare to write the dynamic Wilson's political obituary yet. But the impression is spreading at home and abroad that his eight-month-old Labor government is fighting for its life and will be forced into a national election by the fall.

Among the most recent developments contributing to this impression:

—Britain's international trade took a sharp turn for the worse during May. The nation for the fifth successive month spent more abroad than it earned.

—The already wobbly pound sterling weakened again on world money markets. This pointed to a new financial crisis by October, when seasonal pressures on the pound are greatest.

—Laborites claim they have brought Britain's trade deficit down this year to half the 1964 average, when the Conservatives were ruling. But they also confess the national performance still is not nearly good enough.

—A gallup poll published last week gave the Conservatives a 4½ per cent lead over the Laborites — enough to put them back into power if an election were held now. In the previous poll Labor led the Conservatives by 1¾ points.

What has gone wrong for Wilson?

To begin with, he scraped into office last October with a margin of only three votes in the 630-member House of Commons.

He inherited a massive fiscal crisis that compelled him to raise a series of multibillion-dollar loans to sustain the pound against devaluation.

Ever since, his administration has looked as if it were trying to do the splits between short-term emergency measures and long-term measures promised in its election program.

One result: Labor has failed to fulfill the excessive expectations aroused during the campaign.

Instead of the brave new society in which inefficiency, frustration and selfishness was to vanish, Britain has seemed to stumble and bumble along from one crisis to another. The government, playing for time, has had to make do with policies that have a secondhand look.

Post Selects New Officers

Ray Cunningham was elected commander of American Legion Post 4, succeeding Charles Boso, at a meeting Monday night in the Siff Building.

Others elected are: Glenn Poling, first vice commander; George Shawke, second vice commander; Emmett Blake, third vice commander; Harold Taylor, adjutant; Perle Smith, chaplain; Dan McKeever, sergeant-at-arms; I. J. Vorndran, finance officer; Harry Aivalotis, historian; David Sakol, public-ity officer; Boso, three - year trustee, and Sakol, death benefit trustee for four years.

The officers were installed by Atty. G. William Brokaw, past commander.

A general discussion was held on Flag Day, with members reporting the lack of flags being displayed. The post plans to initiate a program in an effort to re-instill patriotism.

Brokaw reported on the Buckeye Boys State, where the post sponsored four East Liverpool students who are to return Friday night. They will be guests at a future meeting and relate their experiences.

Cunningham reported on the County Council meeting last Friday and on the 10th District convention which he attended Saturday and Sunday in Coshocton.

Cunningham and James Crear of Post 374 have been elected county delegates to the national convention Sept. 20-26 in Portland, Ore.

Isaac Jones reported on plans of the Veterans Council to raise funds to help pay for the new memorial.

John McCune has returned to Oakland Veterans Hospital, it was reported.

Refreshments were served by Blake and Robert Osborn.

3 From Motor Club To Attend Convention

Three officials of the Columbiana County Motor Club will be among the more than 200 delegates to the 59th annual convention of the Ohio State Automobile Association at Toledo next Tuesday and Wednesday.

They are H. Judson English of East Liverpool, executive manager; Albert P. Morris of Salem, manager, and Lynn R. Riddle of Lisbon, secretary - treasurer.

Several national and state AAA officials will address the convention.

In other business, the delegates will elect officers, act on policy resolutions and honor four auto clubs for outstanding member and community service.

Mrs. Kendig Laughlin and Mrs. Harry Schmidt were in charge of the week-long school, being assisted by 15 members of the Methodist and St. Luke's Episcopal Church Schools.

Appreciation folders were presented to the helpers by Mrs. Laughlin. A program included a rhythm band, chorus songs, Bible answers and questions and poetry.

The class members' projects were put on display in the social room following the program.

The birthday of Gail McHaffie was observed with a family dinner Sunday at the home of his brother - in - law and sister, Mr. and Mrs. J. B. Montgomery of East Liverpool. Guests included Mr. and Mrs. Harry Sault, Mrs. Thomas Laughlin and daughter, Harriet and son, Thomas, all of Beaver.

Leona, Alberta and Eunice Abrams of Chester were Sunday guests of Mrs. Thomas Calhoun.

Mrs. William Cromer is visiting her son-in-law and daughter, Airman 2C and Mrs. Larry Matchett of New Egypt, N.J.

Pvt. Gary Hewitt, son of Mr. and Mrs. Paul Hewitt, has begun an eight - week personnel school training program at Ft. Knox, Ky., following completion of a leave at home. Other recent visitors of Mr. and Mrs. Hewitt were Mr. and Mrs. Lester Larson and Dorothy Weimer of Berlin, Pa., and Mrs. John McKay and daughter Mary Ann of Windber, Pa.

Mr. and Mrs. Robert Parlier of Winston Salem, N. C., Mrs. Glenn Jones of Mt. Airy, N.C., and Dr. and Mrs. James Ross of Miamisburg, Ohio, have concluded visits with Mrs. Wendell Welborn. Mrs. Welborn accompanied Mr. and Mrs. Parlier and Mrs. Jones for a trip to Niagara Falls.

Mr. and Mrs. Homer Weaver of Upland, Calif., have been guests of Mrs. Weaver's sister, Mrs. Walter Reed.

Mrs. Samuel Laughlin has concluded a visit with Mr. and Mrs. John Markovich of Pittsburgh. Recent visitors of Mr. and Mrs. Laughlin were their daughter, Mrs. Janice Stevenson, and Russell Andaway of Arlington, Va.

Mrs. Charles A. Finley was a dinner guest of her son and daughter-in-law, Mr. and Mrs. Charles Finley Jr., Sunday on their observance of their sixth wedding anniversary. The group later visited Wayne Laughlin of Pittsburgh.

Dispute With Girl Prompts Youth To Build Bigger Sub

DELMAR, Md. (AP) — A dispute with his girl friend has prompted Luther W. Mitchell Jr., 19, to build a bigger submarine.

"There was a controversy as to who was going to ride inside and who was going to ride outside with skin-diving gear," he said.

So Mitchell scrapped the submarine he had fashioned from a jet fuel pod and is building one from a larger fuel pod to accommodate two persons.

"I put the first one together in a hurry to get ready for a science fair and I knew then I'd have to take it apart again anyway," he said, explaining that it had to be dismantled and sealed to make it seaworthy.

"So I figured that as long as I was going to take it apart anyway, I might just as well use this larger pod.

"If everything goes right, it shouldn't take me more than a month."

Mitchell, who enters the Wallops Island branch of the University of Virginia this fall to study electrical engineering, has built almost all of the parts for the submarine himself, from the radios to the pressure tanks.

"I'm having problems getting the fuel tank," he said. "But I've got the motors and radios and everything. I've got all the parts now so it won't be a big job.

"I have a four-cycle Jeep engine that will operate a turbo-jet propulsion unit."

The turbo-jet motor will propel the sub by shooting a stream of water from the rear of the craft. By angling the stream, Mitchell says he can steer the vessel.

He hopes to use the submarine to explore the floor of the Atlantic Ocean off Cape Henlopen, Del., looking for wrecks.

"I'm kind of pressed right now," he said, "because I'm working at the airport from eight in the morning until eight at night. But if I put in two hours every night I can get quite a bit done."

And there'll be no more disputes with his girl, Ivy Shedaker, 17, who calls Mitchell, "the mad scientist."

Ohio Soldier Given Life Term In Slaying

FRANKFURT, Germany (AP) — A military chort sentenced Pfc. Curtis E. Hopper, 21, of Cleveland Tuesday to life in prison for the rape and murder of 71-year-old cafe proprietress, Frederike Margarete Emmerich.

Hopper pleaded guilty to the charges.

Bringing Up A Family

By Dr. GARRY MYERS

Revolt Of Teen-Ager Can Be Overcome

Dr. Garry Myers

A California mother describes her teen-age boy as follows: A Parents — Refusal to listen. Constant argument. Defies all family members. Continual prodding needed to perform minimal ordinary duties. B. Teachers—In school will not try. Demands membership delinquately slop-py. Deliberately goofing off. No progress in music (clarinet) lessons. Teacher says real talent wasted. Ignores all teacher's suggestions.

C. Clothes — Sloppy. No color sense. Wears same two shirts, refusing all others. "I let him pick his own clothes." Delights in disapproval of appearance.

D. Manners — "Manners are corny." "I am growing up."

E. Prefers to be anywhere but home. Very well behaved elsewhere. "How do we cope with all this?"

—·—

MY REPLY in part:

You surely didn't miss many of the usual complaints by parents of teen-agers! They sound familiar and look familiar in print. Any parent of a normal teen-ager would recognize these descriptive words and many a parent has some or all these traits and types of behavior in his or her own child, sometimes or often.

Its their frequency and intensity which cause hair to fall or to turn gray. But I can't imagine any youth who behaves in these ways all the time.

You note only one good thing about your child — "Very well behaved elsewhere." And only one good thing about yourself—"I let him pick his own clothes." Couldn't you think of more good ways and traits of each of you?

It's pretty late to hope to change him or yourself suddenly very much. You can't go back and live over the earlier years with him. But your problems are not hopeless — just difficult. I suppose you expected me to tell you how you might make him over by commands and force. The older the child the less his parents can hope to change him by these measures. A whole book might not suffice in offering advice.

—·—

THERE IS always hope if both parents will often sit down together and take stock of their resources for guiding the child. Among these will be a few means of control.

But the biggest resources will be in finding his strong points and building on them; in discovering more ways to improve personal relationships with him and winning his genuine esteem.

In general, it will consist chiefly of ways by which his parents can change themselves.

I wish I were able to give more definite advice. I might do better at advising you on your next baby.

Very best wishes.

My bulletin, "A Parent's Prayer," may be secured by sending a self - addressed, stamped envelope to me in care of The Review.

Laborites Fighting For Life

Wilson May Be Sliding To Electoral Disaster

LONDON (AP) — Like a man painfully trying to scale a high mountain, Prime Minister Harold Wilson seems in danger of sliding to electoral disaster.

Only the most biased of his Conservative opponents would dare to write the dynamic Wilson's political obituary yet. But the impression is spreading at home and abroad that his eight-month-old Labor government is fighting for its life and will be forced into a national election by the fall.

Among the most recent developments contributing to this impression:

—Britain's international trade took a sharp turn for the worse during May. The nation for the fifth successive month spent more abroad than it earned.

—The already wobbly pound sterling weakened again on world money markets. This pointed to a new financial crisis by October, when seasonal pressures on the pound are greatest.

—Laborites claim they have brought Britain's trade deficit down this year to half the 1964 average, when the Conservatives were ruling. But they also confess the national performance still is not nearly good enough.

—A gallup poll published last week gave the Conservatives a 4½ per cent lead over the Laborites — enough to put them back into power if an election were held now. In the previous poll Labor led the Conservatives by 1% points.

What has gone wrong for Wilson?

To begin with, he scraped into office last October with a margin of only three votes in the 630-member House of Commons.

He inherited a massive fiscal crisis that compelled him to raise a series of multibillion-dollar loans to sustain the pound against devaluation.

Ever since, his administration has looked as if it were trying to do the splits between short-term emergency measures and long-term measures promised in its election program.

One result: Labor has failed to fulfill the excessive expectations aroused during the campaign.

Instead of the brave new society in which inefficiency, frustration and selfishness was to vanish, Britain has seemed to stumble and bumble along from one crisis to another. The government, playing for time, has had to make do with policies that have a secondhand look.

Post Selects New Officers

Ray Cunningham was elected commander of American Legion Post 4, succeeding Charles Boso, at a meeting Monday night in the Siff Building.

Others elected are: Glenn Poling, first vice commander; George Shawke, second vice commander; Emmett Blake, third vice commander; Harold Taylor, adjutant; Perle Smith, chaplain; Dan McKeever, sergeant-at-arms; I. J. Vorndran, finance officer; Harry Aivalotis, historian; David Sakol, publicity officer; Boso, three - year trustee, and Sakol, death benefit trustee for four years.

The officers were installed by Atty. G. William Brokaw, past commander.

A general discussion was held on Flag Day, with members reporting the lack of flags being displayed. The post plans to initiate a program in an effort to re-instill patriotism.

Brokaw reported on the Buckeye Boys State, where the post sponsored four East Liverpool students who are to return Friday night. They will be guests at a future meeting and relate their experiences.

Cunningham reported on the County Council meeting last Friday and on the 10th District convention which he attended Saturday and Sunday in Coshocton.

Cunningham and James Crear of Post 374 have been elected county delegates to the national convention Sept. 20-26 in Portland, Ore.

Isaac Jones reported on plans of the Veterans Council to raise funds to help pay for the new memorial.

John McCune has returned to Oakland Veterans Hospital, it was reported.

Refreshments were served by Blake and Robert Osborn.

3 From Motor Club To Attend Convention

Three officials of the Columbiana County Motor Club will be among the more than 200 delegates to the 59th annual convention of the Ohio State Automobile Association at Toledo next Tuesday and Wednesday.

They are H. Judson English of East Liverpool, executive manager; Albert P. Morris of Salem, manager, and Lynn R. Riddle of Lisbon, secretary - treasurer.

Several national and state AAA officials will address the convention.

In other business, the delegates will elect officers, act on policy resolutions and honor four auto clubs for outstanding member and community service.

AEC Being Overwhelmed By 'Megabuck' Scramble

WASHINGTON (AP) — A mad scramble for the megabuck has overwhelmed the Atomic Energy Commission.

From West Palm Beach, Fla., to Richland, Wash., the applications have flooded in, 65 of them from 39 states with more to come in the mail.

The prize they seek: a $280-million atom smasher, to be the largest and most powerful in the world. In atomic age slang, $1 million is a megabuck.

The proposed proton accelerator which would be devoted to basic research would be a huge circular structure a mile in diameter. It would have a capacity in the range of 200 billion electron volts — BEV. The largest one in the United States now, at Brookhaven, N. Y., is 33 BEV. The Russians are supposed to be building a 70-BEV accelerator.

Eventually 2,000 scientists, technicians and engineers will man the 200-BEV accelerator. Thousands more visiting scientists will pour in yearly. The payroll alone with be tremendous.

That is one reason why places like Washtenaw County, Mich., Missoula, Mont., and the Bad Lands of South Dakota — to name a few — have applied to provide the site.

The deadline was Tuesday night, but AEC sources said applications postmarked Tuesday would probably get under the wire.

Some of the applicaitons mentioned only the state, with no specific site suggested. Others were presented at a hearing before AEC commissioners Tuesday with elaborate brochures, and with senators, congressmen, governors and university presidents to extoll their virtues.

In effect, most of the applications shouted: "Look at us! Look at all the facilities, housing, educational institutions, and cultural advantages we have!"

Those are some of the things the AEC is looking for near the site. Others are an area of 3,000 acres, a firm electric power supply, a minimum of 2,000 gallons per minute of high quality water, good surface transportation and a major airport.

Nothing like this scramble has ever been experienced before in the staid, rarefied atmosphere of the AEC, a spokesman said.

The AEC has asked the National Academy of Sciences to withdraw the applications and come up with a recommendation by the end of the year. The field will first be narrowed down to 15 finalists by a board of review.

Congress has appropriated $1.9 million for preliminary design work, but the rest of the cost is still to come.

Gemini Space Program Seen Ahead Of Schedule

WASHINGTON (AP) — The head of the Office of Manned Space Flight says the Gemini space program is ahead of schedule. But he said it is too early to say if the date for a landing on the moon can be moved up from the late 1969 target.

Dr. George E. Mueller, who is also associate administrator of the National Aeronautics and Space Administration, noted that the 4-day Gemini 4 mission just concluded had originally been scheduled for the third quarter of the year.

He also said the United States has a long way to go before it can safely say it is ahead of the Soviet Union in space research.

—:—

WASHINGTON (AP) — A new Defense Department building will be named for the late James V. Forrestal, the nation's first secretary of defense, according to an announcement made Tuesday by President Johnson.

Johnson unveiled a model of the structure which will actually be three buildings tied together by plazas and walkways. It will span 10th street in southwest Washington by special permission of congress.

The building is expected to cost $30 million to $32 million and will house some 6,600 Army and Air Force employes now scattered around Washington. Construction is due to start this year with completion in 1967.

—:—

WASHINGTON (AP) — Postmaster General John A. Gronouski says nearly 25 per cent of the 34,000 U.S. post offices are obsolete.

He announced Tuesday a 5-year program to erect 4,500 buildings at a cost of between $800 million and $850 million.

During the hadj—the pilgrimage every able-bodied Moslem man must perform once in his lifetime, provided he can afford it—each pilgrim must circle the Kaaba seven times, three at a trot and four walking. This must be done on at least three occasions.

Degree Is Awarded To Mrs. Alta Mercer

An area woman was among those receiving degrees during recent graduation exercises at the University of Pittsburgh.

She is Mrs. Alta Mercer of Meadowbrook Estates, near Midland, who received a Master's degree in elementary education, with a major in reading and a minor in psychology.

Mrs. Mercer, who now is teaching in the Western Beaver County school system at Fairview, plans to continue her graduate studies. She previously taught for three years in the Beaver Local school system.

Attending the graduation exercises were her husband, Robert C. Mercer; her daughter, Terriann; her mother, Mrs. Mary Smith, and Kenneth Vuletic, all of Meadowbrook Estates.

Program Explained

Hancock County CD Chief Visits Chester Council

Andrew J. Kondik of Weirton, recently - appointed Hancock County Civil Defense director, discussed the program as related to Chester in a surprise visit during a meeting of Chester Council Monday night in the chambers at City Hall.

Kondik pointed out that only one fallout shelter approved by the Civil Defense organization presently exists in Chester, at the Junior High School.

He proposed initiating a program with the purpose of enlightening the public regarding civil defense matters and explaining what assistance is available through Civil Defense.

—:—

A FEW residents presented problems concerning alley parking and blocked driveways. Council took the complaints under study.

Approval was granted for the purchase by the street department of necessary parts for repairing a grader.

Ordinance 227, which concerns changes in the tax structure on the retail sale of intoxicating liquor, was signed by Mayor Harry Abrams and Roy Cashdollar, city clerk. The statute will become effective July 1.

The changes had been approved previously by Council at the June 1 meeting following an explanation from City Solicitor James Jordan.

Council approved payment of $50 to Lewis Lyons, who served as vacation replacement in the capacity of caretaker for the fire department.

Remittances totaling $109.38 were ordered turned into the city treasury and bills totaling $3,681.96 ordered paid.

—:—

THE CONTRACT for the summer street resurfacing program was awarded the Ohio Tar and Asphalt Co. of Canton on a bid of $9,807.75, to be allotted for resurfacing projects as follows:

Johnson Reviews Program During Conservation Camp

The program during the ninth annual Hancock County Conservation Camp at Tomlinson Run Park this past weekend was reviewed today by Oliver Johnson, county extension agent.

A total of 102 boys and girls was sponsored by 37 organizations and various individuals. A camp staff of 12 volunteer leaders was headed up by Arthur D. Ryan, director, and Mrs. William J. Wilson, who supervised the dining hall and the feeding of the campers.

—:—

EMPHASIS WAS placed on helping the youngsters become acquainted with the natural and recreational resources West Virginia has to offer, Johnson said.

The program began Friday evening with a nature walk. Assisting the camp staff were Mrs. Huber Shelton of the Forest Audubon Club and C. L. Deeds of the County Conservation Committee.

Johnson presented a color slide program on "Fun in West Virginia" and "Common Flowering Plants of Our Area." Motion pictures were screened on the danger of fire to fields and forests, on how to safely build a campfire, how to fight a small fire out of control and also on the menace which litterbugs present to our highways and parks.

Mrs. Elizabeth Roberts directed a recreation period Friday night. Swimming occupied the program Saturday morning.

Alton C. West discussed the wild edible plants found in the area and also how plants were once used as medicines.

—:—

JAMES MICHAEL of the Brooke - Hancock County Soil Conservation Office emphasized that soil and water conservation and land use apply to industries, homes and recreational resources just as much as to food production.

One of the highlights of the camp was Wayne F. Cline's program on tents, camping and equipment.

Eight different types of tents were erected and displayed, along with sleeping bags, air mattresses, lanterns, stoves, cooking utensils and foods. Cline, as scoutmaster of Troop 34, has taken his boys on a number of expeditions into the mountain areas of West Virginia, Johnson said.

Councilors at this camp were: Arthur Ryan, Miss Janet Wilson, Miss Eloise Kokochak, Theodore Kokochak, Mrs. J. Ross Hindman, Mrs. John Ford, Mrs. Oliver Johnson, Gust Brenda Jr., James Michael, Mrs. Richard Barnhart and Mrs. Joanne Six.

—:—

SPONSORING organizations were: American Legions of Chester, Weirton and Newell; the Chester VFW; these Homemaker groups, Newell, Agathelian, Willing Workers, Asbury, Pleasantview, Greenbrier, Rhododendron, Fairview, Hilltop and Grandview; Weirton Kiwanis; Elks Club of Weirton; woman's clubs of Weirton, Newell and Chester; the Garden Department of the Weirton Woman's Club; the Woman's Civic Club of Chester; Chester Arts Club; North Panhandle Soil Conservation District; Fairview Grange; Jefferson Grange; Gold Star Mothers; Hancock County Sportsmen; Farmers and Sportsmen Club of Chester and Newell; Camp Fire Girls, Inc., and Girl Scouts of America; these 4-H clubs, Willing Workers, Green Clover, Pleasant Valley Centennials, Pioneer Sr., Pioneer Jr., Cherokee, and Pathfinder, and various individuals.

County Board Has Meeting

LISBON — The Columbiana County Board of Education discussed new school bills and school operation at its monthly meeting Tuesday in the offices at the courthouse.

Supt. James L. McBride reported he was invited by Harold Bowers, assistant superintendent of public instruction, to attend a meeting in Columbus June 28-30 relative to Title I of the Elementary and Secondary Act.

He also reported on the Ohio School Board Association's clinic for clerks of the northeast Ohio region July 8 at Cuyahoga Falls High School.

McBride discussed the county staff's work for the summer, including re-evaluation of the course of study set up in 1960.

The staff also is surveying records being kept by the four county systems — Beaver, Fairfield-Waterford, Southern and United.

Lorin Ruff, elementary consultant, discussed the survey made of new teachers.

An orientation meeting is for the new teachers will be held again next term under auspices of the county office.

McBride is attending the Ohio Association of School Administrators meeting at Cedar Point today through Friday.

Salineville Man Buys 2 Old Police Cruisers

Alvin Johnston of Salineville took delivery Tuesday of two cars formerly used as police cruisers which he bought from the city on high bids totaling $822.

Johnson paid $356 for a 1963 Plymouth four-door sedan and $466 for a 1963 Chevrolet four-door sedan.

Safety - Service Director Robert E. Vodrey sold the cars on informal sealed bids after they were replaced by two 1965 model Chevrolets.

FRANK ROBERTS
He's General Chairman.

Roberts To Head Annual St. Rocco Fete At Wellsville

Frank Roberts of Broadway, newly - elected deputy grand knight, was named general chairman of the annual St. Rocco Festival during a meeting of Wellsville Knights of Columbus Council 507 Tuesday night.

The festival will be held Aug. 9-15. Roberts served as general chairman of the event in 1963. He has been active in K. of C. work several years. He is employed at the Midland Works of the Crucible Steel Co.

Sam Amato was re - elected grand knight. Other officers named, in addition to Roberts and Amato, are William Cataldo, chancellor; James Stevens, warden; Andrew Lynn, treasurer; Leonard DeFalco, advocate; Glenn Rutledge, recorder; Pete Oleski, inner guard; George Crews, outer guard; Anthony Cataldo, one - year trustee; James McPeak, two-year trustee, and Joseph Giuliani, three-year trustee.

Top Senators Press Excise Tax Action

WASHINGTON (AP) — Senate leaders hoped to get started today on a Senate-House conference to complete congressional action on the $4.7-billion excise tax cut bill.

"There is a strong push to get this bill to the White House as soon as possible," said Sen. Russell B. Long, D-La., floor manager of the bill the Senate passed 84 to 3 Tuesday night.

It was understood the drive was to get the bill on President Johnson's desk by Friday. Both Senate and House must approve the recommendations of the conference committee.

Long said he hoped the first-stage excise cuts would go into effect about 10 days before July 1. This assumes the House will go along with the Senate on this date. The House bill specifies July 1 as the effective date for the first stage.

This is one of the major differences in the two bills, and Senate sources said they understood House conferees would accept their version.

Another major difference is in the treatment of the excise tax on autos, the biggest item in the bill amounting to $1.9 billion a year.

Johnson asked for a cut of half of the present 10 per cent auto tax to 5 per cent. The House voted for repeal of the entire 10 per cent tax in stages ending in 1969.

The Senate also refused to go along with the President on this. But it voted to retain 1 per cent of the tax, yielding about $190 million a year, to get rid of unslightly roadside auto graveyards.

Then the Senate adopted an amendment eliminating the remaining 4 per cent conditioned on the agreement of auto makers to build the same safety devices into their cars which the federal government requires on autos it buys.

Both houses agreed that two items, the repeal of the first 3 per cent of the auto tax and 10 per cent of the tax on air conditioners, would be retroactive to May 15, when Johnson first announced his recommendations.

A second series of cuts would go into effect next Dec. 31 or Jan. 1, and a third series would be scheduled in 1967, 1968 and 1969.

After enactment of the bill, the only major excises left will be those on cigarettes, liquor, wine, beer, air travel, gasoline and other highway-related items.

Senate sources said they believed the House conferees would insist on its full 10 per cent cut of the auto tax and eliminating the Senate amendments.

The tax cuts promise lower prices on cars, appliances, air conditioners, television and radio sets, cosmetics, handbags, jewelry and watches, furs, cameras, pens and pencils, telephone service and many other items.

Sheerer Gets Consideration In Judge Post

A former resident and a graduate of East Liverpool High School is among two being considered for appointment as a judge of Juvenile Court in Allegheny County, Pittsburgh.

He is Martin W. (Tim) Sheerer, who resides with his wife and two children at 111 Marlboro Rd. in O'Hara Township, near Pittsburgh.

Sheerer is now an assistant district attorney and is reported to be second in line for the appointment, which Gov. William W. Scranton has promised to make in "the very near future."

Sheerer, 28, a part-time basketball official, was named by District Atty. Robert W. Duggan in January 1964 to head a special juvenile unit.

Whoever gets the appointment will serve with Judge Bennett Rodgers at an annual salary of $22,500 and must stand for election to a full 10-year term in November.

The vacancy for a second judgeship was created by the Pennsylvania legislature and signed into law by Gov. Scranton.

Sheerer, son of Mr. and Mrs. Martin B. Sheerer of 1725 St. Clair Ave., was graduated from high school here in 1954, from the University of Pittsburgh in 1959 with a degree in industrial engineering and from the Duquesne University Law School in 1963.

Maurice B. Cohill Jr., an attorney from Ben Avon Heights, is mentioned by informed sources in Harrisburg as front runner for the appointment as judge.

Customer's Comfort: A Doughnut Handle

NEW YORK (AP) — Some companies apparently care a lot about the comfort of their customers. Toward this end, a company called Dunkin' Donuts has applied for a patent on a doughnut with its own dunking handle. The company is distributit it through nearly 250 shops around the country.

The firm's chairman of the board, William Rosenberg, explains that now, thanks to the handy doughnut with a doughnut - dough handle, "a customer can be well mannered and also keep his fingers dry when he's dunkin'."

The Dartmouth Rugby Club completed an unbeaten season when it beat Harvard, 16-3, this spring for its sixth straight victory.

LEXINGTON, Ky. (AP) — There are 30 tobaccco - marketing centers in Kentucky's burley-producing country, and out-of-state visitors drop in from late November until early February to hear the unusual chant of the auctioneers.

Vipers Of Italy

ROME (AP) — Many woodland sections of Italy are still infested by vipers, the poisonous snake whose bite sometimes causes death. Danger areas often are marked with signs put up by the state reading: "Danger: Zone infested by vipers."

Focal Point

Daily, Crucible's Midland works is a focal point for some 6,800 people—it's their place of employment. They come from 39 communities in the greater Midland area. Some travel as much as 100 miles, others walk a few blocks from home to the plant gates.

Crucible has provided employment for area residents for some 54 years. From a small iron producer in 1911, it has grown to a major specialty steelmaker. Growth is necessary. At Crucible continuing modernization and plant expansion keep the company competitive and able to supply the jobs that help contribute to the area's prosperity and progress.

Ohio Senate Fair Housing Vote Slated

COLUMBUS, Ohio (AP) — A long-awaited Senate vote on "fair housing" legislation and House action on a bill placing public assistance programs in county hands were on tap today in the Ohio General Assembly.

Senators also were set to vote on measures establishing three new state universities, rounding out one of the most important floor sessions of the year.

The watered - down housing bill, bottled up for more than two months in the Senate Rules Committee, was expected to produce a floor fight over amendments by Democrats who want to make it stronger.

Democrats introduced earlier a more stringent measure to ban discrimination in housing, but the Senate Commerce and Labor Committee reported out the weaker bill by Sen. Charles W. Whalen Jr., R-Montgomery.

Municipal universities at Toledo and Akron would be transferred to the state and a Wright Brothers State University would be created at Dayton under the three other measures facing the Senate. Bills to create Mansfield State University and the State University of Southwestern Ohio still are in the Rules Committee.

Tuesday's legislative activity included Democratic defeat of a proposal which would have allowed the state to temporarily release life termers from Ohio Penitentiary to stand trial court.

Senate Majority Leader Theodore M. Gray, R-Miami, sponsored the measure. It stemmed in part from the case of 38-year-old Alfred Oponowicz of Cleveland, life-termer at the penitentiary under federal indictment on charges of assault with a deadly weapon and counterfeiting.

Senators completed legislative action on a measure removing quantity limitations on purchase of wine, cordials, bottled cocktails, and other mixed beverages sold for off-premises consumption.

House members voted during a routine session to pay $507,703 in sundry claims against the state and to boost license renewal fees for dentists and dental hygienists.

The House passed Senate bills to allow financial institutions, retirement systems, and others to invest in World Bank and Inter - American Development Bank securities.

A measure authorizing the Ohio Youth Commission to help counties establish and operate youth rehabilitation centers was introduced by Rep. David D. Albritton, R-Montgomery.

2 Face Grand Jury

CINCINNATI (AP)—James I. Clark, 25, and Clarence Hunter, 28, accused of murder in the death of Leroy Jennings, 28, were ordered Tuesday held for grand jury action.

Jennings' body was found in a wooded area last week. He had been shot twice in the head. Clark and Hunter were arrested over the weekend in Davenport, Iowa.

Work Stoppage Is Called Against East Ohio Gas Co.

CLEVELAND (AP)—A work stoppage against the East Ohio Gas Co. was called by Natural Gas Workers Union Local 555 early today after failure to reach agreement on a contract to replace one that expired at midnight Tuesday night.

A spokesman for the 2,400-member local said the union had been locked out, but the company denied this.

Negotiations continued into the early morning hours, with federal mediator Kenneth Moffet sitting in on the talks.

Despite the union's charge of a lockout, pickets on duty at the East Ohio building carried signs saying the local was on strike.

The work stoppage was called after the union's executive board rejected a contract proposal by the company. Details of the proposal were not disclosed.

Workers represented by Local 555, which affiliated a year ago with the AFL - CIO Building Service Employes International union, include meter readers, customer service men, pipefitters and a variety of other categories.

They are scattered over a 17-county area in Northeast Ohio, which includes Cleveland, Akron, Canton, Youngstown, Ashtabula, Massillon, Wooster, Kent and Ravenna.

Consecrated Bishop

CINCINNATI (AP)— Edward A. McCarthy was consecrated a Roman Catholic bishop Tuesday and it marks the first time that two auxiliary bishops will serve in the Cincinnati Archdiocese. The other bishop here is the most Rev. Paul F. Leibold.

Worker Suffocates In Fall Into Sand

WASHINGTON COURT HOUSE, Ohio (AP)—A worker at the Armbrust Concrete Products Co. suffocated Tuesday when he fell into a 60-foot sand bin and was buried beneath the sand.

Rescue workers reached the body of Robert D. Yoakum, 28, more than an hour after he fell into the bin.

Figure In Fraud Case To See New Lawyer

CINCINNATI (AP)—Leslie D. Stickler, former Cincinnati attorney convicted of fraud for violating the Ohio Securities Act, has permission to go to Boston to confer with his new attorney, F. Lee Bailey.

Stickler was sentenced to five years in 1961. He is free on bond, pending several appeals.

Work Stoppage Is Called Against East Ohio Gas Co.

CLEVELAND (AP)—A work stoppage against the East Ohio Gas Co. was called by Natural Gas Workers Union Local 555 early today after failure to reach agreement on a contract to replace one that expired at midnight Tuesday night.

A spokesman for the 2,400-member local said the union had been locked out, but the company denied this.

Negotiations continued into the early morning hours, with federal mediator Kenneth Moffet sitting in on the talks.

Despite the union's charge of a lockout, pickets on duty at the East Ohio building carried signs saying the local was on strike.

The work stoppage was called after the union's executive board rejected a contract proposal by the company. Details of the proposal were not disclosed.

Workers represented by Local 555, which affiliated a year ago with the AFL - CIO Building Service Employes International union, include meter readers, customer service men, pipefitters and a variety of other categories.

They are scattered over a 17-county area in Northeast Ohio, which includes Cleveland, Akron, Canton, Youngstown, Ashtabula, Massillon, Wooster, Kent and Ravenna.

Consecrated Bishop

CINCINNATI (AP)— Edward A. McCarthy was consecrated a Roman Catholic bishop Tuesday and it marks the first time that two auxiliary bishops will serve in the Cincinnati Archdiocese. The other bishop here is the most Rev. Paul F. Leibold.

Worker Suffocates In Fall Into Sand

WASHINGTON COURT HOUSE, Ohio (AP)—A worker at the Armbrust Concrete Products Co. suffocated Tuesday when he fell into a 60-foot sand bin and was buried beneath the sand.

Rescue workers reached the body of Robert D. Yoakum, 28, more than an hour after he fell into the bin.

Figure In Fraud Case To See New Lawyer

CINCINNATI (AP)—Leslie D. Stickler, former Cincinnati attorney convicted of fraud for violating the Ohio Securities Act, has permission to go to Boston to confer with his new attorney, F. Lee Bailey.

Stickler was sentenced to five years in 1961. He is free on bond, pending several appeals.

Out Of The Air

By HAL HUMPHREY

TV Loses The First Round

The Supreme Court's reversal of a Billie Sol Estes conviction because of TV cameras in the Texas courtroom evidently has caused considerable consternation in network circles.

Hal Humphrey

CBS President Frank Stanton, who for years has been championing the cause of allowing TV into courtrooms, refused to make any comment on last week's Supreme Court decision. Robert Sarnoff, NBC's board chairman and another long-time battler for TV's "right" to enter public hearings and courtrooms, issued a mild statement emphasizing that the decision was limited to the Estes case and that the court did not find any "absolute or over-all" opinion on the subject.

-:-

THAT IS TRUE, but there was very little in either the majority or minority opinion of the court for Mr. Sarnoff to pin his hopes upon for the future.

Chief Justice Earl Warren used particularly plain and pointed language in concurring with the majority opinion. The following excerpt leaves no doubt of his position:

"The televising of trials," wrote Chief Justice Warren, "would cause the public to equate the trial process with the forms of entertainment regularly seen on television and with the commercial objectives of the television industry.

"In the present case, tapes of the Sept. 24 hearing were run in place of the 'Tonight Show' by one station and in place of the late night movie by another. Commercials for soft drinks, soups, eyedrops and seat covers were inserted when there was a pause in the proceedings.

-:-

"IN ADDITION, if trials were televised there would be a natural tendency on the part of broadcasters to develop the personalities of the trial participants, so as to give the proceedings more of an element of drama. This tendency was noticeable in the present case."

As the reader can see, Chief Justice Warren has more than the ordinary layman's insight into show business, a knowledge he undoubtedly assimilated during his years as governor of California.

"I had thought," quoting another excerpt from his opinion on the Estes case, "that these days of frontier justice were long behind us, but the courts below would return the theater to the courtroom."

-:-

IN BUILDING UP pressure against the American Bar Association's Canon 35, which prohibits televising trials, NBC's Sarnoff and CBS' Stanton have claimed that such prohibition discriminates against TV as compared to the press and that the public's right to know is being limited.

Not many practicing lawyers agree with the Messrs. Sarnoff and Stanton. Bernard Reich, a Beverly Hills attorney, probably sums up the majority opinion of his colleagues when he says that "the so-called freedom of the press is really a right of the public to know—not a license to see a show or give a show."

As for the discrimination charge by TV, it frequently has been countercharged that TV already has the same right as newspapers in that a TV reporter can walk into a courtroom and take notes.

-:-

THE SUPREME COURT majority opinion amplifies this stand by stating: "All (newsmen) are entitled to the same rights as the general public. The news reporter is not permitted to bring his typewriter or printing press."

Prof. Fred Rodell of Yale Law School charged some time ago that the constitutional points raised by both lawyers and broadcasters were only cover-ups for their real motives.

He accused broadcasters of looking for new avenues of commercial exploitation, rather than worrying over the public's "right to know." As for lawyers, Prof. Rodell believes they are concerned only with protecting the solemnity of their profession and the "cult of the robe," instead of due process for defendants.

Perhaps he has a point, but it isn't likely that opening up courtrooms to TV cameras would serve anyone's ends legitimately.

52 Children Register At Wellsville Library

Fifty-two children have registered for the summer book club program at the Wellsville Carnegie Library.

Registration still is open. Children from the third through sixth grades can register daily Monday through Friday from noon to 6 p. m.

The story hour started last week for children entering first and second grades. Miss Joann Van Dyne is the story teller. Records also are used.

The story hour is to be held each Thursday through July 15 from 1:30 to 2:30 p. m.

Mrs. Joanne MacLean will be the story teller this week.

A woman in West Germany once did a brisk business selling stolen Manhattan phone books to Communist agents for $75 each. Spies use a directory as a coding device by designating specific listings as a key.

New Law To Pose Problems

By NEIL GILBRIDE

WASHINGTON (AP) — Women take a major step forward in the battle of the sexes July 2 when a new federal law bans job discrimination based on — among other things — sex.

Or, in some cases, it could be a step backward.

If the law is interpreted strictly, the ladies may not always like it. It could wipe out state laws designed to protect them from dangerous work, and it might mean the end to special concessions like extra rest periods, earlier retirement and — yes, even maternity leave.

On the other hand, a lady with muscles who has always wanted to be, say, a jackhammer operator, may finally get her chance to overcome traditional male resistance.

Lawyers aren't too sure just what the law will do to traditional job lines between men and women.

Asst. Atty. Gen. Norbert A. Schlei puts it this way: "It could become one of those lawyers' nightmares."

How did it all come about?

When Congress wrote the 1964 Civil Rights Act, some Southern opponents threw the word "sex" into the equal employment opportunity section which also bans job discrimination based on race, color, religion and national origin.

Justice Department lawyers believe it was a move to gum up the bill. If it was, it may have succeeded.

Vice President Hubert H. Humphrey, who was Senate floor leader when the bill was passed, said the sex provision would not wipe out laws in 43 states and the District of Columbia designed to protect women.

It is generally believed — although by no means certain — that the courts will not disturb most existing laws and practices.

"I am sure they won't rule that if someone refuses to hire a woman as a jackhammer operator that this is discrimination in violation of the law," says Donald Slaiman, director of the AFL - CIO civil rights department.

There is an exception in the law allowing hiring on the basis of sex if it is "a bona fide occupational qualification reasonably necessary to the normal operation of that particular business or enterprise."

That would seem to cover a job in a ladies' — or men's — locker room. But other areas are more shadowy.

Does the law mean a restaurant cannot advertise for a "waiter," because a waiter is a man?

"I think that advertising for waiters may be a violation; it may not be," said Slaiman.

But as to state laws that protect women from certain dangerous work, limit the number of hours they can work and, in some cases, how much they lift or carry, Schlei warned: "That is the area that is going to create a great deal of trouble. There is no way of knowing what attitude" the courts are going to take.

Richard K. Berg, Justice Department lawyer, sees trouble where state law or a labor contract gives women benefits denied to men, "such as rest periods, maternity benefits, and earlier retirement privileges."

Where it all will end, nobody is quite sure. Congress may have to amend the law later to keep the battle of the sexes from breaking out into open warfare.

"We'll just have to wait and see," sighed Schlei.

Out Of The Air

By HAL HUMPHREY

TV Loses The First Round

The Supreme Court's reversal of a Billie Sol Estes conviction because of TV cameras in the Texas courtroom evidently has caused considerable consternation in network circles.

Hal Humphrey

CBS President Frank Stanton, who for years has been championing the cause of allowing TV into courtrooms, refused to make any comment on last week's Supreme Court decision. Robert Sarnoff, NBC's board chairman and another long-time battler for TV's "right" to enter public hearings and courtrooms, issued a mild statement emphasizing that the decision was limited to the Estes case and that the court did not find any "absolute or over-all" opinion on the subject.

-:-

THAT IS TRUE, but there was very little in either the majority or minority opinion of the court for Mr. Sarnoff to pin his hopes upon for the future.

Chief Justice Earl Warren used particularly plain and pointed language in concurring with the majority opinion. The following excerpt leaves no doubt of his position:

"The televising of trials," wrote Chief Justice Warren, "would cause the public to equate the trial process with the forms of entertainment regularly seen on television and with the commercial objectives of the television industry.

"In the present case, tapes of the Sept. 24 hearing were run in place of the 'Tonight Show' by one station and in place of the late night movie by another. Commercials for soft drinks, soups, eyedrops and seat covers were inserted when there was a pause in the proceedings.

-:-

"IN ADDITION, if trials were televised there would be a natural tendency on the part of broadcasters to develop the personalities of the trial participants, so as to give the proceedings more of an element of drama. This tendency was noticeable in the present case."

As the reader can see, Chief Justice Warren has more than the ordinary layman's insight into show business, a knowledge he undoubtedly assimilated during his years as governor of California.

"I had thought," quoting another excerpt from his opinion on the Estes case, "that these days of frontier justice were long behind us, but the courts below would return the theater to the courtroom."

-:-

IN BUILDING UP pressure against the American Bar Association's Canon 35, which prohibits televising trials, NBC's Sarnoff and CBS' Stanton have claimed that such prohibition discriminates against TV as compared to the press and that the public's right to know is being limited.

Not many practicing lawyers agree with the Messrs. Sarnoff and Stanton. Bernard Reich, a Beverly Hills attorney, probably sums up the majority opinion of his colleagues when he says that "the so-called freedom of the press is really a right of the public to know—not a license to see a show or give a show."

As for the discrimination charge by TV, it frequently has been countercharged that TV already has the same right as newspapers in that a TV reporter can walk into a courtroom and take notes.

-:-

THE SUPREME COURT majority opinion amplifies this stand by stating: "All (newsmen) are entitled to the same rights as the general public. The news reporter is not permitted to bring his typewriter or printing press."

Prof. Fred Rodell of Yale Law School charged some time ago that the constitutional points raised by both lawyers and broadcasters were only cover-ups for their real motives.

He accused broadcasters of looking for new avenues of commercial exploitation, rather than worrying over the public's "right to know." As for lawyers, Prof. Rodell believes they are concerned only with protecting the solemnity of their profession and the "cult of the robe," instead of due process for defendants.

Perhaps he has a point, but it isn't likely that opening up courtrooms to TV cameras would serve anyone's ends legitimately.

52 Children Register At Wellsville Library

Fifty-two children have registered for the summer book club program at the Wellsville Carnegie Library.

Registration still is open. Children from the third through sixth grades can register daily Monday through Friday from noon to 6 p. m.

The story hour started last week for children entering first and second grades. Miss Joann Van Dyne is the story teller. Records also are used.

The story hour is to be held each Thursday through July 15 from 1:30 to 2:30 p. m.

Mrs. Joanne MacLean will be the story teller this week.

Hints *from* Heloise

— By Heloise Cruse —

Dear Heloise: I have a set of twins. (Since you say you are a twin yourself, will you please tell people that twins are a set . . . not a pair. (A pair is "quadruplets.")

They are boys and we buy most of their clothes.

All these clothes — pants, undershirts, shorts, T-shirts, coats, jackets, gloves etc. have labels in them.

I rip out the labels in one set of clothing, therefore identifying, at a glance, which son it belongs to.

This might help many mothers who have two sons near the same age, or a son who wears the same size underwear as his dad.

Don't you think you should pass this along? Sure saves time.

MOTHER.

DEAR MOTHER: You just passed it along, and I think it's a jewel!

And, I really am a twin. Not only that, but here's something else that will amaze you:

When my grandfather was married the first time, they had a set of twins and another child. That child had twins.

My grandfather's first wife died and he remarried. By MY grandmother he had twins and two other children. One of those twins was my mother. My twin sister and I were born on her birthday.

Now . . . can you top that?

Thank goodness mine were singles.

TWIN HELOISE.

DEAR HELOISE: For a kitchen shower gift, I dress a full bottle of detergent to look like a doll . . . using two nylon nylon dishclothes, one for the skirt and one for the shawl. I use two round clothespins for the doll's arms and fasten them on with tape.

A small doily folded in half is the front of the dress.

I use a curly pot scratcher for the head, with black felt for eyelashes and red felt for the mouth, which I also tape on.

JESSIE THOMPSON.

DEAR HELOISE: Here is a hint for people who put candles on their birthday cakes and do not have enough candle holders.

I cut aluminum foil into little circles about the size of a a quarter. Then I punch a hole in the middle of the foil about the size of the candle. I put these foil circles on the cake and then insert the candles.

The little pieces of foil will "cup" up and prevent the wax from dripping

Couple Review Work At Egyptian Hospital

Dr. and Mrs. Harry Hutchson of Claysville, Pa. showed slides and discussed their 35 years' work at a hospital in Tanta, Egypt, during a meeting of the Woman's Association of the Mill Creek United Presbyterian Church of Hookstown.

The couple was introduced by Mrs. Alexander Hamilton. Mrs. Ethel McCoy was in charge of the worship services and Miss Olive Floyd the dedication of the offering.

Refreshments were served by Circle A, with Mrs. William McGaffic and her committee in charge. Mrs. William Moore led the benediction.

Mrs. Evert Maki, president, presided. The next meeting will be in September.

2,700,000 Tourists Expected In Britain

LONDON (AP) — The British Travel Association estimates that 2,700,000 tourists will come to Britain in 1965 and spend more than $1 billion.

The official tourist organization said this sum included money spent within Britain and fares paid by tourists to British carriers.

Arrivals from United States in the first two months of the year totaled 32,000, or 13 per cent more than in the same months in 1964.

The total number of foreign visitors in January and February was 138,000, representing a rise of 17 per cent on the period.

Ohio 5-Day Forecast

Temperatures will average 2 to 6 degrees below normal. Representative normal high and normal low temperatures are Cleveland 79-57, Columbus 84-60 and Cincinnati 85-64.

Rather cool beginning of period with slow warming thereafter. Little or no precipitation except around one-quarter inch in Southwest Ohio as scattered showers early next week.

House Ready To Approve Urban Group

WASHINGTON (AP) — All but talked out on the subject, the House was ready today to approve legislation creating a Cabinet-level department of housing and urban development.

The day's first order of business was a vote on an alternative Republican proposal to establish a new federal office to coordinate the government's activities that bear on city affairs.

This proposal by Rep. Florence P. Dwyer, R-N.J., appeared doomed for burial under a heavy avalanche of votes reflecting the Democratic majority of better than 2 to 1.

This would clear the way for expected overwhelming approval of the new department which has been sought by Presidents Johnson and John F. Kennedy.

Opponents say the bureaucracy of the proposed department would not solve the cities' problems.

Democrats appeared united in support of the bill and it is likely to get at least some Republican backing. Tuesday Rep. John V. Lindsay, GOP candidate for mayor of New York City, spoke in support of the measure.

The Andes Mountain system stretches more than 4,500 miles from the warm shores of the Caribbean to the chilled southern tip of South America.

Smith, Dixonville, East Liverpool, Ohio, on May 14, 1965, filed her Petition in the Court of Common Pleas of Columbiana County, Ohio, in Case No. 50220 for the purpose of quieting title to the following described real estate:

Situated in the Township of Liverpool, County of Columbiana and State of Ohio, and known as and being Lots numbered One (1) and Three (3), as the said lots are numbered and distinguished on the recorded plat of Dixonville in said Township, as laid out by S. R. Dixon.

Last recorded transfers: Volume 341, Page 50, (Lot 1), Volume 213, Page 58, (Lot 3)

Said Petition prays that the defendants be required to assert whatever right, title, interest or estate they have or claim in and to the aforesaid described real estate or be forever barred from asserting the same, and that the same be adjudged to be null and void and of no legal effect; that Plaintiff's title be quieted against the same, Defendants ordered to transfer title to Plaintiff, and if they fail to do so that the Court's order quieting title in Plaintiff be recorded in the records of Deeds of Columbiana County, Ohio, and for such other relief, legal and equitable, as may be necessary and proper.

Said case will be for hearing on the merits thereof in Court Room No. 2, Court House, Lisbon, Ohio, before the Honorable Judge Raymond S. Buzzard, on and after the 1st day of July, 1965, or as soon thereafter as the Court can conveniently hear the same. Defendants will be required to answer by the said 1st day of July, 1965, or judgement will be taken against them.

Hints *from* Heloise

— By Heloise Cruse —

Dear Heloise: I have a set of twins. (Since you say you are a twin yourself, will you please tell people that twins are a set . . . not a pair. (A pair is "quadruplets.")

They are boys and we buy most of their clothes.

All these clothes — pants, undershirts, shorts, T-shirts, coats, jackets, gloves etc. have labels in them.

I rip out the labels in one set of clothing, therefore identifying, at a glance, which son it belongs to.

This might help many mothers who have two sons near the same age, or a son who wears the same size underwear as his dad.

Don't you think you should pass this along? Sure saves time.

MOTHER.

DEAR MOTHER: You just passed it along, and I think it's a jewel!

And, I really am a twin. Not only that, but here's something else that will amaze you:

When my grandfather was married the first time, they had a set of twins and another child. That child had twins.

My grandfather's first wife died and he remarried. By MY grandmother he had twins and two other children. One of those twins was my mother. My twin sister and I were born on her birthday.

Now . . . can you top that?

Thank goodness mine were singles.

TWIN HELOISE.

DEAR HELOISE: For a kitchen shower gift, I dress a full bottle of detergent to look like a doll . . . using two nylon nylon dishclothes, one for the skirt and one for the shawl. I use two round clothespins for the doll's arms and fasten them on with tape.

A small doily folded in half is the front of the dress.

I use a curly pot scratcher for the head, with black felt for eyelashes and red felt for the mouth, which I also tape on.

JESSIE THOMPSON.

-:-

DEAR HELOISE: Here is a hint for people who put candles on their birthday cakes and do not have enough candle holders.

I cut aluminum foil into little circles about the size of a quarter. Then I punch a hole in the middle of the foil about the size of the candle. I put these foil circles on the cake and then insert the candles.

The little pieces of foil will "cup" up and prevent the wax from dripping

House Ready To Approve Urban Group

WASHINGTON (AP) — All but talked out on the subject, the House was ready today to approve legislation creating a Cabinet-level department of housing and urban development.

The day's first order of business was a vote on an alternative Republican proposal to establish a new federal office to coordinate the government's activities that bear on city affairs.

This proposal by Rep. Florence P. Dwyer, R-N.J., appeared doomed for burial under a heavy avalanche of votes reflecting the Democratic majority of better than 2 to 1.

This would clear the way for expected overwhelming approval of the new department which has been sought by Presidents Johnson and John F. Kennedy.

Opponents say the bureaucracy of the proposed department would not solve the cities' problems.

Democrats appeared united in support of the bill and it is likely to get at least some Republican backing. Tuesday Rep. John V. Lindsay, GOP candidate for mayor of New York City, spoke in support of the measure.

The Andes Mountain system stretches more than 4,500 miles from the warm shores of the Caribbean to the chilled southern tip of South America.

2,700,000 Tourists Expected In Britain

LONDON (AP) — The British Travel Association estimates that 2,700,000 tourists will come to Britain in 1965 and spend more than $1 billion.

The official tourist organization said this sum included money spent within Britain and fares paid by tourists to British carriers.

Arrivals from United States in the first two months of the year totaled 32,000, or 13 per cent more than in the same months in 1964.

The total number of foreign visitors in January and February was 138,000, representing a rise of 17 per cent on the period.

Ohio 5-Day Forecast

Temperatures will average 2 to 6 degrees below normal. Representative normal high and normal low temperatures are Cleveland 79-57, Columbus 84-60 and Cincinnati 85-64.

Rather cool beginning of period with slow warming thereafter. Little or no precipitation except around one-quarter inch in Southwest Ohio as scattered showers early next week.

OFF THE RECORD

"Lots of people think I look like Frank Smith—he's my big brother."

Today In History

By The Associated Press

Today is Wednesday, June 16, the 167th day of 1965. There are 198 days left in the year.

Today's highlight in history:

On this date in 1858, Abraham Lincoln accepted the Republican nomination for senator from Illinois. In his acceptance speech he said: "A house divided against itself cannot stand."

In 1920, the Council of the League of Nations held its first public meeting at St. James's Palace in London.

In 1933, the NRA blanket code to shorten hours and raise wages was decreed by President Franklin D. Roosevelt.

In 1939, the Reichsbank was placed under the direct control of Adolf Hitler.

In 1940, Marshal Petain took over the French government.

In 1941, the State Department ordered Germany to close all consular offices in the United States.

Ten years ago — The British submarine Sidon sank off Portland Harbor, England, after a torpedo explosion. Thirteen crewmen were lost.

Five years ago — President Dwight D. Eisenhower, on his Far Eastern trip, sailed from Manila for Formosa.

One year ago—An earthquake rocked northern Japan; 25 were reported killed and 11 missing.

Scientific good will transcends the "Cold War." American chemists named a newly-discovered element after Russian scientist Dimitri Mendeleyeev and Soviet astronomers gave Thomas A. Edison's name to a prominent feature discovered by Lunik III on the far side of the moon.

The most prolific musical composer of all time is generally conceded to have been Filippo de Monte (1521-1603), who composed 1,000 madrigals, of which 600 were published, together with 300 motets and other works.

A Junior Editors Quiz About BONE CHINA

QUESTION: Is bone china really made of bone?

★ ★ ★

ANSWER: Chinaware is a form of pottery and is generally regarded as being the highest form of potter's art. It is called china because it originally came from that country. True china is white and transluscent, allowing some light to come through. The Chinese originated this ware by using a mixture of kaolin with petunsie, called China stone. China began to appear in Europe in the 1400's, but it was rare and costly. By 1700's, a great desire to own fine china had arisen in Europe, but the Chinese did not want to give away the secret of how they made it. Potters in various factories in Europe and England experimented and found out about the use of petunsie and kaolin. In 1799, in England, Josiah Spode discovered how to add the ashes of burnt bones to the other materials. The ware he produced made the china and bacame extremely popular. The bone made the china durable and produced a slightly creamier look to the ware, making it very attractive. Spode's formula was later used in other English china such a Coalport, Darby and Worcester. Bone china is quite light in weight and has a kind of smooth feel which reminds one of ivory. Not all china is made with bone. In the United States, only a small amount is produced in this way, because of a lack of specially trained workers who understand the process.

★ ★ ★

FOR YOU TO DO: If there is any china in your home, ask your mother or father to tap a piece very lightly. Fine china will have a beautiful ringing sound. Cups and saucers made of other pottery while perhaps beautiful, will have a duller sound.

Naomi R. Duering of Daly City, Calif. wins this week's grand prize of a 15-volume set of Compton's Pictured Encyclopedia for this question. Mail yours on a postcard to Junior Editors in care of The Review.

FROM A CONTINUOUS TEST PROGRAM—A NEW CONCEPT

The Riverside X.L.T. is an entirely new concept in retreads. Never before have you been assured of such quality! Each casing must pass a strenuous series of inspections before certification. All casings which show pinhole punctures, ply separation or tire wall weakness are rejected. Premium quality *RIV-SYN* tread (Wards extra mileage producer) is then bonded to the tire using the most advanced bonding methods. And that's not all—Wards subjected the X.L.T. to the ultimate inspection, a grueling track test by world famous racing champ, Parnelli Jones. The X.L.T. passed with flying colors—proven quality. 24-Month **guarantee** against tread wear, road hazards.
